**The Cure for Today's Dying Church** Dr. Meyer Janse Van Rensburg, 2018-03-23 The church is in the desert today The arid conditions existing in the church leave the people parched thirsty and longing for refreshing Many church leaders do not know how to get the spiritual water for themselves and therefore they cannot lead God's people into the Promised Land of true fellowship and discipleship This sad state of the church causes many church buildings to stand empty because people are tired of church leaders committing gross indecencies and leading people astray with messages that tickle their ears or boring them to tears with sermons that contain no life changing truths In The Wellspring of Life Why the Church is Dying of Thirst Dr Meyer van Rensburg addresses the issue by pointing out many of the mistakes that have been made from spraying people with Doom insecticide in Africa to church leaders refusing to be criticised because they see themselves as little gods as well as the vacuous Sunday services that leave people in the same state that they came to church instead of inspiring them and changing their lives The church is dying of thirst in the desert and the condition can only be treated by discovering the living water to quench that thirst Too many church leaders do not know how to hear the voice of God and therefore cannot lead people to the living water By following the listing of the well in the Bible from Genesis to Revelation this book demonstrates that the church needs the living water the Wellspring of Life provides Each mention of the well is dealt with separately to show the significance of what is revealed there to prove how these Scriptures were specifically put in this order to provide a systematic study of the importance of the well to the church and to point out the mistakes people in the church make For instance with Hagar the fact that the well existed in the desert is first explored and then the fact that it had to be revealed for her to see it Many people live next to the Well but it has never been revealed to them that it can change their lives

Further revelations follow with each mention of the well from Abraham Isaac and Jacob through to David and the prophets This continues to the New Testament and the Book of Revelation to show how God will provide for us if we can but follow His instructions regarding the Wellspring of Life The truths discovered are applied as lessons for the church today Pastors and ministry professionals will find this book illuminating as it covers new ground yet it is aimed at the church going public It can also serve as a handbook in colleges as it has many references and quotes yet it is not written in high academic language
