Personality, Religion, and Leadership, Christopher F. J. Ross, Leslie J. Francis, 2019-10-28 In *Personality Religion and Leadership* Christopher F J Ross and Leslie J Francis illustrate how Jungian archetypes can help religious leaders understand and deal with their personal spiritual journeys in times of stress and success and build strong religious communities that contain a diverse array of psychological types **The Wiley-Blackwell Handbook of Transpersonal Psychology** Harris L. Friedman, Glenn Hartelius, 2015-06-22 THE WILEY BLACKWELL HANDBOOK OF Transpersonal Psychology The new Handbook of Transpersonal Psychology is a necessity today Many transpersonal psychologists and psychotherapists have been waiting for such a comprehensive work Congratulations to Harris Friedman and Glenn Hartelius May this book contribute to an increasingly adventurous creative and vibrant universe Ingo B Jahrsetz President The European Transpersonal Association The Handbook of Transpersonal Psychology is an outstanding comprehensive overview of the field It is a valuable resource for professional transpersonal practitioners and an excellent introduction for those who are new to this wide ranging discipline Frances Vaughan PhD Psychologist author of *Shadows of the Sacred Seeing Through Spiritual*

Illusions Finally the vast literature on transpersonal psychology has been collected in what is clearly the essential handbook for psychologists and others who have either too apologetically endorsed or too critically rejected what undoubtedly will define psychology in the future If you are not a transpersonal psychologist now you will be after exploring this handbook No longer can one dismiss the range of topics confronted by transpersonal psychologists nor demand methodological restraints that refuse to confront the realities transpersonal psychologists explore This is a marvelous handbook critical expansive and like much of what transpersonal psychologists study sublime Ralph W Hood Jr University of Tennessee Chattanooga With contributions from more than fifty scholars this is the most inclusive resource yet published on transpersonal psychology which advocates a rounded approach to human well being integrating ancient beliefs and modern knowledge Proponents view the field as encompassing Jungian principles psychotherapeutic techniques such as Holotropic Breathwork and the meditative practices found in Hinduism and Buddhism Alongside the core commentary on transpersonal theories including holotropic states science with chapters on neurobiology and psychometrics and relevance to feminism or concepts of social justice the volume includes sections describing transpersonal experiences accounts of differing approaches to healing wellness and personal development and material addressing the emerging field of transpersonal studies Chapters on shamanism and psychedelic therapies evoke the multifarious interests of the transpersonal psychology community The result is a richly flavored distillation of the underlying principles and active ingredients in the field Spiritual Dimensions of Ageing Malcolm Johnson, Joanna Walker, 2016-11-24 Well known authors in the field of ageing and spirituality present their considered contributions to current understandings in this fast changing field *The Spiritual Dimension of Ageing, Second Edition* Elizabeth MacKinlay, 2017-02-21 People are asking more and more questions about life and meaning as they are growing older and living for longer There are increasing opportunities to engage with spiritual well being later in life This book provides a comprehensive study of spirituality and ageing with newly updated material on recent developments in this field **The Spiritual Dimension of Ageing** Elizabeth MacKinlay, 2001 Drawing on in depth interviews with older people Elizabeth MacKinlay develops an understanding of spirituality that enables the reader to explore the spiritual dimension of ageing and to learn how it contributes to well being and health in later life This book will be a useful text for students trainers and academics policy makers and practitioners in health and social care as well as religious professionals in hospital residential and other caring settings BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **International Handbook of the Religious, Moral and Spiritual Dimensions in Education** Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical

and moral questions that have been generated by the knowledge and technological explosion. One outcome is the renewed interest in the religious, spiritual and moral dimensions of education throughout the life cycle. This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education. The result is a collection of essays which reflects the discipline in all of its internationality as it is today. Embedded within the chapters is also an agenda for the future where the religious, moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society. As well, it offers a vision for the emergence of a peaceful and just world.
