"The War of Ideas : the Spirit of Democratic Capitalism" Michael Novak, 1986 **Tensions in Christian Ethics** Malcolm Brown, 2011-01-01 The book draws on the author s teaching of ethics at undergraduate and postgraduate level for the Cambridge Theological Federation since 2000 Its purpose is to introduce the reader to questions in Christian ethics through a careful examination of the fundamental meta ethical questions posed by the state we re in whether understood as a new phase of modernity or as postmodernity Brown draws on sources and authors from a variety of Christian traditions and from Britain the U S A and Europe The book will be of use not only to university departments and denominational and ecumenical teaching institutions but also as a more general exposition of the current state of ethical thinking in the Christian churches *Social Ethics in the Making* Gary Dorrien, 2011-04-06 In the early 1880s proponents of what came to be called the social gospel founded what is now known as social ethics This ambitious and magisterial book describes the tradition of social ethics one that began with the distinctly modern idea that Christianity has a social ethical mission to transform the structures of society in the direction of social justice Charts the story of social ethics the idea that Christianity has a social ethical mission to transform society from its roots in the nineteenth century through to the present day Discusses and analyzes how different traditions of social ethics evolved in the realms of the academy church and general public Looks at the wide variety of individuals who have been prominent exponents of social ethics from academics and self styled public intellectuals through to pastors and activists Set to become the definitive reference guide to the history and development of

social ethics Recipient of a CHOICE Outstanding Academic Title for 2009 award The Spirit of Democratic Capitalism
Shu-chiu Tsai,1987 Reclaiming the Radical Economic Message of Luke David D. M. King,2022-05-13 No canonical Gospel
is more concerned with wealth and poverty than Luke A centuries long debate rages over just how revolutionary Luke s
message is This book seeks to recover Luke s radical economic message to place it in its ancient context and to tease out its
prophetic implications for today Luke has a radical message of good news for the poor and resistance to wealth God is shown
to favor the poor championing their struggle for justice while condemning the rich and recommending a sweeping disposal of
wealth for the benefit of the poor This represents a distinct break from the ethics of the Roman Empire and a profound
challenge to modern economic systems Generations of interpreters have worked to file down Luke s sharp edges from scribes
copying ancient manuscripts to early Christian authors to contemporary scholars Such domestication disfigures the gospel
silencing its critique of an economic system whose unremitting drive for profit and economic growth continues to widen the
gap between rich and poor while threatening life altering environmental change It is time to reclaim the bracing prophetic
call of Luke s economic message that warns against the destructive power of wealth and insists on justice for the poor and
marginalized **Heart of the World, Center of the Church** David L. Schindler,2001-09
