*Intercourse* J. Hewat McKenzie, 1917      **The Origins and Role of Same-Sex Relations in Human Societies** James Neill, 2009-01-14 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh

condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex     **Sex and Spirit** Clifford Bishop,1996     **Sex and the Spiritual Path** Herbert B. Puryear,1999-10-15 In this enlightening book Puryear a clinical psychologist explores the subject of sexuality and spirituality based on the readings of the renowned American psychic Edgar Cayce     *Discovering Your Sexual/Spiritual Power* Sue Mize,2001 Dear Reader *Discovering Your Sexual Spiritual Power* is a self help book or as I like to think of it a treasure map It is also a novella The novella takes you into the private and passionate world of colleagues Lilith Swan and Grant Davis as they engage in an unadulterated extra marital affair Lilith discovers her sexual spiritual power through this affair and she will guide you in discovering yours The treasure map or self help part of the book takes you into your own private world of self discovery Self discovery is like having an affair with yourself and having an affair with yourself is like going on an odyssey an adventure to mysterious and exotic lands where you hunt for treasures This book is your treasure map and the exercises at the end of each chapter serve as X s marking the spots where your treasures are to be found Finding your treasure you will return from your odyssey to discover that your home is a place of new and endless possibilities I wish you courage on your journey Sue Mize Author     Forgotten Victims of Sex Abusers William F. Kraft,2020-03-11 This book honors the courageous sex victims who exposed their abusers The spotlight and rightly so has been on them and their predators William Kraft contends however that little attention and help has been given to those who unknowingly knew a sex offender people such as spouses family friends and parishioners the unintended victims Kraft gives these forgotten and silent victims a voice He recognizes listens and responds to people who trusted often admired and perhaps loved a sex offender the shocked woman whose husband is found guilty of sexual assault the stunned parents and disillusioned parishioners of a pedophile priest the lost man of an unfaithful wife and the depressed parent of a promiscuous child Kraft wants us to cease forgetting these victims and offer them help His proposal is that sex abusers cause severe and lasting harm because their defilement is not only physical but also emotional social and most importantly spiritual because abusers violate bonds such as trust fidelity and love Thus Kraft offers concrete psychological and spiritual ways to achieve effective management and healing     Deliverance From Spirit Husband And Spirit Wife Dr. D. *UNDERSTANDING HUMAN SEXUALITY* ESPHAN NG'ANG'A,2009-07-31 Though sexuality is an important subject matter that should be taught in homes and in the church it has been neglected and treated as inconsequential Young and old alike look at sex as a taboo The church and the home should be the most appropriate forums where sexuality could be openly discussed but to the contrary the message we have received from the church and the home is that sex is unholy and shouldn't be discussed These key institutions have little or nothing to discuss about sex This is especially tragic because the believers who have faith in God who created sex and established its proper parameters should be able to speak more intelligibly and confidently about sex than anyone else Yet the community of believers is silent in the public forum in matters relating to sexuality whether because of embarrassment confusion timidity or a sense that the subject of sex is either too personal or not sufficiently spiritual for church to address publicly Mr Ng ang a has addressed this subject openly and with ardent scriptural instruction Understanding Human Sexuality is helpful to married couples and curious young people who have many questions about sex It is also an instruction manual for parents in guiding their curious children on the subject *Spiritual Power* Gian

Kumar,2018-10-30 What we achieve inwardly will change outer reality Plutarch In this compact volume Gian Kumar a thinker by nature has delved into the essence of spirituality and its relationship with every aspect of human existence When we cease to blame destiny for every mishap occurring in our lives and instead seek answers from within we will be on the path to illumination and awareness Gian Kumar has put this wisdom to the test innumerable times in his life His own struggles strengthened his resolve to fight life's battles from his inner resources rather than look outward He shares his insights with us offering some new revelations each time He reiterates that spiritualism is purely based on the theory that all that exists is one and not two We are here to experience this oneness with the realization that we are all interconnected and interrelated and simply cannot exist on our own This volume should be used as an advanced guide to help us discover the inner path of spirituality and how to live complete fulfilling lives **Sex, Spirit and You** John-Roger,1977 *An Intersectional Approach*
