your God in heaven answers the prayers which you have offered for blessing on yourselves and for blessing on those around you by this one demand Are you willing to surrender yourselves absolutely into His hands Every one of us is a temple of God in which God will dwell and work mightily on one condition absolute surrender to Him God claims it God is worthy of it and without it God cannot work His blessed work in us We often hear about the compromise life and the question comes up What lies at the root of it What is the reason that so many Christians are wasting their lives in the terrible bondage of the world instead of living in the manifestation and the privilege and the glory of the child of God And another question perhaps comes to us What can be the reason that when we see a thing is wrong and strive against it we cannot conquer it What can be the reason that we have a hundred times prayed and vowed yet here we are still living a mingled divided half hearted life To those two questions there is one answer it is self that is the root of the whole trouble
