

The background of the entire image is a painting of a Taoist Master with a long white beard, wearing a dark blue robe and a traditional hat, riding a dark water buffalo. They are positioned on a rocky outcrop overlooking a body of water. The sky is a deep blue with a full moon on the left and numerous stars. The water reflects the moon and the sky. In the bottom right corner, there is a small, glowing light source, possibly a lantern or a fire.

Dyer, 2008-01-03 When you change the way you look at things the things you look at change This book offers you an opportunity to internalize and directly experience the great wisdom of the Tao Te Ching a collection of verses authored by the Chinese prophet Lao tzu The words Tao Te Ching translate to living and applying the Great Way Although just 81 short verses the Tao encourages you to change your life by literally changing the way you think By reading through the verses presented here which I ve pieced together after reviewing hundreds of translations along with the corresponding affirmation I ve created for each verse you ll be embarking on a path that encompasses the profound ideas that Lao tzu intended to convey The Tao Te Ching offers you Divine guidance on virtually every area of human existence It is a new way of thinking in a world that needs to recapture its ancient teachings Work with the verses and affirmations regularly and you will come to know the truth behind the ancient Tao observation When you change the way you look at things the things you look at change Dr Wayne W Dyer      *The Tao of Kenny Loggins* Dennis Waller, 2013-02-04 I simply needed to know I was wanted I simply needed to know I was wanted Kenny Loggins once said This comes from a man who knew how much people loved him and adored his songs from a man who has been probably more productive in his life than ninety nine percent of the population from a man who lived his life discovering His Way His Tao and never stopped There s a lesson to be learned here the lesson that the great thinkers of the ages from Laozi Lao Tzu Buddha and Christ to enlightened era philosophers like Kant Hegel and Schopenhauer to the modern spiritual leaders and thinkers of our age have been pondering and yet still do not have the answer to Can A Man Reach Perfection the Spirit the Divine if you will Or perhaps there s no need to actually

reach perfection and it is indeed the Way the Tao that is our lives that matters the most Are we drifting aimlessly in a sea of change or are we looking for a beacon to guide us For Kenny Loggins that connection to the spiritual has always been his ability to as he put it Stop and listen to the song playing in my head This for him was the light the love the sense of Interconnectedness of the world as a whole and his songs are the records of what the Spirit imparted to him when he would allow himself to listen For the man who was so connected to his inner self and to the spiritual around him Kenny Loggins to this day is still discovering his Tao and that idea of never stop listening to the songs that are playing in our heads is perhaps his greatest gift to us I hope you will embark on this journey with Kenny Loggins and me and we will all emerge wiser better and filled with the Love that is easy to find if we just stop and listen After reading Kenny Loggins book The Unimaginable Life It was obvious he had underwent a major shift in his awareness to the innerconnectiveness truth and love of the universal divine love Through his music he was able to demonstrate these new principles With the release of the album Leap of Faith in 1991 Loggins brought forth his joy of this awakening and desired to share the incredible sense of love and belonging he had discovered Even though by his own admission his music had always had a deep spiritualness to it it was with this album that he knew he was awakened to it and truly felt it He was singing from his soul He was singing an universal truth that has been here since the beginning of time With Leap of Faith his music took on a new higher level of spiritualness that reminded me of the same type of awareness that is in Zen and in Taoism The principles of Truth Love and the Innerconnectiveness is essentially the same with Kenny Loggins as with Lao Tzu Let s take a look at Kenny Loggins music from a Zen perspective According to Osho Zen is like a telegram It believes in the very essentials It has no nonsense around it no rituals no chanting no mantras no scriptures just small anecdotes If you have the right awareness they hit you directly in the heart It is a very condensed and crystallized teaching but it needs the person to be prepared for it And the only preparation is meditative awareness Zen and the Tao are very fragmentary like telegrams urgent immediate not giving you any explanation but simply giving you the very essence the perfume of thousand of flowers You just have to be alert enough to absorb them I m trying to give a context the right background because I am talking to people who are not born in the Zen Taoist tradition Examples of these telegrams are throughout the lyrics of Loggins music Like Conviction of the Heart this is a song that I believe that Lao Tzu could have written if he were alive today This telegram drives home the very essence of the message with crystal clarity With any Conviction of the Heart One with the earth with the sky One with everything in life I believe that we ll survive If we only try     **Tao** Waysun Liao,2010 What is God Why do we suffer How can we heal ourselves and our world What is the purpose of life What happens when we die What is the best way to pray When you understand the way God works you ll understand the answers to these questions and more Master Waysun Liao takes you to the inner teachings of Tao wisdom giving you the keys to its ancient mysteries in simple terms applied to modern life in today s world Enjoy common sense analogies humor diagrams and passages from texts such as Lao Tzu s Tao Te Ching as you start your own Tao journey with
