**Unseen Warfare** Hakeem Collins,2021-03-16 Your everyday guide to discerning and destroying the works of the devilFew Christians are aware of just how many day to day struggles are actually the work of demonic powers bent on keeping them from their divine destiny Jesus has given you all that you need for victory but to walk in the fullness of your spiritual authority you must learn      **The Spiritual Condition of Infants** Adam Harwood,2011-03-15 What is the spiritual condition of infants According to the Augustinian Calvinist view all people inherit from the first Adam both a sinful nature and his guilt The result is that all infants are subject to the judgment of God against their nature before they knowingly commit any sinful actions But is this the clear teaching of Scripture In The Spiritual Condition of Infants Adam Harwood

examines ten relevant biblical texts and the writings of sixteen theologians in order to clarify the spiritual condition of infants. Although no passage explicitly states the spiritual condition of infants, each text makes contributions by addressing the doctrines of man, sin, the church, and salvation. If this biblical historical analysis exposes the traditional Augustinian Calvinist view to be inadequate, then is it possible to construct an alternate view of the spiritual condition of infants? Such a view should remain faithful to the biblical emphasis on humankind's connection to Adam and his sin but also recognize the guilt and condemnation of an individual only in the manner and time that God does in Scripture. That is the aim of this book.

Spiritual Gifts for Spiritual Warfare Tom Brown, 2015-02-04

The Importance of Your Spiritual Gifts Perhaps you have never heard of spiritual gifts outside of their few appearances in the New Testament or perhaps you are wondering how a concept so seemingly ancient is still applicable to you today. Spiritual gifts are important tools in battling and overcoming Satan and God freely gives them to His followers. The church need not be ignorant any longer. In *Spiritual Gifts for Spiritual Warfare* Tom Brown presents the spiritual gifts and describes their uses in spiritual warfare, equipping you to recognize the various spiritual gifts. Receive the baptism of the Holy Spirit. Activate the spiritual gifts in your life. Appropriate the gifts of revelation, power, and speech. Become wise by discerning God's will. Impart wisdom and other spiritual gifts to others. You are not alone. You have a Helper, the Holy Spirit, who wants to assist you in overcoming temptation and defeating the enemy in your life. Don't be alarmed by Satan's work. The Spirit who is in you is greater than he who is in the world. See 1 John 4:4. So stand up and use the tools you've been given to walk boldly in the way of truth.

**Spiritual Casualties** Tom Schuessler, 2022-09-13

It is easy to have faith when all is going well. It is easy to trust God when you have a great job, a great marriage, good health, and sound finances. It is very easy to lift your hands and sing God's praises when life is beautiful. It can, however, be quite difficult to trust God when severe trials enter your life. It can make it hard to sing his praises when waves of adversity bring you to the brink of despair. It can seem especially bad when those around you seem to be enjoying life and have things going their way, especially when you see unbelievers with happy homes, good health, and great careers. It is when severe trials come and our faith is tested to the breaking point that we must remember that we know in all things that God works for the good of those who love him, who are called according to his purpose. Rom 8:28. There is a hidden realm in which spiritual warfare is being waged by the forces of evil in the heavenly realms. Ephesians 6:12. This book lays out an explanation of spiritual warfare and gives Biblical evidence showing that even people of God can suffer long and painful trials. It also

gives reasons for hope both now and in eternity to come The author also issues a call to the Body of Christ to come to the aid of hurting Christians and offers suggestions on who can be part of the healing and how to approach the subject If you are hurting you are invited you to journey through this book to find healing and hope from God s word If you are a Christian with a heart for those who are hurting you are also invited to journey through this book and try to discern what ministry God may have for you     The Spiritual Trial of Nathaniel Hollandsworth Porscha Blake,2011-02-24 THE SPIRITUAL TRIAL OF NATHANIEL HOLLANDSWORTH is a supernatural story that deals with spiritual warfare The concept is based from the book of Job within the Bible A God fearing lawyer is being tested at the request of Lucifer God grants the permission only under two terms Lucifer may attempt to take everything but on the man himself he cannot lay a finger if Nathaniel requests divine help the angels of heaven will intervene Of course Lucifer decides to pursue his own agenda But it will not stand against God or the power of Prayer
