*How to Heal from Psychic Attack* Nita Hickok, 2014-10-14 The Problem Solvers Alphabet was invented to help victims of psychic attack and spiritual problems The Glyphs are an easy method that can be used by anyone to help themselves and others to be healed The magical system developed in the Problem Solvers Alphabet combines Hermetic Magic Gematria and magical alphabets as utilized by many ancient cultures You will be taught how to energize your own magical creations in such a way as to key into the vibrations colors and images of the glyphs and akashic gemstones all based on tested ancient wisdom updated and developed for students in a new magical age The alphabet is an integral part of my system to stop negative energies from harming you or others Testimonials A good book is often plainly written when the writer writes from experience from a gentle kindness that wishes not to impress but to be understood A good book of wisdom is often plainer still for the words are not the writer's own and the work itself is alive The Problem Solver's Alphabet is both elegantly simple and alive with magic As Nita Hickok found so many of us in our darkest hour may this book find you in yours Bill I found Nita through Robert Bruce's book I was starting to experience a real slate of bad luck no money bad guy and

magical workings from others on me People say these things don't exist I am a pretty sane person I can tell you they do exist I experienced some dreadful stuff and money especially was extremely scarce I almost lost my home I contacted Nita and she could see right away that the guy I was associated with had some bad stuff on him and it was affecting me very badly She also alerted me to her book the Problem Solvers's Alphabet I found this extremely useful Nita was very helpful kind generous with her help and information She was always concerned showed a genuine interest in helping me to solve my problems Fight magic with magic is how I put it I am finally coming through that harsh time and it is because of Nita's help She is the real deal But one thing is as Nita will say you have got to help yourself as well If you have psychological problems then you must seek some outside help like psychotherapy or counselling You can protect yourself but you have to deal with the issues that caused the problem too Like why was I ever associated with such a person How am I making decisions You have to work on yourself and Nita does say that Thank you Nita for your help in not only teaching me but showing me how to take care of myself You are a real gift and I treasure you God Bless you lovely lady Thank you Nita Patty Turner I first met Nita when she agreed to assist me with a personal issue I was experiencing with psychic attacks Since then I have realized more and more that her greatest gift is the amount of love she gives and offers to those in need My spiritual journey has now taken a different path to that of hermetics However I have never doubted that Nita has the energy of a healer and will bring her gifts and insights to many people now and in the future Nita is a humble person free from the attitude that often accompanies gifted healers I recommend her whole heartedly because I trust her That is the biggest compliment I could give anyone
