Spiders in the House and Workers in the Field Ernesto Galarza, 1970 *In the Struggle* Daniel J. O'Connell, Scott J. Peters, 2021-07-13 Scholars working for communities rights in California s Central Valley In the Struggle tells the story of the persistent engagement of eight public scholars spanning generations of sustained endeavor a dogged war in which workers and scholars together repeatedly took on the powerful agricultural industry the political machines and even the universities The stories begin in the 1930s with Paul Taylor a professor of economics at University of California Berkeley who pioneered field research and activism as he travelled through the areas marked by the Great Depression together with his wife photographer Dorothea Lange Working in the heart of California s agricultural Central Valley Taylor was the first of a succession of scholars who shared the dual commitment to research and engagement to making problems visible and to effecting change through strategic action Taylor and Lange intentionally wove their political engagement into their identities and work as researchers as they conducted studies led strikes organized underserved communities founded community development programs created nonprofit institutions and more This book documents a tradition of politically engaged scholarship in one of the world s most dramatic contexts full of disparities and contradictions but also ripe with opportunities to make a difference It covers a struggle that continues undiminished in the present

Triangulations David J. Vázquez, How Latino autobiographical texts reconfigure identity in opposition to familiar notions of self *Ethnic American Literature* Emmanuel S. Nelson, 2015-02-17 Unlike any other book of its kind this volume celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature This culturally rich encyclopedia contains 160 alphabetically arranged entries on African American Asian American Latino a and Native American literary traditions among others The book introduces the uniquely American mosaic of multicultural literature by chronicling the achievements of American writers of non European descent and highlighting the ethnic diversity of works from the colonial era to the present The work features engaging topics like the civil rights movement bilingualism

assimilation and border narratives Entries provide historical overviews of literary periods along with profiles of major authors and great works including Toni Morrison Maxine Hong Kingston Maya Angelou Sherman Alexie A Raisin in the Sun American Born Chinese and The House on Mango Street The book also provides concise overviews of genres not often featured in textbooks like the Chinese American novel African American young adult literature Mexican American autobiography and Cuban American poetry

The Making of a Chicano Militant Jose Angel Gutierrez, 1998 Texas for years was a one party state controlled by white democrats In 1962 a young eighteen year old heard the first rumblings of Chicano community organization in the barrios of Cristal The rumor in the town was that five Mexican Americans were going to run for all five seats on the city council But first poor citizens had to find a way to pay the 1 75 poll tax Money had to be raised through bake sales of tamales cake walks and dances So began the political activism of Jos Angel Guti rrez Guti rrez s autobiography The Making of a Chicano Militant is the first insider s view of the important political and social events within the Mexican American communities in South Texas during the 1960s and 1970s A controversial and dynamic political figure during the height of the Chicano movement Guti rrez offers an absorbing personal account of his life at the forefront of the Mexican American civil rights movement first as a Chicano and then as a militant Guti rrez traces the racial ethnic economic and social prejudices facing Chicanos with powerful scenes from his own life his first summer job as a tortilla maker at the age of eleven his racially motivated kidnapping as a teenager and his coming of age in the face of discrimination as a radical organizer in college and graduate school When Guti rrez finally returned to Cristal he helped form the Mexican American Youth Organization and subsequently the Raza Unida Party to confront issues of ethnic intolerance in his community His story is soon to be a classic in the developing literature of Mexican American leaders

Latino History and Culture David J. Leonard, Carmen R. Lugo-Lugo, 2015-03-17 Latinos are the fastest growing population in America today This two volume encyclopedia traces the history of Latinos in the United States from colonial times to the present focusing on their impact on the nation in its historical development and current culture Latino History and Culture covers the myriad ethnic groups that make up the Latino population It explores issues such as labor legal and illegal immigration traditional and immigrant culture health education political activism art literature and family as well as historical events and developments A Z entries cover eras individuals organizations and institutions critical events in U S history and the impact of the Latino population communities and ethnic groups and key cities and regions Each entry includes cross references and bibliographic citations and a comprehensive index and illustrations augment the text

Farm Worker Futurism Curtis Marez, 2016-06-17 When we think of literature and film about farm workers The Grapes of Wrath may come to mind but Farm Worker Futurism reveals that the historical role of technology especially new media has in fact had much more to do with depicting the lives of farm laborers Mexican migrants in particular in the United States From the late 1940s when Ernesto Galarza led a strike in the San Joaquin Valley to the early 1990s when the United Farm Workers UFW helped organize a fast in solidarity with janitors

at Apple Computers in the Santa Clara Valley this book explores the friction between agribusiness and farm workers through the lens of visual culture Marez looks at how the appropriation of photography film video and other media technologies expressed a farm worker futurism a set of farm worker social formations that faced off against corporate capitalism and government policies In addition to drawing fascinating links between the worlds envisioned in UFW videos on the one hand and visions of Cold War geopolitics on the other he demonstrates how union cameras and computer screens put the farm worker movement in dialogue with futurist thinking and speculative fictions of all sorts including the films of George Lucas and the art of Ester Hernandez Finally Marez examines the legacy of farm worker futurism in recent cinema and literature contemporary struggles for immigrant rights management labor conflicts in computer hardware production and the antiprison movement In contrast with cultural histories of technology that take a top down perspective Farm Worker Futurism tells the story from below showing how working class people of color have often been early adopters and imaginative users of new media In doing so it presents a completely novel analysis of speculative fiction s engagements with the farm worker movement in ways that illuminate both

FBI Files on Mexicans and Chicanos, 1940-1980 José Angel Gutiérrez, 2021-03-04 A multi chapter book that examines the FBI files on two well known persons of Mexican origin Luisa Moreno and Ernesto Galarza four Chicanos Ambassador Raymond Telles and his wife Delfina Navarro Francisco Pancho Medrano Freddy Fender two organizations the Texas Farm Workers Union and the American G I Forum and one event the Zoot Suit police riots in Los Angeles California during the 1940s

California. Court of Appeal (4th Appellate District). Division 2. Records and Briefs California (State)., *Border Visions* Carlos G. Vázquez-Ibañez, 1996-11 The U S Mexico border region is home to anthropologist Carlos Vázquez-Ibañez In these pages he pours nearly half a century of searching and finding answers to the Mexican experience in the southwestern United States He describes and analyzes the process as generation upon generation of Mexicans moved north and attempted to create an identity or sense of cultural space and place In today s border fences he also sees barriers to how Mexicans understand themselves and how they are fundamentally understood From prehistory to the present Vázquez-Ibañez traces the intense bumping among Native Americans Spaniards and Mexicans as Mesoamerican populations and ideas moved northward He demonstrates how cultural glue is constantly replenished by strengthening family ties that reach across both sides of the border The author describes ways in which Mexicans have resisted and accommodated the dominant culture by creating communities and by forming labor unions voluntary associations and cultural movements He analyzes the distribution of sadness or overrepresentation of Mexicans in poverty crime illness and war and shows how that sadness is balanced by creative expressions of literature and art especially mural art in the ongoing search for space and place Here is a book for the nineties and beyond a book that relates to NAFTA to complex questions of immigration and to the expanding population of Mexicans in the U S Mexico border region and other parts of the country An important new volume for social science humanities and Latin American scholars *Border Visions* will

also attract general readers for its robust narrative and autobiographical edge For all readers the book points to new ways of seeing borders whether they are visible walls of brick and stone or less visible infinitely more powerful barriers of the mind

Migrant and Seasonal Farmworker Powerlessness: Who are the migrants? United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Migratory Labor,1970 **Workers, Managers, and Technological Change** Daniel B. Cornfield,2013-11-11 Workers Managers and Technological Change Emerging Patterns of Labor Relations contributes significantly to an important subject Technological change is one of the most powerful forces transforming the American industrial relations In fact the synergistic relationships between technology and indus system trial relations are so complex that they are not well or completely understood We know that the impact of technology while not independent of social forces already has been profound it has transformed occupations creating new skills and destroying others altered the power relationships between workers and managers and changed the way workers learn and work Tech nology also has made it possible to decentralize some economic activities out of large metropolitan areas and into small towns rural areas and other coun tries Most important information technology makes it possible for interna tional corporations to operate on a global basis Indeed some international corporations especially those based in the United States are losing their national identities detaching the welfare of corporations from that of particu lar workers and communities Internationalization facilitated by information technology has trans formed industrial relations systems A major objective of the traditional American industrial relations system was to take labor out of competition The Latino Question Armando Ibarra,Alfredo Carlos,Rodolfo D Torres,2018-08-20 While so many Latino Chicano Americans struggle in pursuit of the American dream while figures such as Donald Trump are accepted in mainstream politics and scaremongering and paranoia is rife the need for a vivid empirically grounded study on Latino politics culture and society has never been greater The Latino Question fulfils this need offering a cutting edge analysis of the transformative nature of Latino politics in the US In a radical alternative to dominant ideas the authors emphasise the importance of political economy for understanding Latino politics culture and social issues It draws from original research and a number of critical traditions including the thought of Karl Marx and Antonio Gramsci to understand the politics of race and ethnicity in a modern capitalist society Including case studies of how Latino Chicano communities across the US are not only resisting but also reinventing and transforming ethnic
