comes when we've done everything we can to feel safe and happy and we still feel sad alone and empty as we lie in bed exhausted each night. The question we each have to answer is: Who do you think you are? Because we've mistaken our identity as being only human, we've accepted limits that do not allow for the realization of our highest potential. Up until now, we've been missing incredible opportunities to live prosperous, loving, joy-filled lives. An Emergency Department crisis counselor demonstrates that we are powerful, sacred human beings with the ability to focus our thoughts and feelings in ways that will absolutely transform our lives. With awareness and practice, we can become our sacred Selves.
