America in Perspective Andrew S. Weeks,2000-08 Numerous books and pamphlets have been written on what the author calls the American theme However many of these publications are nothing more than a synopsis of American tragedy and government corruption This book has a larger more ideal ambition says the author In the truest sense America in Perspective is not as much a book about what s wrong with America as it is a book about what s right or will be right with America America in Perspective is a catchy book different than the masses The author writes of America

s past present and future as seen through a religious perspective Though primarily LDS Latter day Saint or Mormon oriented America in Perspective can inspire anyone who has even an inkling of American patriotism With numerous quotes from scripture past and present religious authorities political leaders and other sources America in Perspective is a classy book that fills a contemporary need **You Can Survive!** Jere Franklin,2018-06-28 A plea appears in USA Today from a concerned young father Does anyone care anymore Will someone please please help me save my son Edward Moats Tarpon Springs FL A young boy leaves a message Hey This is an 11 year old kid named Jacob One of my friends was driving by and found this book on the ground They picked it up It said You Can Survive by Jere Franklin They gave me the book I have read this book over and over and over It just speaks to me There s a lot of problems going on in my family like my Dad is gone and other stuff obvious emotional turmoil in Jacob s unsteady voice ending in a heavy sigh I just wanted to thank you for your book It really means a lot to me If there was a plan whereby you could avoid most disasters wouldn t you want to know about it If you would then you need to read this book It includes chapters on the joys of country living medical preparation for the end time wilderness survival log cabin building a garden to kitchen cookbook a financial plan and inspirational stories of faith In the near future this information will be invaluable Any reader who applies himself diligently to this book will be rewarded and uplifted A sincere and practical outline for survival and revival Lincoln Steed Editor Liberty magazine A Word from Above John P. Victims Richard Eyring Turley, 1992 Three pipe bombs exploded in Salt Lake County in 1985 killing two people Behind the murders lay a vast forgery scheme aimed at dozens of other victims most prominently the Church of Jesus Christ of Latter day Saints Mark Hofmann a master forger went to prison for the murders He had bilked the church document dealers and collectors of hundreds of thousands of dollars over several years while attempting to alter Mormon history Other false documents of Americana still circulate The crimes garnered intense media interest spawning books TV and radio programs and myriad newspaper and magazine articles *Victims* is a thoughtful corrective to the more sensationalized accounts More important Richard Turley adds substantially to the record with previously unavailable church documentation and exclusive interviews with church officials giving this book greater depth and resonance He also goes beyond the Hofmann case illustrating how forgeries have hampered the church s efforts to document its history *Victims* includes a complete appendix of every known document the church acquired from Hofmann reviews of trial transcripts and police reports as well as dozens of photographs some never before published Turley who gave up the practice of law to become a historian has managed the delicate task of exposing the myths and complexities of this case with skill and objectivity His unique access to church documents and personnel together with his understanding of the legal system and Mormon history afforded him an unparalleled view of how the case affected the church as well as the many others who were involved *Victims* will fascinate anyone who does archival work who cares about the historical record or who likes to read compelling mystery

A Travesty and a Triumph of Love Sandra Stacey Rivero, 2012-11 Raised in a biased family where wrath ruled finally settling into the arms of her high school sweetheart in matrimony only to later be torn apart by a devastating divorce came his confession of a long held secret only years after their blessed reconciliation and conversion to the Church of Jesus Christ of Latter Day Saints *A Travesty and a Triumph of Love* is an odyssey in faith and learning as one LDS convert comes to work with the Lord Himself to find the son she never knew

God's Holiness vs. Man's Lawlessness Carl Barrett, 2023-09-19 We will always obey our Lord at all costs This is the opposite of the spirit of lawlessness which despises authority and cultivates chaos division and destruction And there is no doubt that lawless and unrighteous acts are on the rise throughout this country In a time when unholiness is rampant in our homes schools communities churches and abroad there are alarming concerns about these escalating acts If we re not students of God s word growing in his grace and love as believers we can find ourselves vulnerable to the rise of unholiness because it can distort our minds heart and attitude It s important that God s children are on the front line in pursuing God s most divine nature of holiness and living as intentional followers of Christ Because make no mistake God the Father Christ the Son and the Holy Spirit are not pleased with all the unholy practices saturating our

lives They are calling believers to intercede in the gap and bridge God's holiness in people's lives As devout Christians we are needed more than ever because an intense battle of spiritual warfare is spreading where evil is trying to take over and we cannot allow this to happen
