Spirit with Us Judith Dunlap, 1997-12-01 God Is Calling is a program for family faith formation that is rooted in story and family sharing These wonderfully illustrated and contemporary storybooks help bring families together by allowing adults and children to read and share activities and thoughts about the same stories The illustrations are colorful and contemporary while the stories are treasures from the Hebrew Scriptures the New Testament and the journeys of modern saints and believers God Is Calling offers a simple yet comprehensive catechesis that is both formational as well as educational It can be used as an intergenerational family series as catechetical material for children involved in the Rite of Christian Initiation or for catch up catechesis for children whose parents are returning to the church *Spiritual Stories* Noah

Reed, 2011-02-24 Revision of author's thesis Ph D Princeton Theological Seminary 2010 The Story of Christianity: Volume 1 Justo L.

Gonzalez, 2010-08-10 In this fully revised and updated edition the lauded church historian Justo Gonzalez tells the story of Christianity from its fragile infancy to its pervasive dominance at the dawn of the Protestant Reformation The Story of Christianity volume 1 relates the dramatic events the colorful characters and the revolutionary ideas that shaped the first fifteen centuries of the church's life and thought From Jesus's faithful apostles to the early reformist John Wycliffe Gonzalez skillfully weaves details from the lives of prominent figures tracing core theological issues and developments within the various traditions of the church The Story of Christianity demonstrates at each point what new challenges and opportunities faced the church and how Christians struggled with the various options open to them thereby shaping the future direction of the church This new edition of The Story of Christianity incorporates recent archaeological discoveries to give us a better view of the early Christian communities Among these are advances in the recovery of Gnostic texts that have revealed a richer diversity of Christianities in the first century Gonzalez also includes important research done in the past twenty five years revealing the significant role of women throughout the history of the church With lively storytelling incorporating the latest research The Story of Christianity provides a fascinating introduction to the panoramic history of Christianity Soul Feast Marjorie J. Thompson, 1995-01-01 There are few books in which a solid biblical vision and a practical hands on approach are so well integrated When you have read and lived this book you have been in touch with the best that Christian spirituality has to offer From the Foreword by Henri J. Nouwen **Pauses for Pentecost** Trevor Hudson, 2018-01-01 How do

you prepare for Pentecost As followers of Christ we are invited to become Easter people filled with the Holy Spirit The Resurrection is the center of the Christian faith Without it there would be no Christian story Christian church or Christian way of life Did you know that the Christian calendar sets aside a season of 50 days between Easter and Pentecost The Easter season sometimes called Eastertide includes our Lord's ascension and leads to the Day of Pentecost when Christians remember the outpouring of the Holy Spirit on Jesus' first followers Have you ever taken 50 days to deliberately walk the path from Easter to Pentecost Trevor Hudson writes If we are willing to take the time to pause the season of Eastertide can become a time punctuated with precious moments of encounter with our risen Lord Pauses for Pentecost offers 50 brief meditations that guide you to reflect on a biblical word and scripture passage then do a simple daily practice The daily

practices do not take much time and they are designed to let the new life of the Resurrection and the power of Pentecost flow into your life Discover how to open your heart and mind more fully to the joy of Christ the presence of God and the power of the Holy Spirit

Earthly Stories with Spiritual Meaning Danny Dodson, 2024-09-18 One of the primary teaching methods of Jesus the master teacher was His use of parables Jesus parables were simply short stories that were true to life and taught valuable spiritual truths to His listeners Similar to how Jesus used parables this book uses nostalgic and often humorous events from the author's own life to illustrate and explain some valuable spiritual truths from the Holy Scripture If we are paying attention life events can certainly teach us a whole lot about our omnipotent God Then if we will allow God to communicate with us through his Holy Scripture we will learn all we need to know about how to live an abundant life now and prepare for eternal life in the world to come The author has done his share of preaching over the last fifty years Yet much more often than not he has been the one in the pew gleaning valuable knowledge from preachers and teachers And when you add his secular engineering background and love of humor this mixture of experiences has given the author a unique perspective on the truth in God's Word which will be evident in this book His stated purpose for writing this book is both to entertain and spiritually uplift his readers He is hopeful that it will increase the faith of his readers and inspire them to live holy lives as we wait anxiously for our Lord's return
