Spiritual Direction and Mid-Life Development Raymond Studzinski, 1985-04-01 *Changing Life Patterns* Elizabeth Liebert, 1992 Looks at the process of spiritual direction through contemporary research on understanding of adult development and the predictable crises of transitions *The Spiritual Development of Adults in Mid-life and Spiritual Direction* Israel Galindo, 1987 *Mid-life* Mary Noel Aranjaniyil, 2002 Though some women including women religious look at the mid life years as a period of crisis I believe mid life can be a period of transition and spiritual growth and an opportunity to continue one's spiritual journey toward wholeness The purpose of this pastoral research is to look at religious women in mid life and examine the relationship between mid life and their spiritual journey The first part of the pastoral project application was an in depth study through a series of questions and responses The personal experiences and interviews helped me to identify the issues some religious face during their mid life transitions Based on the literature review and interviews the second part of the pastoral project developed a series of seminars for Franciscan Clarist Sisters who live in the Twin Cities area The consensus of participants was that mid life is a period of transition spiritual growth and a normal developmental life stage The mid life transition is a process and during this time a woman religious may be able to grow toward psychological and spiritual wholeness Since prayer and community life are the core of religious life the seminar participants agreed to support each other in prayer and spiritual life and provide opportunities for spiritual direction and necessary resources for our Sisters during their mid life years Page 6 Contemplation and Midlife Crisis Rosemarie Carfagna, 2008 This book helps the reader in midlife crisis frame his/her experience in spiritual contemplative terms and thereby provides a wider context in which to understand and eventually accept it Aging and God Harold George Koenig, 1994 This important book examines the relationship between religion and mental health throughout the life cycle with a special emphasis on later life It asserts that successful aging is possible regardless of physical health or environmental circumstances and that religious beliefs and behaviors may facilitate successful aging Aging and God thoroughly examines the effects of religion and mental health on aging and provides a centralized resource of up to date references of research in the field It focuses on recent findings theoretical issues and implications for clinical practice and contains ideas for further research In Aging and God you'll also find information on project design that can help you develop grant applications and carry out studies Aging and God is a helpful book for both mental health and religious professionals It helps mental health specialists better understand the spiritual needs of older adults and the impact that religion can have on facilitating mental health It also describes how religion can be utilized in clinical practice and integrated into psychotherapeutic approaches to older patients The book brings religious professionals current knowledge of the major psychological problems that older

adults face and how religion can be used to help alleviate these problems Full of pertinent information Aging and God addresses theoretical aspects of human development focusing on cognitive moral and religious faith development examines situations and disorders of particular concern to older persons and looks at how religion can be used as a resource applies research findings to the problem of meeting the spiritual and mental health needs of elders with chronic or acute health problems provides an in depth look at end of life issues such as physician assisted suicide Hospital and nursing home chaplains will find this book informative and encouraging as will gerontologists hospital administrators and community clergy faced with increasingly older congregations It gives mental health professionals new strategies to help improve the later years of older adults and makes an excellent text for courses on religion mental health and aging Middle aged and older adults as well as their families will also find Aging and God enjoyable and inspiring as they attempt to grapple with the myriad adjustment and coping problems associated with aging

Threshold of Discovery L. Roger Owens, 2019-01-17 Thoughtful exploration of midlife spirituality through the prism of nature walks Roger Owens facing a dark night of the soul as he turned forty and entered midlife was encouraged by his spiritual director to think of it instead as a threshold of discovery Rather than go on a grand adventure like walking the Appalachian Trail or the Camino de Santiago he decided to mark his fortieth year by taking forty walks in a nearby nature preserve With patience and attention he explored the concerns rising with him the inevitability of death his boredom with life and the reality of his changing faith changing images of God and changing sense of self The result is forty short chapters that weave together insightful stories of his walks with accessible history and practices of Christian spirituality and the lives of saints This field guide to the spirituality of midlife facilitates readers personal journeys through questions of faith purpose and relationships It is not solely a memoir but a work of wisdom literature that uses engaging first person narratives to explore universal themes and spiritual inquiry Wise and imaginative and with study questions for each section Threshold of Discovery is the companion guide for a thoughtful Christian journey

Spiritual Direction Ruffing, Janet K., RSM, 2000 Explores issues that arise in the advanced stages of spiritual direction from both a practical and theoretical perspective

Soul Maps Mardi Tindal, 2002-12-01 An easy conversational book that takes on the major issues of midlife including family relationships social responsibility and spiritual practices An ideal resource for individual reflection or adult study groups

Discerning Life Transitions Dwight H. Judy, 2010-10-01 Every one of us will experience several major life changes over the course of adulthood Each of these transitions will be marked by external changes such as change of location career changes promotions or job losses plus changes in family circumstances including births marriage and death These transitions are also marked by inner change since most of us readily examine our faith life and relationship with God during such periods This book helps people examine both the outward and the inward dimensions of major life changes This blend of interior examination and attention to practical issues is shown in the questions that set the stage for the discernment process What theme or themes do you bring

to this process of discernment What details would be necessary to know in order to discern an outcome What are the financial implications What are the implications for family members or others close to you What information do you need to start gathering

Mid-life Janice Brewi, Anne Brennan, 1985

Toward Holy Ground Margaret Guenther, 1995-01-25 The second half of life which we can enter at any age is that time when we begin the process essential to a mature faith discovering who we are exploring our relationship with God and beginning to let go This part of life has a depth and spirituality all its own a need for structure and rule a tolerance of ambiguity an exploration of limitation and mortality and the deep work of discipline and detachment Margaret Guenther brings her insights as a spiritual director to the gifts and opportunities of those of us who are on this journey to holy ground In each chapter Toward Holy Ground explores the practical aspects of spirituality in midlife intercessory prayer a sense of community a rule of life lightheartedness detachment and stripping down preparing for a good death A final chapter discusses practical aspects of ministry to the frail aged

The Spiritual Challenge of Midlife Anselm Grun, 2006 In this concise volume the world renowned spiritual master Anselm Grun invites readers to understand the twofold nature of midlife on the one hand it is associated with a variety of problems or crises On the other it provides powerful opportunities for spiritual growth This challenge which is an inevitable work of God's grace is an invitation into the fullness of our vocation Anselm Grun brings together ancient and modern thought including the spirituality of the medieval mystic Johannes Tauler and the psychology of Carl Jung in order to foster greater self understanding during midlife
