## **Spiritual Mothering:**

*Spiritual Mothering* Susan Hunt, 1993 Challenges women to put the teaching of Titus 2 into action Uses both biblical and modern day examples to illustrate the principle of older women caring for younger women in the church *Spiritual Mothering (Foreword by George Grant)* Susan Hunt, 2009-02-04 Presents a fully biblical and extremely practical vision for intergenerational ministry so that women of all ages can know the blessing of spiritual mother daughter relationships For many churches women s ministries and women s Bible study groups the missing element of discipleship is the interpersonal aspect Titus 2 3 5 clarifies what mature spiritual relationships between generations of women should look like Susan Hunt unveils how to put that model into action with stories of biblical and contemporary women who have responded to God s call as well as page after page of personal encouragement practical insight and ministry tested how to s Through this wisdom packed book churches groups and individuals will be equipped to reach across generational lines and inspired to experience the blessing of nurturing godly relationships so that every Christian woman may flourish in her faith *The Cry for Spiritual Mothers and Fathers* Larry Kreider, 2014-03-14 You Are Meant to Be a Mentor You probably have more friends than ever once you tally up all your social networking connections But virtual relationships alone can t meet the Church s desperate need for spiritually mature women and men to mentor younger believers to be faithful servants of Christ If you are like many believers you may not feel prepared to be a trusted influencer because you haven t had a spiritual mother or father yourself *The Cry for Spiritual Mothers and Fathers* written by seasoned disciple and Christian leadership trainer Larry Kreider will give you the proven biblical keys you need to become a godly mentor Discover why spiritual mother and fatherhood is every believer s calling and find out how to nurture a spiritual family that expands the kingdom of God This is the essential handbook for answering God s call to become the spiritual father or mother He has called you to be **Spiritual Mothering in the Kingdom** Patricia Jeannette Mercier, 2016-03-09 *Spiritual Mothering in the Kingdom* focuses on what it means to be a spiritual mother in the church today This book not only defines the term from a Biblical perspective but gives historical examples of spiritual mothers in the church The characteristics of a spiritual mother are observed in the role model of Deborah from Judges 4 5 Patricia Mercier gives examples from her own life as well as some practical ways other women can begin to develop into spiritual mothers within their own spheres of influence *Medieval Mothering* Bonnie Wheeler, 2014-04-23 First published in 1996 Routledge is an imprint of Taylor Francis an informa company *Spiritual Sisterhood* Rebecca Florence Osaigbovo, 2011-01-28 Author and speaker Rebecca Florence Osaigbovo believes the survival of African American communities depends on the renewal of mentoring relationships That s why in these pages she calls all sisters to either become a spiritual mother or be mentored by one *Mothering, Public Leadership, and Women's Life Writing* Claire Wolfteich, 2017-07-31 In *Mothering Public Leadership and Women's Life Writing* Claire E Wolfteich presents a series of case studies in Christian spirituality bringing mothers autobiographical writing into focus for theological reflection

From the medieval mystic Margery Kempe to the twentieth century activist Dorothy Day from African American preacher Jarena Lee to labor organizer Dolores Huerta the book mines women's first person writing surfacing critical issues for theological analysis Listening deeply to these diverse maternal voices the book advances creative theological reflection on work vocation time poverty Sabbath and spiritual guidance Mothering Public Leadership and Women's Life Writing demonstrates the significance of the study of mothering for theology and spirituality studies and the import of life writing as an underutilized source for practical theology

**Parenting as Spiritual Practice and Source for Theology** Claire Bischoff, Elizabeth O'Donnell Gandolfo, Annie Hardison-Moody, 2017-12-13 This volume investigates how mothers can understand parenting as spiritual practice and what this practice means for theological scholarship An intergenerational and intercultural group of mother scholars explores these questions that arise at the intersection of motherhood studies religious practice pastoral care and theology through engaging and accessible essays Essays include both narrative and theological elements as authors draw on personal reflection interviews and or sociological studies to write about the theological implications of parenting practice rethink key concepts in theology and contribute to a more robust account of parenting as spiritual practice from various theological perspectives The volume both challenges oppressive religious images of self sacrificing motherhood and considers the spiritual dimensions of mothering that contribute to women's empowerment and well being It also deepens practical and systematic theologies to include concern for the embodied and everyday challenges and joys of motherhood as it is experienced and practiced in diverse contexts of privilege and marginalization

**Motherhood and Mothering in Anglo-Saxon England** M. Dockray-Miller, 2000-03-15 Motherhood and Mothering in Anglo Saxon England sifts through the historical evidence to describe and analyze a world of violence and intrigue where mothers needed to devise their own systems to protect nurture and teach their children Mary Dockray Miller casts a maternal eye on Bede the Anglo Saxon Chronicle and Beowulf to reveal mothers who created rituals genealogies and institutions for their children and themselves Little known historical figures queens abbesses and other noblewomen used their power in court and convent to provide education medical care and safety for their children showing us that mothers of a thousand years ago and mothers of today had many of the same goals and aspirations

**The Legacy of Biblical Womanhood** Susan Hunt, Barbara Thompson, 2003-03-06 Many Christian women are floundering they are confused about what it means to be a Christian woman Churches aren't sounding a clear call to biblical womanhood much less teaching what it is On top of that precious few resources exist to help disciple women in the biblical image of womanhood In this book Susan Hunt and Barbara Thompson call women to pass on a legacy of biblical womanhood to the next generation Part One gives a defense of biblical womanhood urging women to follow God's design Part Two applies the principles of biblical womanhood to the stages of a woman's life This includes a chapter about what it means to have a pilgrim's perspective through the final season of life on earth Part Three appeals to churches to equip women to live out and to leave the legacy of

biblical womanhood and includes practical guidance for ministering to women When combined with Crossway's *Spiritual Mothering By Design* and *The True Woman* this book will breathe new life into women's ministries in the church

**Mother Shekinah Wisdom** Isiah Lawrence Nottage, 2022-06-23 My new book *Mother Shekinah Wisdom The Third Person in the Godhead* is 100 percent iron clad proven and is one that all women must read so they may know in whose image they are created This eye opening book explains that women are created after the image of God's wife When God said Let us make man mankind in our image and after our likeness he meant that one of us was a woman who is his wife Because God could not have looked exactly like the man Adam and at the same time looked like the woman Eve The fact that God made a man and a woman shows that one of us had to have been a woman Another important point announces the changing of the guard in the spiritual realm giving women the baton of power and authority on Earth to rule for a period of time up to the end of the 21st century My predictions include that a woman will soon become President of the United States and that a woman will eventually sit on the throne of the Vatican as Pope I share my personal encounters with the Almighty God and with Jesus Christ as well as my provocative love story about meeting my wife Urismae

**Kindergarten Review**, 1897 *Black Mothers and the National Body Politic* Andrea Powell Wolfe, 2020-10-14 *Black Mothers and the National Body Politic* The Narrative Positioning of the Black Maternal Body from the Civil War Period through the Present focuses on the struggles and triumphs of black motherhood in six works of narrative prose composed from the Civil War period through the present Andrea Powell Wolfe examines the functioning of the black maternal body to both define and undermine ideal white womanhood the physical scarring of the black mother and the reclamation of the black maternal body as a site of subversion and nurturance as well as erotic empowerment and the construction of oppressive discourses surrounding black female bodies and reproduction and the development of resistance to these types of discourses These tensions undergird a multifaceted discussion of the narrative positioning of the black maternal body within and in relationship to the national body politic an inherently exclusionary and restrictive metaphorical entity constructed and socially contracted over time by an already politically empowered citizenry Ultimately close analysis of the texts under study suggests that the United States as a figurative body complete with imagined parts that perform separate functions from intelligence to labor ingestion to expulsion has simultaneously used and cast off the black maternal body over the course of centuries

**Unbecoming Mothers** Diana Gustafson, 2013-10-08 Learn the who what and why of unbecoming a mother In a society where becoming a mother is naturalized unbecoming a mother the process of coming to live apart from biological children is regarded as unnatural improper or even contemptible Few mothers are more stigmatized than those who are perceived as having given up surrendered or abandoned their birth children *Unbecoming Mothers The Social Production of Maternal Absence* examines this phenomenon within the social and historical context of parenting in Canada Australia Britain and the United States with critical observations from social workers policymakers and historians This unique book offers insights from the perspectives

of children on the outside looking in and the lived experiences of women on the inside looking out *Unbecoming Mothers The Social Production of Maternal Absence* explores how gender race class and other social agents affect the ways women negotiate their lives apart from their children and how they attempt to recreate their identities and family structures An interdisciplinary international collection of academics community workers and mothers draws upon sources as diverse as archival records a therapist s interview a dance script and the class presentation of a student to offer refreshing insights on maternal absence that are innovative accessible and inspiring *Unbecoming Mothers* examines five assumptions about maternal absence and the families that emerge from that absence the focus on parenting as highly gendered caring work done by women the idea that women share the same experience of unbecoming mothers and share the same circumstances and background the perception of maternal absence as a recent phenomenon the notion that women who want to manage their mother work will make choices to overcome life s obstacles the Western concept of womanhood being achieved through motherhood and the unrealistic ideal of the good mother *Unbecoming Mothers The Social Production of Maternal Absence* is a rich multidisciplinary resource for academics working in women s studies psychology sociology history and any health related fields and for policymakers social workers and other community workers

**Mariology: A Dogmatic Treatise on the Blessed Virgin Mary, Mother of God** Rev. Joseph Pohle Ph. D. D., Aeterna Press, Like the Hypostatic Union of the two Natures in Christ the Divine Motherhood of the Blessed Virgin Mary may be regarded from a twofold point of view 1 ontologically i e in its objective dignity *dignitas maternitatis divinae* in se and 2 ethically in its causal connexion with the prerogatives proper to this exalted office *plenitudo gratiae correspondens dignitati* Christology shows how the Hypostatic Union immediately and substantially sanctified the manhood of our Lord in direct proportion to His infinite dignity as Godman In a similar though not precisely the same manner Mary s objective dignity as mother of God constitutes both the intrinsic principle and the extrinsic standard of her supernatural purity and holiness The one postulates the other as a cause its effect Aeterna Press

Each chapter contains traditional prayers associated with these historic Marian shrines Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints, as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time, and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye. Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination. In either case, her followers seemed to have been drawn into the mystery of her charisma, endeavoring to keep pace with her. Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor, or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation? Or was it both? The letters will reveal the answer. Inspiring in their simplicity, the letters may well serve as a treasure trove where anyone, from a reflective scholar to a caring mother of a family, may find satisfaction for their spiritual palate. The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs. In the context of Mother Teresa's statement that we are created for greater things, to love and to be loved, these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life. They will inspire us to put our love into living action, sharing His love with all those we meet and so make our lives something beautiful for God.
