The Judaism of Jesus J. Christopher Garrison,2014-04-17 We had hoped it was he the Messiah who would redeem Israel Luke 24 21 In this book you will learn that the religion Jesus founded was not Gentile or called Christianity The name Christianity is not found in the New Testament work authored by Jews who followed Jesus that the religion of Jesus was a form of Judaism that revolved around the Hebrew concept of Brit Hadashah meaning New Covenant This concept first appeared in the writings of Jeremiah one of the great prophets of Judaism that to achieve the full task Jews have expected of their Messiah of redeeming Israel and completing Gentile world salvation there have been three separate stages in the work of Jesus the Messiah 1 the Atonement 2 the Gentile stage represented by two thousand years of Gentile Christianity and 3 the Jewish or Jewish redemption stage that with regard to the Messiahs prophecy on Jerusalem and on the completion or fulfillment of his Gentile stages see Luke 21 24 Jerusalem will be trampled on by the Gentiles until the times of the Gentiles are fulfilled on June 7 1967 the day Jerusalem fell to Jews the Messiahs prophecy was fulfilled Hence with June 7 1967 formally marking the end of the Messiahs Gentile or Christian stage the Messiahs final or Jewish stage has already begun that with the times of the Gentiles or Christianity over why Christians must adjust and reorient themselves to the new Jewish era and reality that is rising many other topics of vital relevance to our present transitional era from Gentile Christian to Jewish

centered times where world history is quickly reaching a tumultuous climax centered on the Jews Jesus the Messiah and the Messiahs New Covenant Judaism as the winning side of end time history **A Supreme Desire to Please Him** E.D.

Burns, 2016-12-09 Adoniram Judson was not only a historic figurehead in the first wave of foreign missionaries from the United States and a hero in his own day but his story still wins the admiration of Christians even today Though numerous biographies have been written to retell his life story in every ensuing generation until now no single volume has sought to comprehensively synthesize and analyze the features of his theology and spiritual life His vision of spirituality and religion certainly contained degrees of classic evangelical piety yet his spirituality was fundamentally rooted in and ruled by a mixture of asceticism and New Divinity theology Judson's renowned fortitude emerged out of a peculiar missionary spirituality that was bibliocentric ascetic heavenly minded and Christocentric The center of Adoniram Judson's spirituality was a heavenly minded self denying submission to the sovereign will of God motivated by an affectionate desire to please Christ through obedience to his final command revealed in the Scriptures Unveiling the heart of his missionary spirituality Judson himself asked What then is the prominent all constraining impulse that should urge us to make sacrifices in this cause And he answered thus A supreme desire to please him is the grand motive that should animate Christians in their missionary efforts *Congressional Record* United States. Pomerville, 2023-08-31 Why Didn't Evangelicals See Him Coming is a hard hitting clear eyed account of how American society the political establishment and the rule of law reacted to a sociopath president After Donald Trump left office Americans didn't see him going either Trump came and went yet millions of Americans were clueless about what happened because of his gaslighting tornado An evangelical Christian author explains why Bible believing church going Jesus talking America loving evangelicals along with other Americans listened to were enamored by and elected an immoral sociopath An unlikely combination of viewpoints psychology law and biblical theology provide a surprising coherent picture of how Donald Trump deceived and inflicted devastation on democracy His uncanny influence is chronicled by media reporting during his four years in office and afterwards in a shadow presidency at Mar a Lago If Trump succeeded in anything it was deceit Psychologists rightly attribute this to his gaslighting biblical theology probes deeper to his corrupt human nature An FBI search warrant at Mar a Lago revealed the inevitable truth Donald Trump was a thief and traitor from the beginning the law finally caught up with a long overdue unaccountable serial criminal for crimes that America would not tolerate
