Mondragon Foreword by Robert B MacEwen Jr **The Essence of Aikidō** Morihei Ueshiba,1999 This collection of writings by the founder of aikido Morihei Ueshiba illuminates the philosophical basis of the traditional martial arts It contains photographs of Ueshiba in action from his early youth to his final years at the height of his fame Chapters include Ueshiba's calligraphy and a full transcription of epigrams and poems in English romanized and Japanese orthography **In Search of the Warrior Spirit** Richard Strozzi-Heckler,2003 Expanded Third Edition with Marine Martial Art Update In a top secret U S military experiment Richard Heckler was invited to teach Eastern awareness disciplines ranging from Aikido to meditation to a group of 25 Green Berets This account chronicles his experiences in the training program and his attempts to revive traditional warriorship in a technological society His book provides insight into the nature of war the meaning of masculinity and the need for moral values in the military This new edition includes Heckler's response to 9 11 his connections to the Pentagon and U S soldiers in Afghanistan and his reflections on the movie Black Hawk Down which depicts the deaths of two of his trainees The new Marine Corps martial art is focused as much on the soul as it is on soldiering The Wall Street Journal

The Spiritual Foundations of Aikido William Gleason,1995-11 A leading American aikido teacher shows how this 20th century martial art developed from the ancient spiritual traditions of Japan not as a fighting method but rather as a means of becoming one with the laws of universal order **Sex and the Devil's Wager** Lee Huxley,2009-11-25 Anti erotic elements in feminism have joined forces with Islam and Christianity to condemn prostitution the male gaze and the natural love men have for the feminine body as a symbol of universal beauty The author whose religion is based in Tantra regards these attitudes both wrong and offensive to pagans Lee Huxley claims to be a knower an enlightened one who sees with the third eye and whose wisdom and lateral thinking demonstrate his special insights in this book Lee knows the truth the unthinkable that Jesus Christ the hellfire and damnation preacher is not the Son of God but the Son of Evil If Christ is the Son of Evil then Lee argues from this basis that Judaism Christianity and Islam are blasphemies This book asks how Western civilization could be founded on lies delusions and blasphemies that even today are still taken seriously This book is the result of a lifetime of research which has culminated in the formulation of the Devil's Wager The Devil's Wager challenges you the reader to name any moral idea from the worst evildoers of history that is as evil as the central teaching of the Bible and the Koran namely that God will resurrect the human race and torture most of them in hell for all eternity Fifty per cent of the damned will be women The male God of monotheism is a hellfire pyromaniac Jesus Christ and Allah are arsonists who burn women alive This is the feminist issue of our times Lee uses the writings of theologian and lapsed Catholic Mary Daly one of the greatest feminist thinkers to explain their common conviction that feminism must now assume the role of the Antichrist and bring an end to monotheism **In Search of the Warrior Spirit, Fourth Edition** Richard Strozzi-Heckler,2011-06-14 Is it possible to be a mindful moral fighter at a time when impersonal technology based warfare reigns In Search of the Warrior Spirit confronts this thorny issue with Richard Strozzi Heckler's trademark personal sympathetic style In a top secret U S military

experiment the author was asked to teach Eastern awareness disciplines ranging from aikido to meditation to a group of twenty five Green Berets This account chronicles his experiences in the training program and his attempts to revive traditional warriorship in a technological society In Search of the Warrior Spirit explores the nature of war the meaning of masculinity and the need for moral values in the military The book includes Heckler s response to 9 11 his experiences with the Pentagon and U S soldiers in Afghanistan and his poignant reflections on the movie Black Hawk Down which depicts the deaths of two of his trainees In this revised edition the author talks movingly of his visits to Afghanistan with NATO and about the Trojan Warrior Project and Marine Warrior Project relating the tragic events in a war zone and revelatory conversations with both ordinary soldiers and such leaders as the Supreme Allied Commander of Europe
