Spiritual Flyfisher:

Fly Fishing—The Sacred Art Rabbi Eric Eisenkramer, Rev. Micheal Attas, MD, 2012-04-01 Discover the spiritual potential hidden in every cast of the fly rod For us fly fishing is about more than catching fish We have been skunked on the stream too many times to count and stood shivering in our waders in 45 degree water long after sundown Yet every chance we get we head back to the river in search of trout and something more from Rabbi Eric's Introduction Early in my fly fishing career I remember telling a friend that there is so much to learn Some forty years later that is still true Every trip I learn something new about rivers fish and the natural world Most importantly I learn something new about myself Every encounter with the waters of our planet draws me deeper into who I am and who I want to become from Reverend Mike's Introduction In this unique exploration of fly fishing as a spiritual practice an Episcopal priest and a rabbi share what fly fishing has to teach us about reflection awe and the wonder of the natural world the benefits of solitude the blessing of community and the search for the Divine Tapping the wisdom in the Christian and Jewish traditions and their own geographically diverse experiences on the water they show how time spent on the stream can help you navigate the currents and eddies of your own inner journey *The Spirituality of Fly Fishing* Jody Martin, 2016-03-21 Nearly everyone who has picked up a fly rod has experienced the otherness of fly fishing its inherent beauty its sense of calm and purpose its power to heal Fly fishing is for many men and women a deeply meaningful and spiritual activity In this sensitive and beautiful volume Jody Martin addresses that spirituality directly introducing fly fishing to beginners and offering it as a form of ministry to anyone who might wish to teach the sport as part of a spiritual or therapeutic program *The Spirituality of Fly Fishing* is simultaneously a concise primer demystifying and clearly explaining what is basically a simple sport and a paean to the higher powers that drive us all Replete with quotes and writings from a wide variety of authors and faith traditions this slim book has been endorsed by Project Healing Waters Fly Fishing Casting for Recovery Reel Recovery and Joey's Foundation all of which use fly fishing as part of a healing or mentoring program Proceeds from the book support both Project Healing Waters and Casting for Recovery Tastefully illustrated with stunning photographs and paintings by some of today's foremost artists including John Juracek Ken Takata Matt Shaw James Nelson Tony Czech Louis Cahill and Joseph Tomelleri the book is far more than just another entry into the world of how to do it fly fishing books *The Spirituality of Fly Fishing* serves as an introduction an offering and a benchmark for anyone who might wish to dive deeper into the streams of spirituality that nourish our souls No fly fisher should be without this book in his or her library from Morgan Creek Publications **Zen in the Art of Flyfishing** Henry S. Butler, 2006-06 The art of fly fishing is inherently a spiritual practice This book explains the how and why Zen is not philosophy nor is it mystical It is simply direct action in the present moment Learn how this incredible adventure can transform your life and society as well Fly Rod and Reel magazine calls Henry a haiku master His work has appeared in Popular Photography Petersen's Photographic and National Geographic Traveler Any and all profit from the sale of this book

DeMoux,2007

Fly-Fish Better Art Scheck,2005-07-21 Solve or avoid common fly fishing problems make the best use of tackle and catch more fish The best rod for the job matching the line weight to the rod for particular situations knot tying clear photos show how it s done hooks and sharpening coping with tiny flies fishing the salt releasing fish After busting more than half a mile of tippet material testing various connections Art Scheck has come up with the best rigging methods for freshwater fly fishing whether you want to keep things as simple as possible or build a rig with the greatest strength But tackle is just one of the many areas he covers in this fly fishing guide He also hits on techniques and methods for using various types of flies the whereabouts of fish and the general kinds of foods they eat between hatches and all sorts of tricks that can make fly fishing less frustrating and more fun **Flyfisher's Guide to Wisconsin & Iowa** John Motoviloff,2006-09 **A Flyfisher's World** Nick Lyons,2013-06-01 This ample selection of articles and essays by one of America s most popular writers about fly fishing begins with a moment on Michigan s Au Sable River the exact moment when the author lost his heart to fly fishing This collection chronicles a fishing life punctuated by a revealing trip with one of his grown sons and mellow reflections from a hospital bed This is the broadest of Nick Lyons s books with sections on tarpon and pike fishing in the Marquesas and in France bass bugging on a small Connecticut pond and trout fishing on unnamed creeks and blue ribbon western rivers as well as reflections on such aspects of the sport as the flies that are the underpinning of it all the pursuit of records the odd characters he s met along the way and the increasing challenge of crowds who pursue this ever popular sport By turns canny hilarious inquiring and philosophic *A Flyfisher s World* is an impressive addition to Nick Lyons s important body of writing about fly fishing *The Spiritual Flyfisher* B. Anthony Varga,1997-01-01 Don t let the word spiritual in the title fool you into thinking Varga s book is a new age tract This little essay is perceptive full of insight and sly humor **Backcasts** Samuel

Snyder, Bryon Borgelt, Elizabeth Tobey, 2016-07-11 Many of us probably would be better fishermen if we did not spend so much time watching and waiting for the world to become perfect Norman Maclean Though Maclean writes of an age old focus of all anglers the day's catch he may as well be speaking to another deeper accomplishment of the best fishermen and fisherwomen the preservation of natural resources Backcasts celebrates this centuries old confluence of fly fishing and conservation However religious however patiently spiritual the tying and casting of the fly may be no angler wishes to wade into rivers of industrial runoff or cast into waters devoid of fish or full of invasive species like the Asian carp So it comes as no surprise that those who fish have long played an active foundational role in the preservation management and restoration of the world's coldwater fisheries With sections covering the history of fly fishing the sport's global evolution from the rivers of South Africa to Japan the journeys of both native and nonnative trout and the work of conservation organizations such as the Federation of Fly Fishers and Trout Unlimited Backcasts casts wide Highlighting the historical significance of outdoor recreation and sports to conservation in a collection important for fly anglers and scholars of fisheries ecology conservation history and environmental ethics Backcasts explores both the problems anglers and their organizations face and how they might serve as models of conservation in the individual trout streams watersheds and landscapes through which these waters flow
