*What is Born of the Spirit is Spirit* Mark G. Boyer, 2019-11-05. What is Born of the Spirit is Spirit provides reflections on Scripture texts associated with Holy Spirit and human spirit. Various aspects of Spirit and spirit are explored in one hundred five entries. The subtitle, A Biblical Spirituality of Spirit, indicates the ways biblical authors are inspired to present imaginatively what cannot be pictured: Spirit and spirit. This book attempts to recover the spirituality of biblical stories that narrate how the Spirit connects to spirit and the results of such connectivity. By exploring the use of biblical metaphors and similes, we develop a spirituality of Spirit, the way human spirit is in the presence of the divine Spirit. Spirituality is Spirit connecting to spirit. It is Spirit giving birth to spirit. John 3:6. **The**

Pourciau, 2017-05-01 Contemporary thought has been profoundly shaped by the early twentieth century turn toward synchronic models of explanation which analyze phenomena as they appear at a single moment rather than diachronically as they develop through time But the relationship between time and system remains unexplained by the standard account of this shift Through a new history of systematic thinking across the humanities and sciences The Writing of Spirit argues that nineteenth century historicism wasn t simply replaced by a more modern synchronic perspective The structuralist revolution consisted rather in a turn toward time s absolutely minimal conditions

and thus also toward a new theory of diachrony Pourciau arrives at this surprising and powerful conclusion through an analysis of language scientific theories over the course of two centuries associated with thinkers from Jacob Grimm and Richard Wagner to the Russian Futurists in domains as disparate as historical linguistics phonology acoustics opera theory philosophy poetics and psychology The result is a novel contribution to a pressing contemporary question namely what role history should play in the interpretation of the present
