The Spirit of Christmas Gilbert Keith Chesterton, 1985

Cradle of Redeeming Love John Saward, 2011-03-18

Following up on his acclaimed Redeemer in the Womb John Saward returns to the mystery of Christ's Incarnation. He draws upon the rich traditions of the Church as well as the writings of the great Christian mystics to create a work that is both new and old, revolutionary and orthodox. This profoundly moving meditation will aid any contemplation on the life of Christ. The subject of this book is the objective and divinely revealed truth of the Nativity of Christ as proclaimed by His infallible and immaculate Bride. It is the splendor of this truth of Love's noon in Nature's night which for two millennia has captivated the Fathers and Schoolmen and activated the genius of poets, painters and musicians. Illustrated with eight color paintings. Combines Saward's usual profundity and precision with a treasure trove of texts from the tradition. A comprehensive exposition of the Christmas mystery. Anyone wanting to know the true meaning of the Incarnation and Christmas need look no further. Aidan Nichols O.P. Author. Looking at the Liturgy: A profound theological meditation on the Incarnation as an anticipation of the joy in heaven. Fr. Kenneth Baker, Editor. Homiletic and Pastoral Review. John Saward is on my very short list of preeminently important twentieth-century Catholic writers. His writing is always profound, original and clear. Thomas Howard, Author. On Being Catholic. Chesterton and Tolkien as Theologians Alison Milbank, 2009-01-01. This book takes Chesterton's natural theology through fairytales seriously as a theological project appropriate to an intellectual attempt to return to faith in a secular age. It argues that Tolkien's fiction makes sense also as the work of a Catholic writer steeped in Chestertonian ideas and sharing his literary theological poetics. While much writing on religious fantasy moves quickly to talk about wonder, Milbank shows that this has to be hard won and that Chesterton is more akin to the modernist writers of the early twentieth century who felt quite dislocated from the past. His favoured tropes of paradox, defamiliarization and the grotesque have much in common with writers like T.S. Eliot, Ezra Pound and James Joyce and their use of the demotic as well as the mythic method. Using Chesterton's literary rhetoric as a frame, the book sets out to chart a redemptive poetics that first decentres the reader from his habitual perception of the world, then dramatizes his self-alienation through the grotesque, before finding in that very alienation a sort of pharmakon through paradox and an embrace of difference. The next step is to change one's vision of the world beyond the self through magic, which paradoxically is the means by which one can reconnect with the physical world and remove the fetishism and commodification of the object. Chesterton's theology of gift is the means in which this magic becomes real and people and things enter into reciprocal relations that reconnect them with the divine. Common Sense 101 Dale Ahlquist, 2006-01-01. Dale Ahlquist, the President of the American Chesterton Society and author of *G.K. Chesterton: The Apostle of Common Sense*, presents a book of wonderful insights on how to look at the whole world through the eyes of Chesterton. Since, as he says, Chesterton wrote about everything, there is an ocean of his material to benefit from GKC's insights on a kaleidoscope of many important topics. Chesterton wrote a hundred books on a variety of

themes thousands of essays for London newspapers penned epic poetry delighted in detective fiction drew illustrations and made everyone laugh by his keen humor Everyone who knew Chesterton loved him even those he debated with His unique writing style that combines philosophy spirituality history humor and paradox have made him one of the most widely read authors of modern times As Ahlquist shows in his engaging volume this most quoted writer of the 20th century has much to share with us on topics covering politics art education wonder marriage fads poetry faith charity and much more
