Spiritual Unfoldment 4 The Path To The Light:

Vision and Leadership in Sustainable Development Chris Maser,1998-08-18 Effective leadership or lack of it makes a critical difference in the conception implementation and endurance of community endeavors In his travels as an environmental consultant and lecturer Chris Maser has seen the dilemma many times I have taken part in so called community visioning processes in which it was patently clear that the people conducting the process knew nothing about a vision or how to create one It has been my experience that the vast majority of people cannot lead because they do not know what the inner qualities of leadership are Vision and Leadership in Sustainable Development explores the seldom considered philosophical basis behind the models and methods of leadership pointing the way to the essential qualities it takes to establish a shared vision of community life Divided into two parts shared vision and leadership Maser explores numerous issues and considerations to cultivate well rounded leadership and provide a more substantive blueprint for local activism As with the previous and forthcoming volumes in the Sustainable Community Development series Maser recognizes the increasing importance of local communities to take charge of the issues most directly affecting the environment The National Spiritualist Summit ,2000 *The Theosophical Path* Katherine Augusta Westcott Tingley,1925 **My Spiritual Journey into Christ Consciousness** Gilbert Andres Esquibel,2015-09-17 The spiritual journey is an experience of the deepest darkest side of ourselves and the highest and most sacred truth of who we are In this book I have written about my experiences of both which eventually brought me to a state of Christ Consciousness I have also shared the wisdom I have gained along the way We are in the most amazing time on earth a time of mass spiritual awakening along with the evolution of mother earth herself to a higher frequency I have written this book with the intention of reaching out to light workers who are still asleep and those who are just waking up It is critical that all light workers fulfill the mission for which we have come to earth to do in this period of transformation I accept that this book will be a light on the path for those it is intended to reach I honor all who are walking this path and making the way easier for those souls who are to follow Activating the Light in the Lord's Prayer Margareth Lee,2002-10-01 Your guide to the priceless pearl the life of God realization and knowledge of divine Truth Letting go of your limited self definition brings with it an abundance of health peace joy miracles satisfying work and activities prosperity a wonderful home honor and gratitude wisdom knowledge affection from all love which you receive and give and flows through you like an almost tangible energy **The Complete Idiot's Guide to Yoga** Joan Budilovsky,Eve Adamson,2003-02-05 This book is for anyone interested in health fitness or the healing arts It teaches you the basics of stretching breathing and meditation with exercises designed to help you relax become more flexible more productive and more self satisfied *Talks on the Path of Occultism* Annie Besant,Charles Webster Leadbeater,1926
