

**EAGLE SPIRIT
(a prayer)**

**Set me free, O Lord,
give me wings
that I may fly.
Make me then soar,
to span the distances,
near and far,
held aloft by Your Loving-Kindness.
Make my wings beat
over vast and troubled regions,
that an unbelieving world
might be made a witness
to Your Powers.
It is my humble wish
to carry forth the Message
of Your Love and Freedom.
Speed me on my way, O Lord,
it is my desire to soar,
to sing, and to serve.
Make me then fly my utterances
Your Wondrous Melodies,
that I may promote Your Cause
as might a bird
Your lofty skies.**

Poems of a Spiritual Awakening Anonymous,2014-04-11 Poems of a Spiritual Awakening offers an intimate look at one poets own spiritual awakening over a period of twenty seven years going into and out of recovery Most critical to this awakening is the all inclusive universal power of a loving God as He revealed Himself to the author through this inspiring poetry After many years knowing that change was needed but having no success finding what others had discovered to enable their recoveries the author began writing poetry to express those innermost feelings Through these verses God became an overwhelming presence awakening the authors innermost emotions and the need to finally begin recovery from addiction From the pain of acknowledging a troubled past in Boogie Man to the poignancy of Self Love the author gradually found a way to express deeply buried emotions and fears This poetry collection was written in less than fifty days with God providing the path to release and recovery The Voice I had a voice I made much noise I knew just what to do I yelled in here I talked out there the voice within my mind it drove me very blind I thought out there I thought out here could hardly get some air and then your voice that still small sound just threw me to the ground It quieted my spirit true and showed me what to do

Spiritual Poems Sherry Wallace,2020-11-23 *Melting World* Richard Alan Ruof,2004-06-05 As secularism and commercialism proceed to dominate American life the removal of structures that protect and nurture the spiritual experience has perilous effects Values wane greed self interest and incidents of conflict alarm Chambers of the soul are invaded and the dearest treasures sacked Those most vulnerable are children and youth the married the poor and the disconnected While in his first book Songs of the Lesser Servants the author presented in poetry spiritual experiences and perceptions of the changing social situation this book concentrates on secularisms effect on the inner person Melting World presents the ever renewing spiritual contrasted with worldly ruin Poems of experience vision parable and allegory spring from everyday situations Each poem challenges the reader to examine current perceptions of faith and secularism Modern humanity must realize that secularism is not ideal society before it is too late to turn back Under the guise of issues of church and state mans spirituality is removed in schools public places and media Generations view man as a higher primate without soul or spirit Spiritual man without Gods presence dies in a melting world Hope
