Spiritual Realities The Breath Of God In Us:

Spiritual Realities: The breath of God in us Harold R. Eberle, 1997 The Body Teaches the Soul Justin Whitmel Earley, 2025-10-28 Your body is more spiritual than you think How can we preach a gospel of peace yet still find our bodies wracked by anxiety How do we call our bodies temples of the Holy Spirit yet regard eating exercise or sleep as inherently unspiritual activities How is it that modern Christians who claim God made their bodies have come to care so little about them Justin Whitmel Earley bestselling author of *The Common Rule* and *Habits of the Household* is intimately familiar with the consequences of ignoring the body As a young lawyer Earley collapsed into anxiety and insomnia that nearly ruined his life In his journey back to mental and spiritual health he realized that the healthy and unhealthy habits shaping his life weren't physical or spiritual they were physical and spiritual *The Body Teaches the Soul* is a practical guide to the union of body and spirit in our overall health With his characteristic vulnerability and story driven approach Earley shares personal failures fascinating research and biblical wisdom to reveal ten simple habits that will improve your health and deepen your relationship with God In these pages you will Connect deeply and positively with your body as the image of God while avoiding the mistakes of ignoring or idolizing the body Explore how daily patterns of healthy eating can be as spiritual as fasting and how rhythms of feasting can become guilt free celebrations of the world God made Recover your mental health through upper brain spiritual truths that work together with lower brain physical practices to reshape thought patterns Develop a sleep routine that honors your body's need for rest and your soul's need for sabbath Discover how to lament sickness and injury while still praying with hope for the miracle of healing Learn how exercise can create a humble lifestyle of loving others with your body instead of becoming a vain search for body image Earley is not a health guru telling you how to get in shape he is the ordinary Christian's guide to rediscovering the extraordinary gift of the body and the spiritual life that flows from it Join this journey of wonder and well being to reconnect with your whole self and repattern your whole life in the image of the God who made you and loves you as you are body and soul **Get Real** Michael Hickey, 2012-02-16 From the Preface Get real was a slang term that became popular in the 1960's when Michael Hickey was growing up in East Boston It implied that someone wasn't in touch with reality and had to change their way of thinking or living If you put on the television today all you might find is one of the hundreds of so called reality TV shows More often than not these reality shows are illusions of reality because the real persons utilized as actors performers are seemingly coached to act in certain ways by the directors judges or producers who really control the reality Nonetheless reality TV is a modern phenomenon people watch it constantly and that does indicate a high degree of the public's interest in some concept of reality As for mystery it seems we are approaching an age where there will be the death of mystery and we will have only reality Hickey believes this is because the vast majority of the populace doesn't view reality in the context of mystery They imagine mystery to be something which is just obscure or ambiguous which given enough time will be solved by reason and logic and become

reality Hickey's goal is that Get Real will give the reader a fresh understanding of both reality and mystery as seen from a theological and philosophical viewpoint Ultimately he intends the reader to move beyond the perceived duality in order to establish that mystery is truly the home of all reality *Hearing God in Battle* Paris Davis, 2007-08 Hearing God in the Battle explores many of the strategies and tools that are available to Christians because of their relationship with the King Practical Life Enjoying the Riches of Christ for the Building Up of the Church as the Body of Christ Witness Lee, 2000-04

The Subjective Aspect of the Truths in the Bible Witness Lee, 2024-05-01 Every basic revelation in the Bible has two aspects the objective aspect and the subjective aspect Both aspects are needed for the building up of the Body of Christ which fulfills God's eternal purpose Seeing the truths in the Scriptures only in the objective aspect is not sufficient For many centuries God's enemy Satan has worked in a subtle way to blind God's people from seeing the truth in its subjective aspect This is because he realizes that once the believers enter into the subjective aspect of the truth the Body of Christ will be produced and God's purpose will be fulfilled I am burdened to show all the Lord's children the solid revelation concerning the subjective truths in the Bible so that whenever they hear any speaking that opposes the genuine subjective experiences in life and encourages them to care only for doctrine they will have a solid foundation on which to stand against such speaking

The Ministry of the Word, Vol. 24, No. 03 Various Authors, 2020-03-01 This issue of *The Ministry of the Word* contains the first seven messages given during the Fall 2019 term of the full time training in Anaheim California The general subject of this series of messages is *The Christian Life* A Christian is one with Christ and belongs to Christ has Christ's life and nature and lives by Christ and lives Christ The Christian life is a life in which the believers live Christ and magnify Christ the One who has the unique eternal life and who is the center of the Divine Trinity and the embodiment of the Triune God God desires that the divine life and the human life be joined to become one life this oneness is a union in life The Christian life is not an exchanged life the exchange of a lower life for a higher one but a grafted

life the grafting of the redeemed human life into the divine life and the mingling of the human life with the divine life Through this grafting we are united mingled and incorporated with Christ to become in Him an enlarged universal divine and human incorporation the Body of Christ which consummates the New Jerusalem We need to increase in the excellency of the knowledge of the all inclusive unsearchably rich Christ who wants to live His life in us Christ is the will of God man the unique One who seeks the Father's will the One who lives in the reality of the kingdom of the heavens the reality of God man a man under authority the One who was obedient unto death and the Triune God man The genuine Christian life is a life filled with the processed and consummated Triune God The Triune God processed and consummated in the divine economy is the contents of the Christian life In order to understand what the Christian life is we need to see a vision of the all inclusive indwelling Spirit as the consummation of the processed and consummated Triune God We need to realize that the Triune God has been processed and consummated to be the all inclusive indwelling Spirit The normal Christian life depends upon our knowing and experiencing the all inclusive indwelling Spirit as breath The consummated Spirit as the breath is everything to us in living the Christian life only the breath the Spirit can be a Christian The Triune God in Christ is life to us by shining in our hearts In the Bible there is a close inseparable connection between light and life If we want to grow in life we need more of the light of life The gospel is the gospel of the glory of God which shines in the human heart begetting life through regeneration in our spirit The more we exercise our spirit to contact Christ who is life the more light we receive Then as light shines through the Word fellowship and ministry spontaneously more life comes forth This is the cycle of the Christian life in the experience and growth in life The illumination of the knowledge of the glory of God is in the face of Jesus Christ this indicates that the gospel of the glory of Christ is a lovely person in whose face we can see the glory of God Through the illumination of the gospel of the glory of Christ the Christ of glory as the excellent treasure is received by the believers now the shining reality of Christ the embodiment and expression of the Triune God is the treasure within us The Spirit of reality guides us into all the divine reality which is the Triune God and His word Through the Spirit the reality of the Triune God is transmitted into us thus the reality into which the Spirit guides us is the reality of the Triune God As the Spirit of reality guides us into the divine reality by transmitting this reality into us the divine reality the processed and consummated Triune God becomes the constituent of our being The Christian life comes out of such a constituting work of the Spirit The Spirit has been commissioned by the Godhead in His Trinity to come to function by applying what God the Son Christ has accomplished according to what God the Father has planned in His economy The New Testament reveals various functions of the all inclusive Spirit in the Christian life The all inclusive Spirit gives life to the believers sanctifies the believers saturating all the inward parts of their being with God's nature of holiness renews the believers transforms the believers searches and reveals to the believers all things concerning Christ as the depths of God becomes the joy in the believers for the kingdom of God and becomes the essence for the organic building up of the Body of Christ which building up is the total function of the all

inclusive Spirit dwelling in all of us To live the Christian life we need to have a vision of the seven aspects of Christ s person and work in His all inclusive death In His all inclusive death Christ was the Lamb of God taking away the sin of the world died as a man in the flesh causing sin to be condemned in the flesh by God was the last Adam causing the old man to be crucified was the Firstborn of all creation terminating the old creation was the reality of the bronze serpent destroying the devil who has the might of death died as the Peace maker and died as a grain of wheat falling into the ground for the release of the divine life to produce many grains The Reports and Announcements sections contains an Update on Rhema Mass Distribution in India Also included is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
