Spirits On Stone The Agawa Pictographs:

Spirits on Stone Thor Conway, 2010-12-01 This book replaces the original *Spirits on Stone* first published over seventeen years ago Page x *Spirits on Stone*, 1990 *Human & AI Reflections on a Mystery Stone* Michael A. Susko, 2025-04-26 *Human AI Reflections on a Mystery Stone* Discovered along the Shenandoah River near Holy Cross Abbey in Virginia a weathered quartzite cobblestone bears mysterious peck marked designs that hint at intentional artistry In this richly illustrated and contemplative study the author invites readers into a layered investigation blending archaeology Indigenous cosmology visual analysis and personal reflection Rather than forcing a singular explanation the work honors ambiguity exploring possible interpretations including archetypal figures such as the avian man the skeletal shaman and the Earth Mother The imagery echoes the tripartite Indigenous view of the cosmos Overworld This World and Netherworld and resonates with the symbolic depth of Eastern Woodland traditions In a unique collaboration Artificial Intelligence is employed to help interpret the markings offering surprising confirmations of the author's insights and at times suggesting new possibilities The correspondences between human and machine perception raise profound questions could natural formations and ancient intentions sometimes converge With an openness rare in academic discourse *Human AI Reflections on a Mystery Stone* invites readers into a journey of layered perception a portal into the past a mirror to the present and a reminder that meaning often arises not from certainty but from mystery itself **Indigenous Heritage and Rock Art** Carole Charette, Aron Mazel, George Nash, 2021-02-04 Prof Daniel Arsenault a leading exponent of Canadian Shield rock art sadly passed away in 2016 This book contains 14 thought provoking chapters dealing with Daniel's first love the archaeology of artistic endeavour It provides the reader with new ideas about the interpretation and dating of rock art ethnography heritage and material culture **Story & Stone I: Paired Literary & Anthropological Visions** Michael A. Susko, 2025-08-16 This edition pairs *Servants of the Flower* World Books I II with *Mystery Stone* Analyzed with Eastern Woodland Cosmology A spirit storm shatters the Flower of Life and a band of questers crosses into the inverted Flower World where beauty and danger entwine and service not conquest guides the way Alongside it stands a field study of a tablet shaped quartz cobblestone found near the Shenandoah River read through Eastern Woodland cosmology peck marked designs tripartite cosmos Overworld This World Underworld and archetypal figures such as the avian man skeletal shaman and Earth Mother Presented wholecloth and in dialogue the two works let readers experience a myth reborn while examining the ground that helped guide it offering a map guided inspiration **Political Spirituality for a Century of Water Wars** James W. Perkinson, 2019-04-11 This book offers resources for re imagining the biblical vision of water for a time quickly emerging as the century of water wars It takes its urgency from the author's 5 year activist engagement with a grass roots led social movement pushing back on Detroit water shutoffs as global climate crises intensify Concerned with both white supremacist biopolitics and continuing settler colonial reliance on the Doctrine of Christian Discovery and beholden to an interreligious

methodology of crossing over and coming back the text creatively re reads the biblical tradition under tutelage to the mythologies and practices of various indigenous cultures Algonquian Huron Haitian Vodouisant and Celtic Norman whose embrace of water is animate and spiritual as well as political and communal Not enough today merely to engage the political battle over water rights however indigenous wisdom and biblical prophecy alike insist that recovery of water spirituality is central to a sustainable future
