Jansson, 2005-12-05 If you are interested in understanding more about your true self the purpose of life and your spiritual path *Esoteric Astrology* is the book for you You will be guided into a deeper dimension of astrology and the spiritual laws behind all life for example the law of reincarnation and karma There is a great difference between esoteric astrology that interprets the horoscope from the viewpoint of the soul and traditional astrology that often is preoccupied with outer events and the desires and reactions of the outer self An esoteric astrologer looks for the purpose of the soul and the inner causes
