Spiritual Discernment and Prayers for the Sleeping Church Stephen A. Ibeh,2023-05-16 The church in America has fallen in deep sleep and needs to wake up In the current state we are to stand in the gap with God and intercede for her This book is about spiritual discernment of the vices that are currently hindering the church as well as prayers for these vices According to Jesus s words we are to watch and pray so we will not enter temptation Matthew 26 42 Let us then arm ourselves with prayers while keeping an eye on those things that crept into the church unawares **Deliverance From Spirit Husband And Spirit Wife** Dr. D. K. Olukoya, The issue of spirit husband and spirit wife spirit spouses evil spiritual marriage is one of the greatest spiritual problems which has pervaded societies of the world There are vicious sexual spirits which molest and torment individuals This book teaches you how to receive deliverance from spirit spouses and other associated wicked powers *The Metaphysics of German Idealism* Martin Heidegger,2021-07-16 This volume comprises the lecture course that Heidegger gave in 1941 on the metaphysics of German Idealism The first part of the lecture course contains a preliminary consideration of the distinction between ground and existence The elucidation of the conceptual history includes a striking confrontation with Kierkegaard s and Jaspers concepts of existence as well as an elucidation of the

concept of existence in Being and Time which Heidegger distinguishes from the former concepts Heidegger's self interpretation is not an end in itself however but rather a way of pointing to Schelling's distinction between ground and existence whose root and inner necessity and whose various versions Heidegger discusses subsequently The second part of the lecture course is focused on Schelling's freedom treatise which Heidegger regards as the pinnacle of the metaphysics of German Idealism Heidegger's consideration of Schelling's distinction between ground and existence finds its guiding thread in the introduction of the realms of being eternal or finite each being is a joining of the ground of existence and existence itself In a subsequent overview Heidegger discusses the relation of the distinction between ground and existence to the essence of human freedom and to the essence of the human On the basis of this discussion it becomes possible to grasp the connection between freedom and evil in Schelling's system This important work by Heidegger published here in English for the first time will be of great interest to students and scholars of philosophy and to anyone interested in Heidegger's work

The ^A Beauty of the Primitive Andrei A. Znamenski, 2007-07-16 For the past forty years shamanism has drawn increasing attention among the general public and academics There is an enormous literature on shamanism but no one has tried to understand why and how Western intellectual and popular culture became so fascinated with the topic Behind fictional and non fictional works on shamanism Andrei A Znamenski uncovers an exciting story that mirrors changing Western attitudes toward the primitive The Beauty of the Primitive explores how shamanism an obscure word introduced by the eighteenth century German explorers of Siberia entered Western humanities and social sciences and has now become a powerful idiom used by nature and pagan communities to situate their spiritual quests and anti modernity sentiments The major characters of The Beauty of the Primitive are past and present Western scholars writers explorers and spiritual seekers with a variety of views on shamanism Moving from Enlightenment and Romantic writers and Russian exile ethnographers to the anthropology of Franz Boas to Mircea Eliade and Carlos Castaneda Znamenski details how the shamanism idiom was gradually transplanted from Siberia to the Native American scene and beyond He also looks into the circumstances that prompted scholars and writers at first to marginalize shamanism as a mental disorder and then to recast it as high spiritual wisdom in the 1960s and the 1970s Linking the growing interest in shamanism to the rise of anti modernism in Western culture and intellectual life Znamenski examines the role that anthropology psychology environmentalism and Native

Americana have played in the emergence of neo shamanism He discusses the sources that inspire Western neo shamans and seeks to explain why lately many of these spiritual seekers have increasingly moved away from non Western tradition to European folklore A work of intellectual discovery The Beauty of the Primitive shows how scholars writers and spiritual seekers shape their writings and experiences to suit contemporary cultural ideological and spiritual needs With its interdisciplinary approach and engaging style it promises to be the definitive account of this neglected strand of intellectual history Logical and Spiritual Reflections Avi Sion,2008-04-15 Logical and Spiritual Reflections is a collection of six shorter philosophical works including Hume s Problems with Induction A Short Critique of Kant s Unreason In Defense of Aristotle s Laws of Thought More Meditations Zen Judaism No to Sodom *No More Secrets* Jairus Douglas,2015-12-30 No More Secrets takes you inside the mind and life of a former full blown sex addict as well as the history of sex addiction from its origins in biblical history to the present highlighting its prevalence in every institution of modern society with vivid narrative accounts The accounts are followed by practical lessons in which the reader sharpens his or her understanding of the life saving principles depicted by the accompanying autobiographical narratives Jarius Douglas is devoted to debunking the commonly held romantic notions of unbridled sexual impulse by exposing to the church and to the world the inconspicuous symptoms and imminent spiritual dangers of being sexually addicted He believes the secret of sex addiction has spiritually infected the lives of many for far too long but now this spiritual ailment and long held secret must face its demise No More Secrets lists all the commonly and uncommonly known forms of sex addiction and divinely instructs the reader through eight biblical principles that guide the reader to a well tried and proven antidote Jesus Christ *Deliverance and Spiritual Warfare Manual* John Eckhardt,2014 Identifies specific demons spirits strongholds and other elements of darkness and offers biblical teachings and strategies for defeating them and achieving self deliverance *The spiritual diary of Emanuel Swedenborg, Tr. by G.
