# Spiritual Life The Word Of God

**Emanuel Swedenborg**

## **Spiritual Life The Word Of God:**

*Spiritual Life and the Word of God* Emanuel Swedenborg, 2019-11-26 Emanuel Swedenborg's *Spiritual Life and the Word of God* delves into the profound relationship between human spirituality and the divine scriptures. With a blend of theological reflection and metaphysical inquiry, Swedenborg synthesizes biblical exegesis with personal revelations, emphasizing the transformative power of inner spiritual development. His literary style reflects a blend of mystical language and rational exposition rooted in the Enlightenment context where science and spirituality often intersected. The work challenges readers to see beyond the literal meanings of the scriptures, urging a contemplative examination of their inner lives in light of divine truths. A renowned Swedish scientist, philosopher, and theologian, Swedenborg's mystical experiences profoundly shaped his writings. His transition from natural sciences to spiritual inquiry was catalyzed by his encounters with the divine, leading him to explore the nature of heaven, hell, and the afterlife. This duality of his background allows Swedenborg to frame his theological insights within a rational structure appealing to both the mind and the spirit. Readers seeking a deeper understanding of the interplay between spirituality and the Word of God will find this book indispensable. Swedenborg's insights not only elevate theological discourse but also invite personal reflection, making it a vital addition to the library of anyone interested in the mystical dimensions of faith.

**The Spiritual Life and the Word of God** Emanuel Swedenborg, 2005-12-01 Who at this day can believe that the delight of adultery is hell in man and that the delight of marriage is heaven in him consequently so far as he is in the one delight he is not in the other since so far as man is in hell he is not in heaven from VI The Sixth Commandment Emanuel Swedenborg an 18th century inventor and man of science experienced a spiritual epiphany at the age of 56 when he began to explore Christianity from a mystic standpoint a stunning change of heart that has since intrigued and fascinated generations of rationalists and philosophers from Immanuel Kant to Arthur Conan Doyle to C G Jung Did Swedenborg go mad or is he a genuine prophet In this work an extract from Swedenborg's 1757 *Apocalypse Explained* he explores the meaning of each of the 10 commandments and discusses good truth and what it means to live a righteous life Swedish scientist and philosopher EMANUEL SWEDENBORG 1688-1772 made notable contributions in the fields of biology geology and astronomy before embarking upon his Scriptural commentary His religious writings include *The Divine Love and Wisdom* *The Apocalypse Revealed* *The True Christian Religion* and *The Last Judgment*

*Spiritual Life and the Word of God* Emanuel Swedenborg, 2015-07-18 The most thorough and enlightening book ever written on the subject of The Ten Commandments Spiritual life is a simple spiritual Christianity at the core of the teachings in the revelations of Emanuel Swedenborg from extracts of his larger work *Apocalypse Explained* This work sums up the majority of the core of his teachings that is easy for anyone to understand follow and apply to one's life Spiritual life is acquired solely by a life according to the commandments in the Word These commandments are given in summary in the Decalogue namely Thou shalt not commit adultery Thou shalt not steal Thou shalt not kill Thou shalt not bear false witness

Thou shalt not covet the goods of others These commandments are the commandments that are to be done for when a man does these his works are good and his life is spiritual and for the reason that so far as a man shuns evils and hates them so far he wills and loves goods The opening of the spiritual sense of the Word did come through a man who could not only receive the doctrines of spiritual life with the understanding but publish the same to the world by means of the printed page Such a man was Emanuel Swedenborg When he abandoned all other work to write the books which record and explain that which marks an epoch in both the natural and spiritual worlds he avoided the use of his titles that had been given him for outward service to mankind and styled himself simply the servant of the Lord Jesus Christ He devoted his life and money to bringing out his books in Latin the language then in general use throughout the world He placed copies in public libraries and gave some to his friends but never proselyted or tried to found a church The church to him was the Lord's kingdom among men and to it he left his work a universal legacy The truth received by men through him claims attention only because it is the truth and to ignore it is as impossible as to ignore the laws of physics It is through such a source that the Bible has now become an open book of instruction in spiritual life instead of an antiquated history It is through such a work the results of which are accessible to all who would know them that every soul may have an invulnerable and enduring faith that the Word of God is divine truth and the Bible a heaven inspired book

Christian doctrine      **The Spiritual Life** Campegius Vitringa,2019-11-22 What does it mean to have spiritual life and how does a believer achieve it What are the fruits of this spiritual life and what are the hindrances and helps for cultivating it In this classic treatise of Reformed spirituality Campegius Vitringa provides answers to these questions as he teaches what it means to be made alive in Christ Translated into English for the first time The Spiritual Life is accompanied by a helpful biographical sketch of the author and revives the riches of Reformed piety for a new generation of readers      **The Spiritual Life, or Helps and Hindrances** F. E. Marsh,2005-01-26      **The River of Your Spiritual Life** Paul Esswein,2017-05-18 Have you known Jesus for a while and felt you wanted to keep growing but didnt know how One way to grow in Jesus is to understand the streams that flow into our spiritual life There are four ways we can seek and know God better They are historically identified as Gods Word church tradition life experiences and human reasoning This book looks at the four streams that feed our spiritual life addresses the limitations of each one and provides pertinent examples of how all four work together As each one contributes to our spiritual growth we know Jesus better      *Spirit Life Training* Timothy Jorgensen,2011-06-21 Spirit Life Training is a workout program jammed full of proven successful strategies to align your spirit soul and body to release the life and power that God put inside you With exciting mind and body exercises designed to biblically align and strengthen your body emotions memory intellect imagination and will your recreated spirit self will rise up and express the rejuvenated and refreshed life of abundance God intended for you Everything you need to overcome in this life you have received in seed form at the point of salvation Spirit Life Training is the process of discovering strengthening and releasing this treasure God has given you      **The New Life: Words of God for Young Disciples ,** *Proceedings of the Nineteenth Annual Convention of the ... Association held at Watertown, June 2, 3 and 4, 1874* New York State Sunday School Teachers' Association (NEW YORK, State of),1874      **Simplify Your Spiritual Life** Donald Whitney,2014-02-27 Jesus faced incredible challenges and suffered agonizing trials but there was simplicity in His relationship with His Father that we can emulate And in that simplicity we can realize our greatest fulfillment as believers If your Bible study seems tedious and your prayer life wearisome stop and rediscover how rewarding the simple Christian life can be      *The Practical Steps to the Deeper Spiritual Life* Larry Mehaffey,2012-01-19 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of

God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a man s life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to God

*Homiletic Review* ,1897 **The Four Gospels** Archbishop Averky (Taushev),2015-08-01 Writing in the tradition of biblical exegetes such as St John Chrysostom and Blessed Theophylact of Bulgaria the work of Archbishop Averky Taushev provides a commentary that is firmly grounded in the teaching of the Church manifested in its liturgical hymnography and the works of the Holy Fathers Analyzing all four Gospels chronologically and simultaneously he allows readers to see the life of Christ as an unfolding narrative in accessible direct language Using the best of prerevolutionary Russian sources these writings also remained abreast of developments in Western biblical scholarship engaging with it directly and honestly He approaches the Gospels first and foremost not as a literary work of

antiquity but as the revelation of Jesus Christ as God in the flesh Archbishop Averky's commentaries on the New Testament have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread acclaim This present volume is the first translation of these texts into English and it is an indispensable addition to the library of every student of the Gospels
