H.D., 2021-10-05 In this complete unabridged edition of H.D.'s visionary memoir *The Gift* Jane Augustine makes available for the first time the text as H.D. wrote it and intended it to be read including H.D.'s coda to the book her Notes never before published in its entirety Written in London during the blitz of World War II *The Gift* re-creates the peaceful childhood of Hilda Doolittle in Bethlehem Pennsylvania where she was born in 1886 As an antidote to war's destructiveness H.D. invokes the mystical Moravian heritage of her mother's family to convey an ideal world peace and salvation that would come through the spiritual power of women a power that also endowed her with the gift of her own art *The Gift* is key to intertextual studies of H.D.'s wartime oeuvre and to an understanding of the religious and gender concerns pervading her later work especially the women-centered poems *Trilogy* and *Helen in Egypt* Augustine's introduction and annotations based on extensive research in Moravian archives provide a biographical and historical context to make this the definitive edition of *The Gift* essential to students and scholars of H.D. modernism and feminist literature **The Devotion of a Spiritual Mother and Daughter in**

Stone,2012-09-21 An important new way of viewing the prehistoric art of the Americas *The Jaguar Within* demonstrates that understanding a work of art s connection with shamanic trance can lead to an appreciation of it as an extremely creative solution to the inherent challenge of giving material form to nonmaterial realities and states of being Shamanism the practice of entering a trance state to experience visions of a reality beyond the ordinary and to gain esoteric knowledge has been an important part of life for indigenous societies throughout the Americas from prehistoric times until the present Much has been written about shamanism in both scholarly and popular literature but few authors have linked it to another significant visual realm art In this pioneering study Rebecca R Stone considers how deep familiarity with and profound respect for the extra ordinary visionary experiences of shamanism profoundly affected the artistic output of indigenous cultures in Central and South America before the European invasions of the sixteenth century Using ethnographic accounts of shamanic trance experiences Stone defines a core set of trance vision characteristics including enhanced senses ego dissolution bodily distortions flying spinning and undulating sensations synaesthesia and physical transformation from the human self into animal and other states of being Stone then traces these visionary characteristics in ancient artworks from Costa Rica and Peru She makes a convincing case that these works especially those of the Moche depict shamans in a trance state or else convey the perceptual experience of visions by creating deliberately chaotic and distorted conglomerations of partial inverted and incoherent images *The Little Yellow House at the End of the Road* Daniel E. David,2022-05-23 Born a day apart and raised as twins Alexandra and Danny form a special bond Four years later under tragic circumstances they re permanently separated from each other At the age of nine a phone call from half way around the world changes everything and they find out they are going to have to share a bed together Neither of the two remembers the other Ouch Fate has decreed that they will spend seven days together They will have seven days to rekindle the bond which had previously united them the bond purposely broken and now forgotten *English Spirituality* Gordon Mursell,2001-01-01 This wide ranging historical survey provides an indispensable resource for those interested in exploring teaching or studying English spirituality In two stand alone volumes it traces history from Roman times until the year 2000 The main Christian traditions and a vast range of writers and spiritual themes from Anglo Saxon poems to late modern feminist spirituality are included These volumes present the astonishing richness and variety of responses made by English Christians to the call of the divine during the past two thousand years *Nourishment for the Spiritual Pilgrimage*

Vernon T. Jones,2017-02-16 In the morning while it was still very dark he got up and went out to a deserted place and there he prayed Mark 1 35 Jesus taught by his words and actions He went by himself to pray when he was tired when faced with upcoming trying events or when he just wanted to be alone in the presence of his Lord He gave us guidance about what to pray how to pray and why to pray and was very familiar with the Hebrew Scriptures Thus if we want to become Jesus disciple we should follow his model and invest time and emotional energy into prayer Bible study and reflection Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ It offers insight and support for those who daily want to turn their hearts souls and minds to God s will in their lives as they strive to help in bringing about God s kingdom in this present time There are countless other devotionals but hopefully this can offer something that many of the others may not a specific focus on the concept of discipleship **The Spiritual Telegraph** Samuel Byron Brittan,1854 **The PTA Magazine** ,1919 *The Day of days, conducted by C.
