Spiritual Marriage:

Spiritual Marriage: The Curse of Illicit Sexual Union Ebenezer Gyasi, 2018-07-17 There are certain spiritual truths you should know before you start dating having sex or start thinking about marriage Ignorance of spiritual matters may become a source of problems for you and your descendants Currently our sexuality is under tremendous attack Spiritual marriages to demonic entities have become a source of hidden problems in our relationships Nothing in this world happens by chance Not with God nor the devil In the realm of the spirit there are no accidents People who allow events in their lives to pass without connecting them to spiritual issues not only don't understand what is happening to them they also can't do anything to change their world This manual along with the companion books Killing Me Softly Dad And Mom Pray For Me Prepare The Way will help and equip you to trample and overcome evil enforcers assigned to steal kill destroy or truncate your destiny and that of loved ones your marriage your family and your home in the mighty name of Jesus Amen

Spiritual Marriage Dyan Elliott, 2021-05-11 The early Christian and medieval practice of spiritual marriage in which husband and wife mutually and voluntarily relinquish sexual activity for reasons of piety plays an important role in the development of the institution of marriage and in the understanding of female religiosity Drawing on hagiography chronicles theology canon law and pastoral sources Dyan Elliott traces the history of spiritual marriage in the West from apostolic times to the beginning of the sixteenth century

The Spiritual Marriage between Christ and His Church and Every One of the Faithful Girolamo Zanchi, 2021-11-10 This new translation of the classic draws readers into the rich doctrine of union with Christ showing how our earthly marriages fulfill their truest purpose when placing attention on the spiritual marriage between Christ and His Church

Deliverance From Evil Spiritual Marriages Godspower Elishason, 2015-02-09 It is abundantly clear that many are suffering from what they know not They beat about the bush to unravel the causes of their misfortunes Their search being misdirected leads them deeper down the dark tunnels of sorrow Many are suffering by reason of their own errors and disobedience Some are ensnared for partaking of accursed booties Still others suffer from ignorance or by association with cursed lineage and family background In short the reasons why people suffer are numerous But bless God that by divine destiny you are here to get a copy of my book that will show you how you can avoid the path of misery Or if you are already ensnared how you can obtain your total deliverance and put a permanent end to the recurring decimal of woes in your life This book on Deliverance From Evil Spiritual Marriage will show you practical guide lines on how to walk out of your troubles This book will surely transform your life Amen This is your hour of liberty The Lord desires us to look deeply about the issue of evil spiritual marriages Because this is one area where a lot of people are suffering without any tangible explanation This has kept a lot of people in a state of confusion and uncertainty The truth you need to know is that the supernatural world is as real as the physical world Whatever happens in the spirit world affects us in the physical realm in our day to day life The spirit is more powerful than the physical Whether you are ignorant of it is not an excuse after all

there is a saying that goes that the ignorance of the law is not an excuse A lot are just beating about the bush without knowing the cause of their calamities and misfortunes The key to unraveling this hidden mystery in our lives is to go to our root that s our foundation Because your present problem may have a demonic spiritual undertone If you must live a successful prosperous life then we must deal with some curses hidden covenants and breaking some demonic linkages From personal discovery as per my experience in the deliverance ministry I have discovered that out every ten people in the street most especially females seven are involved in one form of evil spiritual marriages or the other Beloved evil spiritual marriage is so complex and discomforting but with God there is a way out So friends let us journey together into the realm of the supernatural to unravel this mystery of iniquity So through this book we are going to address how you can be thoroughly get total freedom

Wisdom and Spiritual Transcendence at Corinth Richard A. Horsley,2008-01-01 Examining each of the major sections of 1 Corinthians Horsley probes the disagreement Paul had with those claiming special spiritual status The conflicts over what constitute wisdom knowledge and spirituality cut to the core of what Paul was trying to accomplish in his communities Horsley moves the debate from the history of religions background to the Hellenistic Jewish religiosity of the Wisdom of Solomon and Philo of Alexandria

Paul on Marriage and Celibacy Will Deming,2004 Paul is traditionally seen as one of the founders of Christian sexual asceticism As early as the second century C E church leaders looked to him as a model for their lives of abstinence But is this a correct reading of Paul What exactly did Paul teach on the subjects of marriage and celibacy Will Deming here answers these questions By placing Paul s statements on marriage and celibacy against the backdrop of ancient Hellenistic society Deming constructs a coherent picture of Paul s views According to Deming the conceptual world in which Paul lived and wrote had substantially vanished by 100 C E and terms like sin body sex and holiness began to acquire moral implications quite unlike those Paul knew Paul conceived of marriage as a social obligation that had the potential of distracting Christians from Christ For him celibacy was the single life free from such distraction not a life of saintly denial Sex in turn was natural and not sinful and sex within marriage was both proper and necessary Superbly researched and reasoned this book corrects misinterpretations of Paul and restores him to his proper place in the history of Christian thought on marriage and sexuality

beyond its fleshy boundaries Demons are a knowledge regime one that shapes how Pentecostals think about engage with and construct the cosmos Deliverance Pentecostals reiterate and tarry with the demonic especially sexually as a realm of invention whereby alternative ways of being sensing and having sex are dreamed practiced and performed Ultimately Homewood argues for a distinction between colonial demonization and decolonial demons charting another path to understanding being the body and sexualities

Six Stages on the Spiritual Path Ruth Whitney,2021-05-21 In Six Stages on the Spiritual Path we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe

Sacred Marriages Martti Nissinen,Risto Uro,2008-06-30 The title of this volume Sacred Marriages consciously plays with the traditional concept of sacred marriage but the plural form sacred marriages gives the reader an idea that something more is at stake here than a monomaniacal idea of manifestations deriving from a single prototype Following the guidelines of one of the contributors Ruben Zimmermann the editors tentatively define sacred marriage as a real or symbolic union of two complementary entities imagined as gendered in a religious context Sacred marriages plural then refers to various expressions of this kind of union in different cultures that seek to overcome to cite Zimmermann again the great dualism of human and cosmic existence The subtitle indicates that the contributors are primarily interested in different aspects of the divine human sexual metaphor that is the imagining and reenactment of a gendered relationship between the human and divine worlds This metaphor which is essentially about relationship rather than sexual acts can find textual ritual mythical and social expressions in different times and places Indeed the sacred marriage ritual itself should be considered not a manifestation of the sacralized power of sexuality experienced in sexual intercourse but one way of objectifying the divine human sexual metaphor A Spiritual Canticle of the Soul and the Bridegroom Christ St. John of the Cross,2016-11-10 Claiming to be a literary interpretation this poem of forty stanza s is loosely based on the Biblical book of Song of Songs This story follows a bride that has been separated from her bridegroom and her search for him If it is not obvious enough from the reading of the poem itself and St John of the Cross s extensive explanation afterwards the poem is a literary interpretation of Song of Songs but also of the soul s search for Jesus Christ
