Spiritual Life Of Children:

The Spiritual Life of Children Robert Coles, 1990 For 30 years Robert Coles has been talking and listening to children all over the world and recording their responses to crises to hardship and sorrow and to moral and political pressure In this one of eight volumes in his Pulitzer Prize winning series Children of Crisis he speaks to and for the religious and spiritual lives of children conveying their views of salvation and righteousness their experience of God and their ways of understanding the ultimate meaning of their own lives

The Spiritual Life of Children Robert Coles, 1992 The author a psychiatrist and writer explores the results of more than 30 years of talking and listening to children around the world about their inner lives He evokes their thoughts and feelings about the meaning of life and at the same time their insights into the religious beliefs of adults

The Spiritual Life of Children Robert Coles, Foundations and Donors Interested in Catholic Activities, Inc, Lilly Endowment, 1992 The Spiritual Life of Children Robert Coles, 1991-10-01 Sanctuaries of Childhood

Shea Darian, 2001 *Spiritual, Life and Values Education for Children* John Chi-Kin Lee, 2024-07-19 This book offers various perspectives on children's spirituality and its relation to life and values education from diverse socio cultural and educational contexts It brings together a collection of select research articles that were published over a period of two decades 1999 2020 in the International Journal of Children's Spirituality IJCS to celebrate the journal's 25th anniversary Featuring contributions by leading international scholars from U K U S A Canada Hong Kong China and Australia this volume offers a multidisciplinary snapshot of children's spirituality and its relation to life and values education It highlights the importance of socio cultural and religious traditions as well as perspectives on religious education and the spirituality of children shaped by religious cultural and educational systems in specific societies and contexts Chapters cover topics including the links between mirror neurons and human empathy and education the relationship between spirituality and citizenship the notion of inclusive spiritual education and the perspectives of spiritual education through the conceptual lens of transcendence raised awareness and spiritualism how outdoor play spaces can contribute to a child's spiritual development through enriching activities and approaches to help nurture students spiritual growth in their aspects of themselves self others the environment and with a Transcendent Other transcendence This volume will be a key resource for researchers and postgraduate students interested in understanding children's spirituality and its implications for spiritual life and values education

Perspectives on Children's Spiritual Formation Gregory C. Carlson, 2006 Church scholars from varying denominational backgrounds discuss four basic common beliefs about children's spiritual formation with the goal of determining which is most scripturally sound Spiritual Disciplines for Children Vernie Love, 2012-06-01 Much has been written for adults about their spiritual formation and about the practice of classic spiritual disciplines Very little has been written for adults who work with children on how to guide children in practices that form their spirit toward Christlikeness *Spiritual Disciplines for Children* offers readers the tools they need personally and the tools they need practically to guide

children in Christian spiritual formation using twelve spiritual disciplines Concrete activities for readers to do with their children are provide at the end of every chapter Reproducible pages are also included at the end of some chapters These activities offer children enjoyable and meaningful experiences Guided conversation ideas are a part of each activity to help adults build relationships and understanding and communicate on a child s level The subject matter is serious inspirational and practical It is intended to inspire and equip adult Christian readers to begin the practice of spiritual disciplines with intentionality and commitment in their lives and in their children s lives The challenge is given to continue in these practices until in both adult and child they become lifelong patterns and habits These patterns and habits allow the Holy Spirit to form their spirit and character toward Christlikeness and a closer more intimate relationship with God **Understanding**

Children's Spirituality Kevin E. Lawson,2012-03-22 How important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation Children's Spirituality Donald Ratcliff,2004 Description This pacesetting text considers a wide variety of topics related to the spiritual development of children The chapters grew out of presentations at the first major conference to consider these important topics from a distinctly Christian perspective The first section considers the important task of defining spirituality and summarizes some views of the spirituality of children as reflected in history theology and the Bible Social influences on children s spirituality are considered as well as how brain activity relates to spiritual experiences The second major section highlights children s spirituality in the home Here the development of the concept of God is considered as well as how parents and children work together to construct understandings of spirituality A third section reflects upon the spirituality of children in the church including alternative perspectives of how spiritual growth and experience are best encouraged in that setting The distinctive aspects of African American children and Latino children s spirituality are given careful attention Schools and other settings are examined in the fourth section of the book with an emphasis upon moral learning encouraging faith development with preschoolers how spirituality helps children cope with serious medical conditions and the stresses related to being children of missionaries and best practices in reaching inner city children The book concludes with a chapter that examines how Christians views of children s spirituality are changing and anticipates a follow up conference in the near future Endorsements Here are essays on young people that tell of their various ways of seeking God s presence in their ongoing lives an aspect of faith observed and discussed with intelligence and sensitivity Here is a book many of us will greatly value

its wisdom an important presence in our effort to understand children Dr Robert Coles Professor of Psychiatry and Medical Humanities at Harvard Medical School and author of *The Spiritual Life of Children* This extraordinary book is a must read for all who teach and practice religious education It gathers with breadth and depth the best current research from an exploding renewal in the study of the spirituality and religious development of children Teachers students and scholars dedicated to understanding and nurturing our children s growth in faith will find this rich volume indispensable James W Fowler author of *Stages of Faith* and C H Candler Professor of Theology and Human Development Director The Center for Ethics Emory University Written in the best of the Evangelical tradition *Children s Spirituality* is a must read for all those interested in children the spiritual life and Christian formation Descriptive phrases include well conceived and edited clearly written and well documented thorough and all encompassing academically sound and popular combining research and practical application The Rev Dr John Westerhoff formerly Professor of Theology and Christian Nurture at Duke University he is Theologian in Residence at St Luke s Episcopal Church Atlanta Georgia About the Contributor s Donald Ratcliff is Professor of Psychology at Vanguard University He received his Ph D in educational psychology from the University of Georgia He has studied children s spiritual development for more than 25 years and has edited several books related to this topic including the *Handbook of Children s Religious Education* and the *Handbook of Preschool Religious Education* He is also the editor or coauthor of six other books and more than two dozen journal articles and book chapters
