Spirit Wrestlers Centennial Papers In Honour Of Canadas Doukhobor Heritage:

Spirit wrestlers Robert B. Klymasz, Koozma J. Tarasoff, 1995-01-01 The centenary of Doukhobor settlement in Canada 1899 1999 marks a unique chapter in the story of this country and its peoples Twenty six contributors from Canada Russia Japan and the United States offer important insights into the legacy of the Doukhobors with discussions on Doukhobor philosophy and spirituality song traditions and history to aspects of material culture textile arts dress and furnishings and museological concerns Published in English *Russian Language Studies in North America* Veronika Makarova, 2013-10-01 Russian Language Studies in North America New Perspectives from Theoretical and Applied Linguistics offers a unique collection of research papers representing current directions in Russian language studies in Canada and the United States Traditionally Slavic and Russian studies in these countries have centered around literature history politics and culture This volume reflects recent changes in Russian studies by focusing on language structure language use and teaching methodology The volume brings together several generations of scholars from young promising researchers to those with long established reputations in the field **Encyclopedia of Protestantism** J. Gordon Melton, 2005 An illustrated A to Z reference containing over 600 entries providing information on the theology people historical events institutions and movements related to Protestantism *Militant Minority* Benjamin Isitt, 2011-01-01 Militant Minority tells the compelling story of British Columbia workers who sustained a left tradition during the bleakest days of the Cold War Through their continuing activism on issues from the politics of timber licenses to global questions of war and peace these workers bridged the transition from an Old to a New Left In the late 1950s half of B C s workers belonged to unions but the promise of postwar collective bargaining spawned disillusionment tied to inflation and automation A new working class that was educated white collar and increasingly rebellious shifted the locus of activism from the Communist Party and Co operative Commonwealth Federation to the newly formed New Democratic Party which was elected in 1972 Grounded in archival research and oral history Militant Minority provides a valuable case study of one of the most organized and independent working classes in North America during a period of ideological tension and unprecedented material advance *Spirit Wrestlers* Koozma J. Tarasoff, Robert Bogdan Klymasz, Canadian Museum of Civilization, 1995 The centenary of Doukhobor settlement in Canada 1899 1999 marks a unique chapter in the story of this country and its peoples In Spirit Wrestlers twenty six contributors from Canada Russia Japan and the United States offer important insights into the legacy of the Doukhobors The discussion ranges from Doukhobor philosophy and spirituality song traditions and history to aspects of material culture textile arts dress and furnishings and museological concerns Two submissions highlight findings of archival and bibliographical relevance With its illustrations of Doukhobor artifacts from the collections of the Canadian Museum of Civilization the book provides a useful survey of the Doukhobor experience **Infidels and the Damn Churches** Lynne Marks, 2017-06-09 British Columbia is at the forefront of a secularizing movement in the English speaking world Nearly half its residents claim no religious affiliation

and the province has the highest rate of unbelief or religious indifference in Canada Infidels and the Damn Churches explores the historical roots of this phenomenon from the 1880s to the First World War Lynne Marks reveals that class and racial tensions fuelled irreligion in a world populated by embattled ministers militant atheists turn of the century New Agers rough living miners Asian immigrants and church going settler women White working class men often arrived in the province alone and identified the church with their exploitative employers At the same time BC s anti Asian and anti Indigenous racism meant that their whiteness alone could define them as respectable without the need for church affiliation Consequently although Christianity retained major social power elsewhere many people in BC found the freedom to forgo church attendance or espouse atheist views This nuanced study of mobility gender masculinity and family in settler BC offers new insights into BC s distinctive culture and into the beginnings of what has become an increasingly dominant secular worldview across Canada

The Concise Garland Encyclopedia of World Music: Africa ; South America, Mexico, Central America, and the Caribbean ; The United States and Canada ; Europe ; Oceania Ellen Koskoff,2008 The critical importance of past for the present of music histories in local and global forms asserts itself The history of world music as each chapter makes clear is one of critical moments and paradigm shifts

Canadian Liberalism and the Politics of Border Control, 1867-1967 Christopher G. Anderson,2012-11-10 With restrictive immigration policies increased interdiction and the detention of asylum seekers it is clear that Canada s approach to border control has shifted in recent years Yet such practices are just the latest in a long and complex national history Canadian Liberalism and the Politics of Border Control sheds light on the first century of Canada s efforts to control its borders framing pivotal moments within a long standing but often overlooked debate over the rights of non citizens Anderson provides valuable insights into contemporary liberal democratic control by demonstrating that today s more restrictive approach reflects traditions deeply embedded within liberal democracies

Christianity and Ethnicity in Canada Paul Bramadat,David Seljak,2008-06-14 Over the past decade scholars and policy makers interested in Canadian multiculturalism have begun to take religion much more seriously Moreover Christian communities have become increasingly aware of the impact of ethnic diversity on church life However until very recently almost no systematic academic attention has been paid to the intersection between the ethnic and religious identities of individuals or communities This gap in both our academic literature and our public discourse represents an obstacle to understanding and integrating the large numbers of ethnic Christians most of whom either join existing Canadian churches or create ethnically specific congregations In Christianity and Ethnicity in Canada eleven scholars explore the complex relationships between religious and ethnic identity within the nine major Christian traditions in Canada The contributors discuss the ways in which changes in the ethnic composition of these traditions influence religious practice and identity as well as how the nine religious traditions influence communal and individual ethnic identities An introductory chapter by Paul Bramadat and David Seljak provides a thorough discussion of the theoretical

historical and empirical issues involved in the study of Christianity and ethnicity in Canada This volume complements Religion and Ethnicity in Canada in which the authors address similar issues within the six major non Christian communities in Canada and within Canadian health care education and politics **The Beaver Hills Country** Graham MacDonald,2009 This book explores a relatively small but interesting and anomalous region of Alberta between the North Saskatchewan and the Battle Rivers Ecological themes such as climatic cycles ground water availability vegetation succession and the response of wildlife and the impact of fires shape the possibilities and provide the challenges to those who have called the region home or used its varied resources Indians Metis and European immigrants Ministries of Compassion among Russian Evangelicals, 1905-1929 Mary Raber,2016-05-13 The present study fills a gap in the study of the evangelical movement in Russia by presenting a comprehensive picture of their compassionate ministry during their longest stretch of relative freedom before the 1980s Better known for their energetic preaching and literature work Russian evangelicals also gave attention to compassionate ministry although it was never extensive because of their marginal status They established assistance funds organized charitable institutions practiced urban rescue ministry participated in the Russian temperance movement and established economic communities Each area is distinct yet all were supported by the same set of theological convictions The Russian evangelicals were convinced that their witness should consist of good works as well as words and that the gospel had the power to undo human suffering While intentionally cultivating an attitude of concern for the needs of others they taught that compassion was the concern of all members of the community regardless of economic status or age In their publications evangelicals devoted a good deal of teaching to the proper Christian attitude toward money and giving They drew on Western models but also their indigenous sectarian roots **The Promise of Paradise** Andrew Scott,2017-03-25 The West has long attracted visionaries and schemers from around the world And no other region in North America can outstrip British Columbia for the number of utopian or intentional settlement attempts in the past 150 years Andrew Scott delves into the dramatic stories of these fascinating but often doomed communities From Doukhobor farmers to Finnish coal miners Quakers and hippies many groups have struggled to build idealistic colonies in BC s inspiring landscape While most discovered hardship disillusionment and failure new groups sprang up and continue to spring up to take their place Meet the quick tempered slave driving Madame Zee partner of the infamous Brother XII who reportedly beat followers with a riding crop Hear from Richard The Troll Schaller who founded the Legal Front Commune General Store and Funny Food Farm on the Sunshine Coast setting off a storm of hostility from locals Congregate with Jerry LeBourdais and fellow members of the Ochiltree Organic Commune who rebelled from hippie communes by embracing meat eating and coffee drinking With careful research and engaging first person accounts Scott sifts through the wreckage of the utopia seekers dreams and delves into the practices and philosophies of contemporary intentional communities This book is a compendium of astounding misadventures as well as an intriguing analysis of what moves people to search for paradise

The War on Terrorism and the Terror of God Lee Griffith, 2004 Uniquely relevant in a world shaken by recent acts of terror this title calls people of faith to the way of peace the Christian response to evil and violence

Leo Tolstoy and the Canadian Doukhobors Andrew Donskov, 2019-11-19 This book is published in English Following the completion of his major novels *War and Peace* and *Anna Karenina* Russian writer Leo Tolstoy experienced a spiritual crisis that led him to denounce the privileges of his social class and its attendant material wealth and embrace the simple rural life of the peasantry In the persecuted Russian Doukhobor sect who also rejected militarism and church ritual in favour of finding God in their hearts he saw a prime example of how it was possible to live his new found pacifist ideals in everyday life He was so taken with their lifestyle calling the Doukhobors people of the 25th century that in 1898 he decided to help finance their mass emigration to Canada away from the persecutions of the Russian church and state Donskov's expanded study presents an outline of Doukhobor history and beliefs their harmony with Tolstoy's lifelong aim of unity of people and the portrayal of Doukhobors in Tolstoy's writings This edition features Tolstoy's complete correspondence with Doukhobor leader Petr Vasil'evich Verigin Three guest essays by prominent Canadian Doukhobors are also included Supported by a considerable array of source materials Donskov's monograph will be of relevance to anyone interested in religious philosophical sociological pacifist historical or literary studies

Heretics and Colonizers Nicholas B. Breyfogle, 2011-08-11 In *Heretics and Colonizers* Nicholas B Breyfogle explores the dynamic intersection of Russian borderland colonization and popular religious culture He reconstructs the story of the religious sectarians Dukhobors Molokans and Subbotniks who settled either voluntarily or by force in the newly conquered lands of Transcaucasia in the nineteenth century By ordering this migration in 1830 Nicholas I attempted at once to cleanse Russian Orthodoxy of heresies and to populate the newly annexed lands with ethnic Slavs who would shoulder the burden of imperial construction Breyfogle focuses throughout on the lives of the peasant settlers their interactions with the peoples and environment of the South Caucasus and their evolving relations with Russian state power He draws on a wide variety of archival sources including a large collection of previously unexamined letters memoirs and other documents produced by the sectarians that allow him unprecedented insight into the experiences of colonization and religious life Although the settlers suffered greatly in their early years in hostile surroundings they in time proved to be not only model Russian colonists but also among the most prosperous of the Empire's peasants Banished to the empire's periphery the sectarians ironically came to play indispensable roles in the tsarist imperial agenda The book culminates with the dramatic events of the Dukhobor pacifist rebellion a movement that shocked the tsarist government and received international attention In the early twentieth century as the Russian state sought to replace the sectarians with Orthodox settlers thousands of Molokans and Dukhobors immigrated to North America where their descendants remain to this day

Transformation on the Southern Ukrainian Steppe Harvey L. Dyck, John R. Staples, 2016-01-28 In the eighteenth and nineteenth centuries the Russian empire opened the

grasslands of southern Ukraine to agricultural settlement Among the immigrants who arrived were communities of Prussian Mennonites recruited as model colonists to bring progressive agricultural methods to the east Transformation on the Southern Ukrainian Steppe documents the Tsarist Mennonite experience through the papers of Johann Cornies 1789 1848 an ambitious and energetic leader of the Mennonite colony of Molochna Cornies was well connected in the imperial government and his papers offer a window not just into the world of the Molochna Mennonites but also into the Tsarist state s relationship with the national minorities of the frontier Mennonites Doukhobors Nogai Tartars and Jews This selection of his letters and reports translated into English is an invaluable resource for scholars of all aspects of life in Tsarist Ukraine and for those interested in Mennonite history Cross-cultural Encounters on the Ukrainian Steppe John Roy Staples,2003-01-01 In a regional history of colonization and adaptation in southern Ukraine Staples examines how diverse agrarian groups faced with common environmental economic and administrative conditions followed sharply divergent paths of development **Canadian Books in Print** ,2003 **Canadian Books in Print.
