Spiritual Renaissance Elevating Your Consciousness For The Common Good:

The Wisdom of Solomon Barbara Condron,2004 There are times in our lives when nothing seems to make sense how we feel why things are happening the way that they are It seems almost as though we are being thrown around by life and the universe We wonder when the roller coaster ride will end We long for things to be the same all the while sensing that they are forever changed Everywhere we turn the all pervading question is Why From understanding childhood dreams to realizing divine love through the loss of a friend to resolving the varied emotions brought to bear upon a nation through the events of 9 11 01 Psi counselors access inner levels of consciousness to unlock the answers to life s challenges for us all These modern day Solomons possess understandings which help us find the beauty joy and light within experiences that may otherwise seem dark and difficult The Reconcile Experience alone will change your life Join the author of Kundalini Rising as she introduces you to multidimensional thinking **Every Dream is about the Dreamer** Barbara Condron,2004 Do other people dream about the same things you do Can dreams be a premonition Or a glimpse of some other dimension How can your child s dreams help you be a better parent What were your childhood dreams trying to tell you Why does the same dream repeat itself again and again Why do we wish some dreams would never end Since www dreamschool org became a presence on the Internet thousands of people from around the world have sent emails about their dreams The questions they ask are universal in much the same way as the dreams themselves are These correspondences reveal the common themes that run through our dreams and what they mean Once decoded they become personal mythologies revealing individual quests for success enlightenment and peace For decades students and teachers at the School of Metaphysics have studied dreams as a gateway into nocturnal consciousness Karmic Healing Laurel Clark,2001 **Remembering Atlantis** Daniel R. Condron,Barbara Condron,2002 The Purpose of Life Daniel R. Condron,2004 This book answers the greatest question of all What is the purpose of life Now after thousands of years people can know the purpose of life It isn t enough to know the overall purpose of life Within the purpose of life is each individual s purpose You have a great purpose for your life Few people ever discover their unique and valuable purpose You now have the opportunity to do so **Who's Who in the Midwest** Marquis Who's Who,Marquis Who's Who, LLC,2004-06 Spiritual Renaissance Barbara Condron,1999
