**Augustine and His World - Francis of Assisi and His World** Andrew Knowles, Rev. Dr Luke Penkett, Mark Galli, 2019-03-23 Have you ever wanted accessible introductions to key figures and periods of Christian history Augustine and His World Augustine is one of the giants of the Christian church From his birth in North Africa and his days as a relatively permissive young man through his midlife conversion to Christianity and career as bishop of Hippo his story has intrigued and inspired every generation for over 1 600 years As a thinker teacher writer and debater Augustine s greatness lay in his ability to relate the philosophies of Ancient Greece and Rome to the precepts of the Christian faith Augustine also saved the church itself from disintegrating into rival factions by forging sound doctrine in the fires of controversy This immersive account of Augustine s life helps readers understand the world he came from and the enormous contribution he made to the church both of his day and of the future Francis of Assisi and His World Francis of Assisi is one of the world s most popular religious figures and also one of the most misrepresented In this lively and engaging account of Francis s story from his hedonistic youth to his emergence as a Christian leader of great charisma and intensity Mark Galli attempts to strip away the modern gloss in order to discover the real man and the world in which he lived The saint revealed here is not the romantic free spirit of popular imagination but a contentious figure who combined a deep mysticism with radical commitment and above all sought to glorify God the creator

**Rebuilding the Temple** Robert P. Vande Kappelle, 2022-04-21 As the Bible indicates our lives are a construction zone for our bodies are temples of the divine Spirit Formed initially in the image of God human beings lost intimacy with God through corruption rebellion or neglect In response the divine Creator loves us back into relationship providing means of grace to help restore us to wholeness beginning with our body and continuing through our mind soul and spirit As buildings need cleaning maintenance and ongoing care so our inner temple needs spiritual stimulus cleaning and care Rebuilding the Temple is the fourth book in Vande Kappelle s series on spirituality and the arts Books in this series reinforce the essential principle underlying all authentic spirituality Go deep in any one place and you will meet the infinite aliveness that is God for God is everywhere Whereas earlier books consider the connection of spirituality with creative arts such as poetry film music theater drama dance and modern literature this volume takes readers

on a journey through classic Christian literature beginning with the Bible and continuing through inspirational works written by diverse spiritual mentors such as Augustine Dante Luther Calvin Teresa of vila George Fox Blaise Pascal Henri Nouwen A W Tozer John McLaren John Shelby Spong Richard Rohr and Marcus Borg Reading their works reminds us that Christian literature is most practical and inspirational when it takes a narrative approach to theology interpreting the spiritual journey through the ongoing stories of people and communities rather than trying to capture timeless truths analytically or through rational argumentation Like its companion texts Wading on Water Deep Splendor and Deeper Splendor this volume is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection

**Encounters with God in Augustine's Confessions** Carl G. Vaught,2012-02-01 This book continues Carl G Vaught s thoroughgoing reinterpretation of Augustine s Confessions one that rejects the view that Augustine is simply a Neoplatonist and argues that he is also a definitively Christian thinker As a companion volume to the earlier Journey toward God in Augustine s Confessions Books I VI it can be read in sequence with or independently of it This work covers the middle portion of the Confessions Books VII IX Opening in Augustine s youthful maturity Books VII IX focus on the three pivotal experiences

that transform his life the Neoplatonic vision that causes him to abandon materialism his conversion to Christianity that leads him beyond Neoplatonism to a Christian attitude toward the world and his place in it and the mystical experience he shares with his mother a few days before her death which points to the importance of the Christian community Vaught argues that time space and eternity intersect to provide a framework in which these three experiences occur and which give Augustine a three fold access to God Augustine's Confessions Saint Augustine,2017-09-01 The Confessions of Saint Augustine is considered one of the greatest Christian classics of all time It is an extended poetic passionate intimate prayer that Augustine wrote as an autobiography sometime after his conversion to confess his sins and proclaim God s goodness Just as his first hearers were captivated by his powerful conversion story so also have many millions been over the following sixteen centuries His experience of God speaks to us across time with little need of transpositions Lively narrative and colorful anecdotes are interspersed with passages of great poetry in praise of God In the process of describing his own very human failings Augustine also gives advice on how to live a committed Christian life His view that happiness is not to be found in transitory physical pleasure but in searching for the truth beyond the material world is more than ever relevant today
