McKenna,2023-06-08 Do you feel as if you have been burned by the church and its institutions Or have you stayed away for fear of being burned In either case you are not alone Confidence in the church and its institutions has plummeted since the turn of the century especially among the younger generation The rush to judgment is premature In David McKenna s growing years he had to go through the hoops and

hurdles of a radical holiness tabernacle At the time the human standards were odious But now from the perspective of seventy years or more he can see how the threads of grace were being woven together into the whole cloth of God s perfect will for his life With confidence then he only asks that this young generation give the church a chance It is imperfect but it is still an instrument of the grace of God With full candor and full confidence then McKenna offers his spiritual odyssey as witness to the triumphs of God s grace Continent ,1916 **The Spiritual Wisdom and Practices of Early**

Christianity Alphonse and Rachel Goettmann,2010-06-15 In this book we will consider the fundamental practices of the Christian experience They are backed by two thousand years of history and a sea of witnesses who down through the ages have journeyed on this path that has led them to the summits of wisdom and holiness The difficulty in the presentation of these methods is their inevitable and artificial juxtaposition when they only find their internal and organic coherence in the living Tradition They are all held together as in a living organism each element comes at a particular stage in a life that gravitates around its axis the Christ That is why we will use a method which will make it possible for the reader not to remain on the exterior as a spectator the repetition of key ideas This is a teaching in the form of a spiral an eating of the word where as in liturgical chants and the experiential method of Scripture we become that which we eat continually we are what we have just read rather than merely knowing it Each chapter is a new approach to the unique Reality Rather than addressing the intellect it speaks to the heart **John** Beth Moore,2008-09-01 Best selling author Beth Moore has a remarkable gift for
