SPIRIT MEDICINE

Native American Teachings to Awaken the Spirit

Reach beyond the physical and achieve a wholeness of being by following the path of Spirit Medicine. With the help of a Native American visionary who, drawing on her Osage and Cherokee heritage and training in human development, has been teaching others these mystical secrets for nearly three decades, you will develop an understanding of why you do what you do, and then use that knowledge to achieve a higher sense of self. Learn to perform numerous ancient ceremonies using herbs, cornmeal, and other natural objects, and discover the healing magic contained in the Rainbow Medicine Wheel. Make a variety of tools that will help you on your journey towards inner peace and knowledge of your soul, including a spirit journal, prayer ties, a spirit soul doll, a personal path map to bring forth your ancient spirit drawings, growth bands, a spirit stick, a prayer mesa stick, totem rocks, and a celebration spirit pole. Eventually you will make peace with your memories, accept your past, and even see the "bad things" that have happened as good, and you will be able to move towards the future with a sense of tranquility, wholeness, and completion.
