of worry and concern for no one ever knows what life has in store for them There are so many people trying to escape from things that happen in everyday life Where can we go to get away and completely lose track of time and only have but one thing on their minds that is completely peaceful Well that place was bass fishing for me for there was always a close place to fish for bass even if it was for only a short period of time and it did not cost me very much for that kind of therapy Bass fishing gave me time to clear my head when things were getting too hectic When I would return from bass fishing it was like I had gone to a place that very few people ever got to see Bass fishing had helped me to learn how to relax my mind When I went bass fishing I could just sit back and get a chance to meet the largemouth bass on a one to one basis Sometimes I would just throw my small boat in the back of my truck to go bass fishing and I did not have any destination in mind I would just drive off and search for places to fish that I had never seen before
