Spirits Of America Intoxication Of Nineteenth Century American Literature:

Spirits of America Nicholas O. Warner, 1997 **American Culture, Canons, and the Case of Elizabeth Stoddard**

Robert McClure Smith, Ellen Weinauer, 2014-09-30 Reconsiders the centrality of a remarkable American writer of the ante and postbellum periods Elizabeth Stoddard was a gifted writer of fiction poetry and journalism successfully published within her own lifetime esteemed by such writers as William Dean Howells and Nathaniel Hawthorne and situated at the epicenter of New York's literary world Nonetheless she has been almost excluded from literary memory and importance This book seeks to understand why By reconsidering Stoddard's life and work and her current marginal status in the evolving canon of American literary studies it raises important questions about women's writing in the 19th century and canon formation in the 20th century Essays in this study locate Stoddard in the context of her contemporaries such as Dickinson and Hawthorne while others situate her work in the context of major 19th century cultural forces and issues among them the Civil War and Reconstruction race and ethnicity anorexia and female invalidism nationalism and localism and incest One essay examines the development of Stoddard's work in the light of her biography and others probe her stylistic and philosophic originality the journalistic roots of her voice and the elliptical themes of her short fiction Stoddard's lifelong project to articulate the nature and dynamics of woman's subjectivity her challenging treatment of female appetite and will and her depiction of the complex and often ambivalent relationships that white middle class women had to their domestic spaces are also thoughtfully considered The editors argue that the neglect of Elizabeth Stoddard's contribution to American literature is a compelling example of the contingency of critical values and the instability of literary history This study asks the question Will Stoddard endure Will she continue to drift into oblivion or will a new generation of readers and critics secure her tenuous legacy

The Cambridge Companion to American Literature and the Body Travis M. Foster, 2022-06-30 The human body has been depicted in a variety of ways across a range of cultural and historical locations It has been described variously as a biological entity clothing for the soul a site of cultural production a psychosexual construct and a material encumbrance Each of these different approaches brings with it a range of anthropological political theological and psychological discourses that explore and construct identities and subject positions This Companion examines connections between American literature and bodies from the eighteenth century through the present It reveals the singular way that literature can help us understand the body's entanglement within social and biological influences and it traces the body's existence within histories of race gender and ability This volume details the genres critical fields and interpretive practices that best facilitate the analysis of bodies in the full span of American literary imaginings **Alcohol and Temperance in Modern History** Jack S. Blocker Jr., David M. Fahey, Ian R. Tyrrell, 2003-12-17 A comprehensive encyclopedia on all aspects of the production consumption and social impact of alcohol Alcohol and Temperance in Modern History An International Encyclopedia spans the history of alcohol production and consumption from the development of distilled spirits and modern manufacturing and

distribution methods to the present Authoritative and unbiased it brings together the work of hundreds of experts from a variety of disciplines with an emphasis on the extraordinary wealth of scholarship developed in the past several decades Its nearly 500 alphabetically organized entries range beyond the principal alcoholic beverages and major producers and retailers to explore attitudes toward alcohol in various countries and religions traditional drinking occasions and rituals and images of drinking and temperance in art painting literature and drama Other entries describe international treaties and organizations related to alcohol production and distribution global consumption patterns and research and treatment institutions as well as temperance prohibition and antiprohibitionist efforts worldwide

Alcohol and Drugs in North America David M. Fahey, Jon S. Miller, 2013-08-27 Alcohol and drugs play a significant role in society regardless of socioeconomic class This encyclopedia looks at the history of all drugs in North America including alcohol tobacco prescription drugs cannabis cocaine heroin methamphetamine and even chocolate and caffeinated drinks This two volume encyclopedia provides accessibly written coverage on a wide range of topics covering substances ranging from whiskey to peyote as well as related topics such as Mexican drug trafficking and societal effects caused by specific drugs The entries also supply an excellent overview of the history of temperance movements in Canada and the United States trends in alcohol consumption its production and its role in the economy as well as alcohol s and drugs roles in shaping national discourse the creation of organizations for treatment and study and legal responses This resource includes primary documents and a bibliography offering important books articles and Internet sources related to the topic

Literary Executions John Cyril Barton, 2021-04-27 Rich with historical detail examines the figure and theme of the death penalty in imaginative literature from Cooper to Dreiser Gregg Crane Professor of English Language and Literature University of Michigan Drawing from legal and extralegal discourse but focusing on imaginative literature Literary Executions examines representations of responses to and arguments for and against the death penalty in the United States over the long nineteenth century John Cyril Barton creates a generative dialogue between artistic relics and legal history He looks to novels short stories poems and creative nonfiction as well as legislative reports trial transcripts legal documents newspaper and journal articles treatises and popular books like The Record of Crimes A Defence of Capital Punishment and The Gallows the Prison and the Poor House all of which were part of the debate over the death penalty Barton focuses on several canonical figures James Fenimore Cooper Nathaniel Hawthorne Lydia Maria Child Walt Whitman Herman Melville and Theodore Dreiser and offers new readings of their work in light of the death penalty controversy Barton also gives close attention to a host of then popular but now forgotten writers particularly John Neal Slidell MacKenzie William Gilmore Simms Sylvester Judd and George Lippard whose work helped shape or was shaped by the influential anti gallows movement By engaging the politics and poetics of capital punishment Literary Executions contends that the movement to abolish the death penalty in the United States should be seen as an important part of the context that brought about the flowering of the American Renaissance

during the antebellum period and that influenced literature later in the nineteenth and early twentieth centuries
