Spiritual Healing Poems And Meditations:

Spiritual Healing, Poems and Meditations Latonia Bibbs, 2005-04-01 Spiritual Healing is a book of poems and meditations written not only to heal but also to edify. It touches on relationships, marriage, friendship, and family, as well as the individual relationship with God. It also deals with the issues of abuse and self-worth. Through life's journeys, we all experience pain and hardships. It's in those times we have the tendency to focus on the negative and not the blessings and knowledge that come at the end of that journey. This book will remind you to keep the faith and focus on the positive, thus aiding you on the path to healing.

Fire Gate Poems Henry C. Finney, 2011-10-26 Fire Gate Poems: A Journey of Spiritual Healing presents a collection of poems and images that mark author Henry C. Finney's journey from grief to healing following the death of his son. Writing poetry and Zen meditation contributed greatly to his recovery from the unthinkable: the loss of a child. The verses and illustrations provide glimpses of the landscape he traversed during this journey: its darkest jungles of grief, its rolling hills of recovery, and finally its brilliant vistas of love and happiness. After a few verses from earlier years, origins, the poems articulate stages of Finney's return to life. They begin with reactions to the tragedy, abyss, continue with poems of return and renewal, and conclude with verses of wonder. His poetic images are enhanced by black and white renditions of his drawings, paintings, prints, and photographs. Finney's poems sing of life's mysteries, sorrows, and beauty; his art celebrates the world. His work demonstrates the healing powers of writing and art. The Lives of Grasses: Recovering from my deep frozen winter. I wander now amid a sea of grasses of new grown wild flowers where just last week I've lost track, snow lay deep. No path remains. Despite your absence, summer has secretly returned. No pretending, winter losses any more. I re
