But first what happened to you
How the gold has lost its luster the fine gold become dull
The sacred gems are scattered at every street corner
How the precious children of Zion once worth their weight in gold are now considered as pots of clay the work of a potter's hands
Lamentations 4:1-2

What happened to your real life
The one you were created to live
The one you used to dream about
The one you probably still dream about
Take a moment to think back and reflect on the things you were going to do the person you longed to be the promise of a healthy wealthy joyful life full to overflowing with wonderful things
If you're like most people you're not living that life right now
If that's the case how did you become tarnished
What happened to you
It wasn't always like this
When you started out in life you had direction you had energy you had purpose and you had momentum
You started out like a powerful jetliner ready for take off
The runway stretched out before you straight clear open and inviting
Air traffic control gave you the all clear
You were moving along at a good pace your whole future ahead of you
Then all of a sudden you suffered an unexpected loss of power
Now you're unable to take off
You're stuck on the runway your dreams a distant memory
So what happened
How did you worth your weight in gold lose your glitter and become tainted and dull
Is it possible that the enemy has become involved stealing from you killing your ideas and dreams and destroying your life
Is there an unseen force that always seems to locate you and cause you to stumble just when you are about to experience your big break
It happens again and again and again
And you've come to accept this as your lot the story of your life
But there's hope
Help is at hand
Scripture and experience give us powerful principles and truths that can make a difference in our lives
Discover the ONLY way to truly CHANGE from the Inside Out
Experience the power and authority that come from Fighting FROM Victory Not for Victory and CHANGE your life forever
