Various physical emotional imaginative intellectual and psychic aspects of spiritual development are considered leading to a discussion of spiritual maturity old age and self renewal Social relations compassionate love and responsible mature human relationships are emphasized Altered states of consciousness dreams visions mystical experiences are presented as a valid necessary means for an understanding of Spirit and many ideas from contemporary cosmology process theology parapsychology and western esotericism are integrated into the book

In the Sunlight of the Spirit Rev Dr Kevin T Coughlin, 2016-06-13 When I was seven years old I accompanied my mother to many twelve step recovery meetings and witnessed the miracle as it changed her life and mine A few decades later the twelve steps saved my life my brother s life his wife s life my uncle s life and countless friend s lives After witnessing the power of the twelve step process my family friends and I opened a twelve step recovery program and retreat in The Poconos of Pennsylvania for adult men and women who suffer from addiction Over the past two decades the thousands of miracles that I have witnessed and lives saved are due to the twelve step process We found that this process was a spiritual program of action based on spiritual principles New Beginning Ministry in Beach Lake PA has been our labor of love born out of addiction You can find out more about New Beginning at www.newbeginningmin.org I felt it was my obligation to share what I have learned over the past 47 years about addiction recovery spirituality and the twelve step process I originally got clean and sober at a twelve step retreat that was started by one of the Founders of Alcoholics Anonymous Bill W it was at this retreat that I started to realize that I had a calling on my life to help other sick and suffering alcoholics and substance abusers After two decades of teaching on addiction recovery spirituality and the twelve step process and developing my skills as a professional writer it only made sense to combine the two and share this life saving information with a larger audience My mom passed on five years ago with over forty years of sobriety and today I celebrate nineteen years My dream is to share my knowledge with as many individuals as I can during my lifetime building an army of spiritual twelve step professionals who can help save lives It doesn t matter if you are reading this book for yourself a family member or a dear friend the information contained within the pages here can be life changing I know that spirituality changed and saved my life It works if you work it so work it you re worth it Anonymous They say in the rooms of recovery if you want what we have and are willing to go to any length to get it you will recover All you have to do is want it and do the footwork This amazing workbook manual will aid you on your journey as you walk in the sunlight of the spirit My personal website is www.revkevsrecoveryworld.com I hope you will visit Best of life
