Spiritual Journey Of Catherine De Saintaugustin:

The Spiritual Journey of Catherine de Saint-Augustin Oury, Guy-Marie,1996 **The Death and Afterlife of the North American Martyrs** Emma Anderson,2013-11-18 In the 1640s eight Jesuits met a terrifying death at the hands of native antagonists In 1930 they were canonized as North America s first saints The Death and Afterlife of the North American Martyrs illuminates these seminal acts of violence and charts their ever changing controversial legacy or afterlife across almost four centuries **Dreams, Dreamers, and Visions** Ann Marie Plane,Leslie Tuttle,2013-05-03 In Europe and North and South America during the early modern period people believed that their dreams might be variously messages from God the machinations of demons visits from the dead or visions of the future Interpreting their dreams in much the same ways as their ancient and medieval forebears had done and often using the dream guides their predecessors had written dreamers rejoiced in heralds of good fortune and consulted physicians clerics or practitioners of magic when their visions waxed ominous Dreams Dreamers and Visions traces the role of dreams and related visionary experiences in the cultures within the Atlantic world from the late thirteenth to early seventeenth centuries examining an era of cultural encounters and transitions through this unique lens In the wake of Reformation era battles over religious authority and colonial expansion into Asia Africa and the Americas questions about truth and knowledge became particularly urgent and debate over the meaning and reliability of dreams became all the more relevant Exploring both indigenous and European methods of understanding dream phenomena this volume argues that visions were central to struggles over spiritual and political authority Featuring eleven original essays Dreams Dreamers and Visions explores the ways in which reports and interpretations of dreams played a significant role in reflecting cultural shifts and structuring historic change Contributors Emma Anderson Mary Baine Campbell Luis Corteguera Matthew Dennis Carla Gerona Mar a V Jord n Lu s Filipe Silv rio Lima Phyllis Mack Ann Marie Plane Andrew Redden Janine Rivi re Leslie Tuttle Anthony F C Wallace **Mystic in the New World: Marie de l'Incarnation (1599-1672)** Anya Mali,2021-11-01 As one of the first female missionaries to the New World and the author of a classic mystical autobiography Marie de l Incarnation has long been seen as an exemplary type reflecting the mood and aims of the Catholic Reformation In contrast to studies which portray her against the backdrop of religious trends in Catholic Reformation France this book argues that the New France wilderness was the crucial context for the formation of her spiritual identity Marie de l Incarnation brought her traditional notions to bear on her encounter with the Amerindians but was soon compelled to adjust her views on the natives and the nature of religious experience A close textual analysis of her writings makes it clear that her mysticism was informed by the images of her tradition but also gave new meaning to old concepts Beyond its relevance for those interested in this mystic the book addresses the broader issue of shifting attitudes and boundaries in early modern religious life and demonstrates the need for more variegated typologies of mystical experience in studies on spiritual literature *Historical Studies* ,1997 **Related Lives** Jodi Bilinkoff,2018-07-05 In early

modern Catholic Europe and its colonies priests frequently developed close relationships with pious women serving as their spiritual directors during their lives and their biographers after their deaths In this richly illustrated book Jodi Bilinkoff explores the ways in which clerics related to those female penitents whom they determined were spiritually gifted and how they conveyed the live stories of these women to readers The resulting popular literatures of hagiography and spiritual autobiography produced hundreds of texts designed to establish models of behavior for the Catholic faithful in the period between the advent of printing and the beginning of the modern age Bilinkoff finds that confessional relations and the texts that document them reveal much about gender and social values She uses life narratives primarily from Spain but also from France Italy Portugal Spanish America and French Canada to examine the ways in which clerics presented female penitents as exemplary and how they constructed their own identities around their interactions with exceptional women These multilayered texts she suggests offer compelling accounts of individuals caught up in the pursuit of holiness and provide a key to understanding the resilience of Catholic culture in an age of religious change and conflict

A Life in the Spirit: A Memoir Ralph Martin, 2024-09-01 *A Life in the Spirit* chronicles beloved author and speaker Ralph Martin's journey from the early days of the Catholic charismatic renewal to become one of the most courageous voices defending the truth of the Gospel during an age of dissension and disbelief In this memoir Ralph Martin shares how he was initially drawn to make a radical commitment to Jesus Christ and as that commitment deepened how he entered more fully into the spiritual tradition of the Church and advanced theological studies that grounded his work of fundamental Catholic renewal within the solid tradition of Catholic teaching Martin's writing speaking and evangelization efforts particularly through the international apostolate he founded Renewal Ministries and his teaching at Sacred Heart Major Seminary in Detroit are detailed in *Life in the Spirit* and offer to all readers a remarkable witness to the relevance and urgency of the Gospel *A Life in the Spirit* recounts not only Martin's struggle to remain faithful to his commitment to Christ through obstacles and opposition but also includes beautiful reflections on family life and remarkable experiences with the likes of Pope St John Paul II Mother Angelica and many others Movingly personal yet highly engaging *A Life in the Spirit* presents a unique snapshot of some of the most critical moments in recent Church history and a glimpse into the soul of one man whose life and mission have been surrendered to God through them all

A Touch of Fire Thomas M. Carr Jr, 2020-07-16 Marie Andr Duplessis 1687 1760 guided the Augustinian sisters at the H tel Dieu of Quebec the oldest hospital north of Mexico where she was elected mother superior six times Although often overshadowed by colonial nuns who became foundresses or saints she was a powerhouse during the last decades of the French regime and an accomplished woman of letters She has been credited with Canada s first literary narrative Canada s first music manual and the first book by a Canadian woman printed during her own lifetime In A Touch of Fire the first biography of Duplessis Thomas Carr analyzes how she navigated in peace and war the unstable male dominated colonial world of New France Through a study of Duplessis s correspondence her writings and the rich H tel Dieu archives Carr details how she channelled the fire of her

commitment to the hospital in order to advance its interests preserve its history and inspire her sister nuns Duplessis chronicled New France as she wrote for and about her institution Her administrative correspondence reveals her managerial successes and failures and her private letters reshaped her friendship with a childhood Jansenist friend Marie Catherine Hecquet Carr also delves into her relationship with her sister Genevi ve Duplessis who joined her in the cloister and became her managerial and spiritual partner The addition of Duplessis s last letters provides a dramatic insider s view into the female experience of the siege and capture of Quebec in 1759 A Touch of Fire examines the life and work of an enterprising leader and major woman author of early Canada

The Possession of Barbe Hallay Mairi Cowan, 2022-10-15 When strange signs appeared in the sky over Qu bec during the autumn of 1660 people began to worry about evil forces in their midst They feared that witches and magicians had arrived in the colony and a teenaged servant named Barbe Hallay started to act as if she were possessed The community tried to make sense of what was happening and why Priests and nuns performed rituals to drive the demons away while the bishop and the governor argued about how to investigate their suspicions of witchcraft A local miller named Daniel Vuil accused of using his knowledge of the dark arts to torment Hallay was imprisoned and then executed Stories of the demonic infestation circulated through the small settlement on the St Lawrence River for several years In The Possession of Barbe Hallay Mairi Cowan revisits these stories to understand the everyday experiences and deep anxieties of people in New France Her findings offer insight into beliefs about demonology and witchcraft the limits of acceptable adolescent behaviour the dissonance between a Catholic colony in theory and the church s wavering influence in practice the contested authority accorded to women as healers and the insecurities of the colonial project As the people living through the events knew at the time and as this study reveals New France was in a precarious position The Possession of Barbe Hallay is both a fascinating account of a case of demonic possession and an accessible introduction to social and religious history in early modern North America

The Book of Margery Kempe John Skinner, 2011-01-26 Though a familiar name little was known about the English mystic Margery Kempe c 1373 c 1440 for hundreds of years except that she had an association with the great Julian of Norwich This all changed in 1934 with the discovery of The Book of Margery Kempe in a library where it had lain hidden for four hundred years Finding Margery s own story was important not just because of the light it shed on her life but it also turned out to be the first known autobiography in the English language Even more intriguing to the experts of the day this unique document was written by a woman But if anyone had expected to find her anything like her cloistered contemporary Julian they were in for something of a surprise Far from being a typical holy woman Margery Kempe was married and mother of fourteen children Moreover she had been a woman of substance even running a large brewery for a time After turning to religion she traveled thousands of miles around the known world on pilgrimages to distant lands Beyond the circumstances of her life what s most compelling about the text is the inner Margery that emerges Her account of spiritual awakening far from being a blissful episode is instead full of conflict and recrimination

What good was this new way of life if it caused her such trouble Was this really the only way to lead a holy life Margery remained unsure of the answers But her patience in her struggle is a wonder to behold and an example for us today

Christian Spirituality Karen E. Smith,2007 This textbook works towards presenting Christian spirituality as an ongoing dialogue between doctrine and experience and asserts that Christian spirituality must reflect the idea of search It features a number of pedagogical tools to aid the undergraduate such as questions for reflection and guides to further reading The Sacred Way Tony Jones,2010-12-21 Broaden your spiritual horizons How has spirituality changed in the last 500 1 000 or even 2 000 years How can ancient approaches to faith help my relationship with God today In The Sacred Way popular author and speaker Tony Jones mines the rich history of 16 spiritual disciplines that have flourished throughout the ages and offers practical tips for implementing them in your daily life Find encouragement and challenge through time tested disciplines such as Silence and solitude The Jesus prayer Meditation PilgrimageExplore these proven approaches to deepening your faith As you do your way of living your spiritual life will never be the same The Mind of Christ Stephen T. Pardue,2013-09-12 This book brings a variety of theological resources to bear on the now widespread effort to put humility in its proper place In recent years an assortment of thinkers have offered competing evaluations of humility so that its moral status is now more contentious than ever Like all accounts of humility the one advanced in this study has to do with the proper handling of human limits What early Christian resources offer and what discussions of the issue since the eighteenth century have often overlooked is an account of the ways in which human limits are permeable superable and open to modification because of the working of divine grace This notion is especially relevant for a renewed vision of intellectual humility the primary aim of the project but the study will also suggest the significance of the argument for ameliorating contemporary concerns about humility s generally adverse effects
