Hollywood Priest Ellwood E. Kieser, 1991 In an autobiography that reads as compellingly as a novel by Andrew Greeley Father Bud Kieser tells the true story of his engagement with the contemporary world and of his personal battle with the demons of pride fear and sensuality 16 pages of black and white photographs Wisdom From the Margins William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price **My Life in a Salami Factory** Richard A. Money, 2011-11 Richard Money was ordained a Roman Catholic priest on March 14 1964 He married three years later on March 29 1967 Today he is a licensed Clinical Social Worker in the state of Missouri with a Masters in Counseling Psychology from Webster University a Clinical Hypnotherapist for 25 years and although retired still works part time in his private practice He has four children and six grandchildren a source of joy and a gift from the Lord In case anyone wonders they too have been Saved This is a tale of his spiritual and physical journey and events that he encountered as a renegade priest with some viewpoints and observations of religion and history Hopefully the reader will gain some insight into the world of spirituality for the years to come and will be motivated to have a closer connection to God and not to religion as such There are many questions asked but the answers are up to the reader **Fermanagh In Sight. The Fermanagh Highlands** , *My Life in a Salami Factory* Richard Money, 2015-01-07 *My Life in a Salami Factory* is a tale of his spiritual and physical journey and events that he encountered as a renegade priest with some viewpoints and observations of religion and history Hopefully the reader will gain some insight into the world of spirituality for the years to come and will be motivated to have a closer connection to God and not to religion as such There are many questions asked but the answers are up to the reader Richard Money doesn't expect *My Life in a Salami Factory* to be a record breaking novel In fact the only reason it is being written is because so many people have told Richard over the years that he has a book in him When is he going to get it out Well here it comes for better or for worse *My Life in a Salami Factory* is comprised of many incidents in his life that he believes may show not what he has done but what he has become with the Grace of God If you are looking for a religious experience we don't think you

will find it here although you may We are not making any promises My Life in a Salami Factory will stimulate the mind to see the real messages of Jesus What makes this book unique is the comparison of salami to all the ingredients of life and the events of a married priest after being married and the training of priests of sixty years ago If you are seeking the meaning of life and the working of the Holy Spirit this book will truly bring light into your life All people seeking the Holy Spirit in their lives this is for you Not only the religious but those on the fence as it were who may doubt the workings of God in their lives This book is to be a bridge between God and Man and to see the manifestations of God in our lives But whatever the case may be we are all salamis and are still being cured This is our life in THE SALAMI FACTORY **Whitaker's Books in Print**, 1998 *Yankee Priest* Edward Francis Murphy, 1952 **God Underneath** Edward L. Beck, 2002-07-16 A delightfully different approach to religion and spirituality this collection of engaging personal tales transcends specific doctrines to reveal the presence of God in everyday life Father Edward L Beck spins tales like a master presenting with candor and a touch of irreverence incidents and events that will resonate with readers Exploring such universal themes and concerns as friendship sexuality illness alcoholism loss and death the vignettes and stories in this collection are animated by intriguing characters pitch perfect dialogue and a surprising twist Probing beneath the surface of ordinary life each selection contains a hidden message a subtle but powerful reminder of the signposts that mark a spiritual journey Quotations from the Scriptures introduce the tales providing a context that will help readers uncover the meaning the story holds for their own personal lives and beliefs To encourage further reflection and rumination Beck offers insights into the specific religious and theological themes that inspired the writing of each tale A lively unabashed look at the challenges of living a spiritual life in contemporary times *God Underneath* will appeal not only to Catholics but to all spiritual seekers regardless of religious affiliation
