# Sisters In-Heart

We've shared so much *laughter*,  
*shared* so many tears.

We've a *spiritual* kinship  
that grows stronger each year.

We're not sisters by *birth*, but we've  
*known* from the start,  
God put us *together* to be  
*Sisters-in-Heart*.

**Sisters of the Spirit** William L. **Basic Principles of the Experience of Life** Witness Lee, 1999-06 A Voice of Reason Sherry Petro-Surdell, 2013-05 What you are about to read began in my heart and found its way to hand written words on 3 ring note book paper These thoughts that turn into the spoken word I call Reasonings The words were often spoken to a small group of seekers Churches often call them sermons or messages but I call them Reasonings in reference to a biblical passage in Isaiah 1:18 Come now and let us reason together saith the Lord This infers to me that it is a co creation experience I also appreciate the Rasta spiritual perspective that calls this co creation process Reasonings to understand or as Rastafarians say to overstand the ways of God Yamada: Knowledge, Education and Social Structure , 2023-06-27 In searching for the potential that lies in African societies the chapters of this volume consider relationships between knowledge education and social structure from multiple angles from a macro continental scale to national education systems schools and local communities The themes that

cut across the chapters include education as a mode of transmitting values the contrasting effects of school credentials and knowledge for use politics and interactions among people surrounding a school and knowledge acquisition as a subjective process The rich empirical analyses suggest that the subjective commitment of and mutuality among people will make the acquired knowledge a powerful tool for conviviality to realize a stable life even given the turmoil created by rapid institutional and environmental changes that confront African societies

**Lessons from Saint Thérèse** John Paul Thomas, 2017-10-30 I will spend my Heaven doing good on Earth For more than a century Saint Thérèse of Lisieux also known as The Little Flower has captivated countless minds and hearts Her simple and pure heart burned with a deep love for our Lord and that love overflowed into the lives of many She daily inspired those who knew her and she continues to inspire those who read her story Her autobiography captures the beauty and profundity of her love in the most tender and affectionate way Her story reveals how devoted she was to Jesus and how she longed to be with Him forever in Heaven even from the earliest moments of her childhood This book offers 99 short lessons reflections and prayers from the life of Saint Thérèse of the Child Jesus and the Holy Face The lessons are based upon Saint Thérèse's own words as she shared her faith and her heart in the pages of the three manuscripts of her autobiography Story of a Soul Each subsequent reflection attempts to capture one of her countless virtues so as to savor the fragrance of this precious little flower of God and to apply it to the reader's daily life The prayer to conclude each lesson is not written only to be read it is written to be prayed You may find it helpful to pray that prayer slowly and meditatively at the end of each lesson and return to that prayer at the end of each day especially to the prayers that are most pertinent to your life The reader might wish to use this book as a daily reflection book reading one lesson each day Doing so will allow you to ponder one lesson from her saintly life at a time so as to absorb the sweetness of her love and the depth of her life However you might find it just as beneficial to read several lessons at a time This book is not intended to be a onetime read Rather the lessons we learn from Saint Thérèse's life are worth absorbing many times over The reflection and prayer after each lesson make this book a helpful source of daily self examination and prayer throughout life You who are parents might also find the lessons of St Thérèse of benefit in the formation of your children Telling Little Thérèse's stories will inspire and challenge your children as they grow and mature in their own lives of faith

**Nuns' Priests' Tales** Fiona J. Griffiths, 2025-02-01 During the Middle Ages female monasteries relied on priests to provide for their spiritual care chiefly to celebrate Mass in their chapels but also to hear the confessions of their nuns and give last rites to their sick and dying These men were essential to the flourishing of female monasticism during the eleventh and twelfth centuries yet they rarely appear in scholarly accounts of the period Medieval sources are

hardly more forthcoming Although medieval churchmen consistently acknowledged the necessity of male spiritual supervision in female monasteries they also warned against the dangers to men of association with women Nuns Priests Tales investigates gendered spiritual hierarchies from the perspective of nuns priests ordained men often local monks who served the spiritual needs of monastic women Celibacy misogyny and the presumption of men s withdrawal from women within the religious life have often been seen as markers of male spirituality during the period of church reform Yet as Fiona J Griffiths illustrates men s support and care for religious women could be central to male spirituality and pious practice Nuns priests frequently turned to women for prayer and intercession viewing women s prayers as superior to their own since they were the prayers of Christ s brides Casting nuns as the brides of Christ and adopting for themselves the role of paranympheus bridesman or friend of the bridegroom these men constructed a triangular spiritual relationship in which service to nuns was part of their dedication to Christ Focusing on men s spiritual ideas about women and their spiritual service to them Nuns Priests Tales reveals a clerical counter discourse in which spiritual care for women was depicted as a holy service and an act of devotion and obedience to Christ

Schmidt, FSC, 2007-01-15 Thérèse of Lisieux has been called the greatest saint of modern times but some view her spirituality as

sentimental and syrupy Joseph F Schmidt FSC dispels that notion by contending that Th r se s little way is really the gospel message a message that can best be understood in the context of her life Schmidt does a masterful job of weaving together biographical details with Th r se s profound insights on God s love and mercy This book is a must read for anyone who wants an introduction to Th r se s spirituality as well as for those who desire a deeper appreciation of her little way a way that continues to speak to Catholics today Includes photographs of Th r se as a young girl and throughout her life *Believe Not Every Spirit* Moshe Sluhovsky,2008-11-15 From 1400 through 1700 the number of reports of demonic possessions among European women was extraordinarily high During the same period a new type of mysticism popular with women emerged that greatly affected the risk of possession and as a result the practice of exorcism Many feared that in moments of rapture women who had surrendered their souls to divine love were not experiencing the work of angels but rather the ravages of demons in disguise So how then asks Moshe Sluhovsky were practitioners of exorcism to distinguish demonic from divine possessions Drawing on unexplored accounts of mystical schools and spiritual techniques testimonies of the possessed and exorcism manuals *Believe Not Every Spirit* examines how early modern Europeans dealt with this dilemma The personal experiences of practitioners Sluhovsky shows trumped theological knowledge Worried that this could lead to a rejection of Catholic rituals the church reshaped the meaning and practices of exorcism transforming this healing rite into a means of spiritual interrogation In its efforts to distinguish between good and evil the church developed important new explanatory frameworks for the relations between body and soul interiority and exteriority and the natural and supernatural **Queen Mothers** Rhonda Jeffries,2019-08-01 Black women s experiences functioning as mothers teachers and leaders are confounding and complex Queen Mothers from Ghanaian tradition are revered as the leaders of their matrilineal families and the teachers of the high chiefs M ller 2013 Stoeltje 1997 Conversely the influence of the British Queen Mother on Black women in the Americas translates as a powerless title of dis courtesy Characterized as a deviant figure by colonialists the Black Queen Mother s role as disruptive agent was created by White domination of Black life Masenya 2014 and this branding persists among contemporary perceptions of Black women who function as the mother teacher or leader figure in various spaces Nevertheless Black women as cultural anomalies were suitable to mother others for centuries in their roles as chattel and domestic servants in the United States Dill 2014 Lawson 2000 Lewis 1977 and Rodriguez 2016 provide explorations of the devaluation of Black women in roles of power with these effects wide ranging from economic and family security professional and business development healthcare maintenance political representation spiritual enlightenment and educational achievement This text interrogates contexts where Black women function as Queen Mothers and contests the trivialization of their manifold contributions The contributed chapters explore The myriad experiences of Black women mothering teaching and leading their children families and communities how spirituality has influenced the leadership styles of Black women as mothers and teachers and how Black women are uniquely positioned to mother teach and lead in personal

and professional spaces      **Women's Life-writing** Linda S. Coleman,1997 The essays in this collection offer readers vivid and varied evidence of the female response to recurring attempts by culture to artificially limit identity along the gendered lines of private and public experience Calling on voices both familiar and little known British and American black and white young and old poor and rich heterosexual and lesbian the essayists explore how women within unique personal and historical conditions used life writing as a means of both self understanding and connection to a community of sympathetic others real or imagined The life writings within this anthology span the modern history of the genre itself with writers drawn from as early as the seventeenth century and as late as the 1990s      *Lady of the Lotus-Born* Gyalwa Changchub,Namkhai Nyingpo,Yeshe Tsogyal,2002-02-12 The first Tibetan to attain complete enlightenment was in all probability the woman Yeshe Tsogyal the closest disciple of Padmasambhava the master who brought Buddhism to Tibet in the eighth century This classical text is not only a biography but also an inspiring example of how the Buddha s teaching can be put into practice Lady of the Lotus Born interweaves profound Buddhist teachings with a colorful narrative that includes episodes of adventure court intrigue and personal searching The book will appeal to students of Tibetan Buddhism and readers interested in the role of women in Buddhism and world religions      **Enduring Lives** Carol Lee Flinders,2013 In this companion volume to her best selling *Enduring Grace* Flinders profiles the lives of four contemporary women of faith Contending that her modern subjects are spiritual heirs to saints and mystics she draws parallels between her modern subjects and their historical predecessors      Monastic Life in the Armenian Church Jasmine Dum-Tragut,Dietmar W. Winkler,2018 Monasticism is a vital feature of Christian spiritual life and has its origins in the Oriens Christianus The present volume contains studies on Armenian Monasticism from various perspectives The task is not only to produce historical studies The aim is also to contribute to and reflect on monasticism today Authors come from the Armenian Apostolic Catholicosate of Ejmiacin the Holy See of Cilicia the Armenian Patriarchate of Jerusalem and the Armenian Catholic Church as well as from the Benedictine and Franciscan Orders of the Catholic Church The experts reflected on the glorious past of Armenian monasticism and agreed to evaluate future challenges ecumenically to give more insight into both past and present Armenian monasticism      A Great Gift Seraph Luk,2019-12-26 Thirteen cryptic dream messages came from her Higher Self Should she believe them as real or should she seek professional therapy The messages began when she was thirty eight She was now fifty eight and counting but when one or two of her dreams started connecting afore unknown dots and guiding her on her path she had no choice but to wait out the rest with faith The alternative was living without purpose without knowing that there is something more something higher but she knew better Over the course of years she also received over one hundred personal dreams shared with her Twin Flame But he was married and his wife was a bwitch with a vengeance Why would these dreams guide her to him if it was not meant to be Why would she have to endure the delays the blocks the rejection and the black magic Was it all an illusion a fantasy an obsession unrequited love Was it part of her purpose to help

him or only to wake him She had asked God to show her her Twin Flame God did What God did not say was if they would have their reunion in this lifetime It would be a long wait for answers and answered prayer but through it all she would grow and she would know her purpose and his place in her life or not
