Or even read it in another Christian book? Here Ron, as a former park ranger, shares his experience of what God has shown him over the years when exploring nature. Did you know when you see an object like a cigarette butt, piece of paper, or twig on a web, the spider is telling God's saint's aspects on Christian living from Proverbs chapter 30? Just constructing the web, its perseverance, stewardship, and adjustability will tell God's saints how to live the Christian life. Like in Ron's other books, *Balance Volume 2* and the children's book *Charlie the Spider and Friends*, God uses the most unlikely to unveil his principles of walking with him as his saints. Other gems Ron shares for Christian life's principles are about the garden, the seed, learning from darkness, God's vitamins, and many other fantastic wisdom and understanding, emeralds in short bullet points. Whether in quotes, jokes, or commentaries, Ron does not sugarcoat anything so that the reader can get the truth about God. This is a must book for the sinner, the saint, and society.
