**Scripting Pentecost** Mark J. Cartledge, A.J. Swoboda, 2016-07-07 Scripting Pentecost explores and develops an analysis of worship and liturgy in Pentecostal and Charismatic traditions Organized into three main sections history theology and contemporary practice the first section quarries the historical trajectories of classic Pentecostalism the Charismatic movement Third Wave and Oneness Pentecostalism Particular attention is given to the liturgical approaches of some of the earliest leaders including William J Seymour Alexander Boddy and Aimee Semple McPherson The second section constructive theology offers theological approaches to liturgical studies from Pentecostal and Charismatic perspectives In this section the Pentecostal and Charismatic tradition is advanced and extended by an interaction with ecumenical sources The third section case studies in contemporary worship theology and practice examines the actual performance of liturgy through selected global case studies chosen to reflect a diversity of ecclesial practice in Africa Asia Europe North America Latin America and Oceania

What Has Wittenberg to Do with Azusa? David J. Courey, 2015-02-26 Global Pentecostalism is a twenty first century phenomenon Yet in North America where the movement was born it has stalled Courey uncovers the cause of this plateau in the triumphalism that is characteristic of both North American Protestantism and Pentecostalism Through the identification of parallels between Martin Luther and contemporary Pentecostals Courey detects in Luther s Theology of the Cross a potent

remedy for this tension Utilising this insight Courey reflects on other faith traditions and provides a counterpoint to the triumphalism that inhibits the development of Pentecostalism in North America and around the world This work comprises of three parts The first is historical charting the antecedents and development of Pentecostal triumphalism The second is an experiment in historical theology seeking basic resonances between Luther and early Pentecostals and examining the Theology of the Cross as a means of probing Pentecostalism The final section is an effort in constructive theology applying the theologia crucis to some of the central aspects of Pentecostalism

**The Spirit Poured Out on All Flesh** Amos

Yong,2005-07 Offers a fascinating look at Pentecostalism s place in global theology and shows how Christians from other traditions can benefit from recent developments in Pentecostal theology *Christ-Centered* Robert P. Menzies,2020-10-05

Pentecostals are often portrayed as emotional people who are driven largely by experience In *Christ Centered* Menzies argues that this caricature misses the fact that Pentecostals are fundamentally people of the book Although Pentecostals encourage spiritual experience they do so with a constant eye to Scripture The Bible and particularly the book of Acts fosters and shapes pentecostal experience Additionally Pentecostals are defined by their emphasis on a personal relationship with Jesus Christ At its heart the pentecostal movement is not Spirit centered but rather Christ centered The work of the Spirit as Pentecostals understand it centers on exalting and bearing witness to the Lordship of Christ Menzies develops these themes by examining the origins biblical foundations and missional orientation of the modern pentecostal movement He concludes that in spite of contradictory messages from some in fundamentalist pews and the pentecostal academy Pentecostals are and have always been solidly evangelical The Power of Saving Wisdom Cornelis Bennema,2008-01-01 Cornelis Bennema explains the role of the Spirit in salvation according to John s Gospel against the background of intertestamental Jewish wisdom literature He comes to the conclusion that the salvific function of the Spirit is that of a cognitive agent who through the mediation of life giving wisdom creates and sustains a saving relationship between the believer and the Father and Son

**Pentecostal Experience** Peter D. Neumann, 2012-08-22 Pentecostals are known for an experiential spirituality that emphasizes immediate encounters with God through the Holy Spirit But how should such experience be understood Is it in fact quite so immediate Neumann argues that Pentecostal experience of God is mediated by the Spirit's work through Scripture the Christian tradition and the broader cultural context Using the work of three contemporary Pentecostal theologians Frank D Macchia Simon K H Chan and Amos Yong the book demonstrates that a mediated view of experience of God is forging a more mature Pentecostal theology As further evidence of this maturation Neumann engages these Pentecostal theologians in ecumenical dialogue with leading representatives from Roman Catholic Eastern Orthodox and Protestant traditions

**The End of History: Pentecostals and a Fresh Approach to the Apocalypse** Robert P. Menzies, 2022-02-03 Many have grown tired of confusing interpretations of the book of Revelation which feature end time scenarios that either miss the mark or appear largely irrelevant to their lives A fresh approach is needed if we are to recapture the vitality of John's message and receive its desperately needed truths The End of History offers precisely this with its call for Pentecostals in general and the Assemblies of God in particular to reassess doctrinal statements rooted in a dispensational premillennial perspective In their place Menzies offers eight eschatological essentials all of which flow from a careful reading of the Apocalypse that call us to face

the future with purpose and hope      *Pentecostals and Roman Catholics on Becoming a Christian* Karen Murphy, 2018-05-23

In *Pentecostals and Roman Catholics on Becoming a Christian* Dr Karen Murphy explores the fifth round of the International Roman Catholic Pentecostal Dialogue 1998 2006 Discussing Spirit baptism faith conversion experience and discipleship Dr Murphy notes areas in which the Dialogue has evolved since its inception in 1972 She unpacks the commonalities that bond Catholics and Pentecostals and examines theological divergences and challenges to dialogue While Catholics approach becoming a Christian from a sacramental perspective most Pentecostals think of Christian initiation in non sacramental or conversionist terms a reality that fosters ongoing tensions between the two traditions Dr Murphy reveals how Catholics and Pentecostals seek to overcome this dichotomy by honoring spirituality and experience as integral to the ecumenical encounter

*Beyond the Impasse* Amos Yong, 2014-09-25 No one who cares about a theology that does justice to what the Bible tells us about the cosmic ministry of the Holy Spirit can afford to ignore this important work Amos Yong s book itself displays the robust sense of discernment that he asks all of us to exercise in our engagement with non Christian religions

RICHARD J MOUW Fuller Theological Seminary Finally a Spirit based theology of religions that takes the Spirit seriously Drawing on his Pentecostal roots Yong offers guidelines for discerning the voice of the Spirit in other traditions a voice that may call us to unexpected christological conclusions This is truly a pioneering work that opens new theological paths but modestly recognizes that there is still much to explore

PAUL F KNITTER Xavier University Few areas in theology are as complex controversial and urgent as theology of religions Amos Yong has advanced the discussion significantly with his creative and sophisticated proposal for a pneumatological theology of religions While undoubtedly controversial Yong s proposal frames the issues in fresh ways and suggests new options for an evangelical theology of religions

Harold Netland Trinity Evangelical Divinity School With scholarly rigor and intellectual acumen Yong s theology takes seriously and appreciatively the diversity of the work of the universal Spirit in the cultures and religious communities of the world His position is fully evangelical but is richly informed by his Pentecostal roots and context He sets this Pentecostal evangelical theology of religions in the center of the ongoing discussion not only among evangelicals but also in the whole church

John B Cobb Jr Claremont School of Theology and Claremont Graduate Schools An insightful theological reflection on the place of world religions within the broader framework of Christian theology Yong provides a theological basis for everyday interaction with members of other religions and an understanding of other religious traditions in the providence of God This is an excellent book that ought to be widely read and discussed

**Mission in the Spirit** Julie C. Ma, Wonsuk Ma, 2010      **For All Peoples** Craig S. Keener, 2020-08-27 Given this unique locus of today s church this book takes us back to the foundational teachings of Jesus on missions the Great Commission

Gospel of Matthew and the Messianic Commission Gospel of John Although these two passages are universal in grounding Christian mission Professor Keener wants to assure that the role of the Holy Spirit is central to Christian living and acting as God's witnesses Wonsuk Ma PhD Dean Distinguished Professor of Global Christianity College of Theology and Ministry Oral Roberts University Craig Keener one of the finest and most prolific NT scholars of our day has produced another gem For All Peoples A Biblical Theology of Missions in the Gospels and Acts blends together rich scholarly insights rooted in an unsurpassed knowledge of the first century world with an edifying and pastoral eye that is always focused on the radical nature of Jesus call to follow him in his redemptive mission Successive chapters illuminate the seminal contributions that Matthew Luke John and Paul make to a biblical theology of missions The final chapter rooted in the narrative of Acts appropriately ties together these themes by describing Paul's Macedonian vision as a call for the Church to take the gospel from its place of origin in Asia to the mission field of Europe After almost two millennia Keener reminds us just how relevant this call remains for the growing and vibrant churches of Asia today Robert P Menzies PhD Kunming China This is Craig Keener at his best thoroughly expository and passionately missional Dave Johnson DMiss Managing Editor Asian Journal of Pentecostal Studies
