Spiritual Legacy Of John Foster Dulles:

The Spiritual Legacy of John Foster Dulles John Foster Dulles, 1960 **The spiritual legacy of John Foster Dulles**
John Foster Dulles, Henry Pitney van Dusen, 1972 **The Spiritual Legacy of John Foster Dulles** John Foster Dulles, 1960
The Spiritual Legacy of John Foster Dulles John Foster Dulles, 1960 *The Transformation of John Foster Dulles* Mark G. Toulouse, 1985

Was the John Foster Dulles who personified the Cold War as U S secretary of state in the 1950s the same man who denounced narrow nationalism as a leader of worldwide ecumenism and liberal Protestantism in the 1930s In this remarkable study Mark Toulouse documents the transformation of Dulles from prophet of realism to priest of nationalism overturning misconceptions of those historians who have tended to read Dulles s early years backward from what they know of him as secretary of state Christian missions and international diplomacy shaped John Foster Dulles from childhood His father was a liberal Presbyterian minister one grandfather had been a missionary to India while the other had served as U S secretary of state under Benjamin Harrison and an uncle would serve Woodrow Wilson in the same office As a Princeton undergraduate Dulles accompanied his grandfather to an international peace conference at The Hague in 1907 where he became a secretary to the Chinese delegation That experience and a year at the Sorbonne pointed Dulles toward international law rather than the ministry But he remained an active ecumenically minded Presbyterian lay leader serving in several important denominational posts He successfully defended the the controversial Harry Emerson Fosdick and Henry P Van Dusen before the Presbyterian General Assembly when fundamentalists attempted to depose them In 1921 Dulles was appointed to the newly formed Commission on International Justice and Goodwill of the Federal Council of Churches Dulles emerged as an international leader in 1937 at the ecumenical Oxford conference on life and work Convinced in his discussions there of the need to translate his inherited spiritual values into practical international diplomacy Dulles organized and became chairman of the Federal Council s Commission to Study the Bases of a Just and Durable Peace Through the years of world war and as a participant in the United Nations Conference in 1945 Dulles sought a peace that would transcend the narrow concerns of nationalism and political ideology But after 1945 as Professor Toulouse shows the prophetic realism that had guided Dulles s ecumenical quest for world peace and justice became a priestly nationalism that uncompromisingly pursued the international political aims of the United States in the name of a supreme moral law Toulouse s incisive analysis of that transformation is compelling reading for scholars of international diplomacy and American religion and for every person who seeks to reconcile the imperatives of religion with the necessities of statecraft

Building the Kingdom of God on Earth Martin Erdmann, 2005-03-31 In his book *Building the Kingdom of God on Earth* Dr Erdmann deals primarily with John Foster Dulles participation in the ecumenical movement from 1919 to 1945 Dulles role in shaping the religious economic and political policies of the Federal Council of Churches in its support of world order and peace especially in his function as chairman of the Commission on a Just and Durable Peace was crowned with success in the founding of the United

Nations Organisation in 1945 His personal friends Philip Kerr Lord Lothian and Lionel Curtis the principal leaders of the Round Table Group come into the pictures at various times By and large they pursued the same objectives as those of Dulles The book shows the detailed influence of the Round Table Group and its affiliated organisations such as the Royal Institute of International Affairs London and the Council for Foreign Relations New York City on the ecumenical movement using it successfully for their purpose of creating an international community of nations **Sword of the Spirit, Shield of Faith**

Andrew Preston, 2012-02-28 A richly detailed profoundly engrossing story of how religion has influenced American foreign relations told through the stories of the men and women from presidents to preachers who have plotted the country's course in the world Ever since John Winthrop argued that the Puritans new home would be a city upon a hill Americans role in the world has been shaped by their belief that God has something special in mind for them But this is a story that historians have mostly ignored Now in the first authoritative work on the subject Andrew Preston explores the major strains of religious fervor liberal and conservative pacifist and militant internationalist and isolationist that framed American thinking on international issues from the earliest colonial wars to the twenty first century He arrives at some startling conclusions among them Abraham Lincoln's use of religion in the Civil War became the model for subsequent wars of humanitarian intervention nineteenth century Protestant missionaries made up the first NGO to advance a global human rights agenda religious liberty was the centerpiece of Franklin Roosevelt's strategy to bring the United States into World War II From George Washington to George W Bush from the Puritans to the present from the colonial wars to the Cold War religion has been one of America's most powerful sources of ideas about the wider world When just days after 9 11 George W Bush described America as a prayerful nation a nation that prays to an almighty God for protection and for peace or when Barack Obama spoke of balancing the just war and the imperatives of a just peace in his Nobel Peace Prize acceptance speech they were echoing four hundred years of religious rhetoric Preston traces this echo back to its source **Sword of the Spirit Shield of Faith** is an unprecedented achievement no one has yet attempted such a bold synthesis of American history It is also a remarkable work of balance and fair mindedness about one of the most fraught subjects in America **The Papers of Dwight David**

Eisenhower Dwight David Eisenhower, 2003-04-30 The final set of volumes Vol 18 21 sold separately of The Papers of Dwight David Eisenhower contain 1 783 documents drawn from Eisenhower's second term as president from 20 January 1957 to 20 January 1961 Completing a monumental project that began with publication of The War Years in 1970 this final set of volumes of The Papers of Dwight David Eisenhower contains 1 783 documents drawn from Eisenhower's second term as president from 20 January 1957 to 20 January 1961 In these years Eisenhower worked hard to hold the focus of American national politics on the two major objectives he had set for his presidency in 1952 to sustain the policy of containment without precipitating a war with the Soviet Union and to reduce the role of the federal government in U S domestic affairs In both cases events at home and abroad intruded diverting attention to immediate problems endangering the peace and

forcing the White House to devote most of its leadership to the crises of the day As president during this tense period Eisenhower maintained an extensive and revealing correspondence with prominent individuals as well as with personal friends These letters together with the occasional entries made in his diary shed considerable light upon the major national concerns of the 1950s The volumes also include private and secret correspondence previously unavailable to scholars Some of these items have been only recently declassified and many appear here in print for the first time Taken as a whole the Eisenhower papers from 1957-61 provide firm documentary evidence of the manner in which Eisenhower dealt with the complex internal and external problems faced by all of our modern political leaders **A Certain Arrogance** George Michael Evica, 2011-02-01 Providing the first global cultural context for the assassination of John F Kennedy this investigation into how United States intelligence agencies and other entities manipulated liberal religious groups and educational institutions for ideological political and economic gain during the Cold War exposes numerous previously misunderstood political operations Including assassinations these projects include those facilitated by Allen Dulles John Foster Dulles the U S State Department the Office of Strategic Services and its successor the CIA and other individuals and groups Focusing on the manipulations of key individuals in the American Unitarian Association the Unitarian Service Committee and the Unitarian supported Albert Schweitzer College by covert American interests during the Cold War this exposé asserts that an unwitting Lee Harvey Oswald an asset and pawn of American intelligence was the ideal scapegoat in a tragically successful conspiracy to murder President Kennedy *Diplomacy and the Making of World Politics* Ole Jacob Sending, Vincent Pouliot, Iver B. Neumann, 2015-08-20 This book examines world politics through the lens of diplomatic practice It argues that many global phenomena of our time from the making of international law to the constitution of international public power through humanitarianism and the maintenance of global hierarchies are made possible and shaped by evolving forms of diplomacy The study of diplomacy is largely dominated by firsthand accounts and historical treaties with little effort at theoretical discussion This book shows how diplomatic studies can benefit from more explicit theorizing and argues that the study of world politics should pay more attention to what goes on in the diplomatic engine room of international politics

Imagining the Middle East Matthew F. Jacobs, 2011-09-12 As its interests have become deeply tied to the Middle East the United States has long sought to develop a usable understanding of the people politics and cultures of the region In *Imagining the Middle East* Matthew Jacobs illuminates how Americans ideas and perspectives about the region have shaped justified and sustained U S cultural economic military and political involvement there Jacobs examines the ways in which an informal network of academic business government and media specialists interpreted and shared their perceptions of the Middle East from the end of World War I through the late 1960s During that period Jacobs argues members of this network imagined the Middle East as a region defined by certain common characteristics religion mass politics underdevelopment and an escalating Arab Israeli Palestinian conflict and as a place that might be transformed through U S involvement Thus

the ways in which specialists and policymakers imagined the Middle East of the past or present came to justify policies designed to create an imagined Middle East of the future Jacobs demonstrates that an analysis of the intellectual roots of current politics and foreign policy is critical to comprehending the styles of U S engagement with the Middle East in a post 9 11 world

Dear Unknown Friend Alexis Peri,2024-10-08 Dear Unknown Friend relates the story of US and Soviet pen pals amid the early Cold War The correspondents all of them women approached each other with curiosity and an eye toward coexistence Their letters initially tolerated by censors on both sides revealed the humanity of the enemy and inspired the women to reexamine their own societies

Myths, Models, and U.S. Foreign Policy Stephen W. Twing,1998 In what ways does national culture influence the direction of US foreign policy This study analyzes how certain cultural elements influenced the policy preferences and policymaking behaviours of three Cold War era statesmen John Foster Dulles Averell Harriman and Robert McNamara

Wrestling with God Cecelia Lynch,2020-03-12 Explores the ethical tensions impacting Christian practice in international politics from early missions to contemporary humanitarianism

Modern Just War Theory Michael P. Farrell,2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today s students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as ththose presented by the changing nature of warfare Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell s guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories Modern Just War Theory will appeal to students and scholars of theology military history international law and Christian ethics

Millennial Dreams and Apocalyptic Nightmares Angela M. Lahr,2007-10-31 Conservative evangelicals millennial outlook helped to demarginalize the subculture

in the Cold War as secular apocalypticism paralleled and sometimes justified the dispensational worldview The prospect of nuclear warfare especially in the shadow of the Cuban Missile Crisis and the creation of the state of Israel appeared to be direct fulfillment of biblical prophecy The secular apocalypticism that accompanied these developments combined with conservative evangelicals embrace of anticommunism helped to legitimize evangelicalism in the national secular domain This book examines the Americanization of Cold War evangelicalism and argues that these developments led up to the evangelical subculture s expansion with the rise of the New Christian Right **Grotesque Relations** Susan Edmunds,2008-08-14

Whereas the primary scholarship on progressive reform and literature has focused on the New Deal Edmunds returns to the Progressive Era when reformers pushed a sentimental view of the domestic sphere to advance social policy interests In contrast modernist writers including Djuna Barnes Jean Toomer Edna Ferber Tillie Olsen Nathanael West and Flannery OConnor reacted by producing fiction that belied depictions of a sunny home front by evoking the darker undercurrents of family life *American Exceptionalism and Civil Religion* John D. Wilsey,2015-10-22 The idea of America s special place in history has been a guiding light for centuries With thoughtful insight John D Wilsey traces the concept of exceptionalism including its theological meaning and implications for civil religion This careful history considers not only the abuses of the idea but how it can also point to constructive civil engagement and human flourishing *Embraced and Engaged* Ron Kirkemo,2010-01-01 What do Joseph Joab Jeremiah and the Beatitudes have to do with a Christian young person in American foreign policy Can a Christian be a diplomat a spy a defense industry scientist Can a Christian impact foreign affairs as a member of Congress Amid counsels for Christians to withdraw from the worlds of government and its power and self interest Ron Kirkemo argues a person embraced by God s grace should be engaged in the nation s purposes and the movement of history Through such engagement God s children can impact history but they will inevitably face ethical issues This book is not about the policy of foreign policy but about people conducting policy the ethical issues they may and will face and strategies for keeping one s First Love their first love Is government ordained by God or history a movement of fate If not God s grace becomes a central factor in life Is America headed the way of Babylon If not or if maybe then Christians need to engage the intellectual and operational aspect of policy to prevent that decline and prevail against enemies Is there a disconnect between the traits for success in foreign affairs and the servant leadership model espoused by many Christian colleges and universities Kirkemo engages these issues and urges students to consider the Rhodes Ideal for shaping their years in college This book will at times provoke controversy but it always hopes to inspire and enlighten as it interprets history and Scripture describes professional life gives insight offers counsel and affirms one s openness to God and growth in spiritual life *The Presbyterian Pendulum* Mark J. Englund-Krieger,2010-02-01 The Presbyterian Pendulum is a study in mainline Protestant social ethics with a focus on the Presbyterian Church USA This book is written for the church with the hope that it will provide theological foundation and spiritual encouragement for our efforts to find unity despite the diversity

of convictions and perspectives in our midst This is a historical study of the significant social and political issues to which the church responded throughout the twentieth century With a foundation in solid historical research this book offers the compelling thesis that the Presbyterian Church is at its best when the wild diversity of worldviews theological perspectives and convictions are encouraged Even more the book offers the spiritually rich thesis that it is in this wild diversity not despite of it that the providence of God is seen and known What is unique and compelling about this study is the guiding metaphor of the pendulum swinging The vast difference of opinion in the church around social issues has historically always been true is necessary today and itself points to a deeper truth about God s sustaining providence The church must discern and hold onto that deeper truth We must let the pendulum swing It is my hope that this book will be an encouragement for the church even as we continue to be mired in deep conflict

Thank you utterly much for downloading **Spiritual Legacy Of John Foster Dulles**. Maybe you have knowledge that, people have seen numerous periods for their favorite books later this Spiritual Legacy Of John Foster Dulles, but stop up in harmful downloads.

Spiritual Legacy Of John Foster Dulles Introduction

In the digital age, access to information has become easier than ever before. The ability to download Spiritual Legacy Of John Foster Dulles has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Spiritual Legacy Of John Foster Dulles has opened up a world of possibilities. Downloading Spiritual Legacy Of John Foster Dulles provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Spiritual Legacy Of John Foster Dulles has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Spiritual Legacy Of John Foster Dulles. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Spiritual Legacy Of John Foster Dulles. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Spiritual Legacy Of John Foster Dulles, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Spiritual Legacy Of John Foster Dulles has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Spiritual Legacy Of John Foster Dulles Books

What is a Spiritual Legacy Of John Foster Dulles PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Spiritual Legacy Of John Foster Dulles PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Spiritual Legacy Of John Foster Dulles PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Spiritual Legacy Of John Foster Dulles PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Spiritual Legacy Of John Foster Dulles PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
