*Spiritual Discernment and Politics* J. B. Libanio, 2003-02-20 This is not a book for the book taster Those who are however really committed to relating their theology of justice to concrete sociopolitical options will be thankful for it As clear insightful and biblically faithful a piece of writing on hermeneutics as I have recently seen Alfred Krass author of *Evangelizing Neo Pagan North America* North American Christians can benefit from Libanio's approach to discernment and politics Particularly helpful are the sections that analyze our current situation I too believe that religious acts carry a political meaning and their meaning is perverted if they publicize or confirm instances of injustice or exploitation The religious witness must be critical of the dominant ideology which is described as economic transcendence glorifying those already rich while oppressing the poor majority Religious groups who enter the discernment Libanio suggests will risk the pain of conversion and the resistance of those satisfied with the status quo Carol Coston OP Executive Director Network

McAfee Brown draws extensively on Gutierrez's own writings some never published in English and on personal conversations with him Brown clearly and compellingly presents the basics of liberation theology and the differences between North American and Latin American theologies The form of Gustavo Gutierrez is that of a drama Brown's initial program notes introduce and situate the author the actors the critics He sets the stage with a history of church and state in Latin America and introduces its definitive figures themes and milestones A collective biography of Gutierrez's spiritual predecessors is followed by a biography of Gutierrez himself which takes critical account of his works Then we are ready dramatically and theologically to move to the first act that of commitment to the poor The second act in two scenes explores first liberation theology's method of critical reflection on praxis and also its content nothing less than the Word of God Brown delves next into the controversies and criticisms Gutierrez faces especially the challenges from authorities in Rome Finally in act three readers discover that in this particular drama they too are on stage and must take part by reflecting on what this drama really means for them
