to present a serious somewhat scholarly approach to the interested among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that way I attempted to discover for myself and my group what the book sought to convey In this volume I follow the studies on five of the twelve minor prophets Hosea Joel Amos Habakkuk and Malachi each following the pattern of study I had developed *Adult Bible Studies Concise Commentary September 2020-August 2021* Diana Hynson,2020-07-21 This annual resource provides biblical commentary for the focal Bible passages used in Adult Bible Studies Included for each week are the focal Bible passages for each Sunday unit introductions commentary on the focal Bible passages and a pronunciation guide for Bible names and places Over the four quarters of the 2020 2021 Sunday school year we will explore the themes of Encounter Hope Holy and Respond Based on the Abingdon Basic Bible Commentary Printed with a larger font for ease of reading **Surprised by the Power of the Spirit** Zondervan,2010-08-10 What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere s life when he took a fresh look at the Scriptures He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In *Surprised by the Power of the Spirit* Jack Deere provides a strong biblical defense for the Spirit s speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in popular style with the care of a scholar but the passion of personal experience this book is a vital resource for people on both sides of the debate about miraculous gifts Adult Bible Studies Fall 2024 Student Dan R.
