Spirituality 101relating To Non Visible Reality A Handbook For Seekers Of The Good Life:

Spirituality 101 - Relating to Non-Visible Reality Suzanne R. Miller,2000-08 Religion without nonsense A handbook for seekers This book melds the best of current scholarship in religion psychology history medicine and science into a life enriching perspective for today s spiritual person It gives you the information and shows you how to choose your own path for life enhancing spirituality Spirituality 101 is written by a person who has walked that walk and prospered **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **A Meta-Spiritual Handbook** Tim Sledge,2018-04-15 When former evangelical minister Tim Sledge walked away from five decades of faith more than 10 years ago he made a clean break no more church prayer religion or God But there was one thing that surprised him He still wanted to be spiritual Looking beyond traditional Christian views of spirituality he found no spiritual but not religious model that worked for him including the mindset of connecting with the energy of the universe Eventually Sledge decided to redefine spirituality for himself and to use the term meta spirituality to identify his personal approach as beyond any conventional concept of spirituality His vision of meta spirituality touches that part of us that seeks inspiration yearns for the highest and best in life and longs for a connection to something noble and wondrous This is spirituality without God or magic without religion or faith and with no need of an invisible spirit world It is a call to kindness listening vulnerability compassion and gratitude a quest for a growing sensitivity to the world of emotions and a challenge to let mistakes lead to growth instead of shame The book s 26 chapters are organized around five topics How to Be Spiritual Without God How to See Reality How to Live With Meaning How to Keep Moving Forward How to Practice Meta Spirituality A Meta Spiritual Handbook is a simple guide to seeing spirituality in a new way and a challenge to find your best self without reference to religion faith or God **The New American Spirituality** Elizabeth Lesser,1999 Elizabeth Lesser offers up a rich cornucopia of lessons for the soul in The New American Spirituality a warm and fascinating account of a modern pilgrimage Daniel Goleman Ph D author of Emotional Intelligence In the crowded field of books dealing with spirituality psychology and religion what has been missing is a comprehensive authoritative guide to the many choices facing spiritual seekers today The New American Spirituality fills that need This encouraging empowering user s manual for the soul teaches you how to chart a unique and personal path through the diverse landscapes of the American spiritual quest In 1977 Lesser cofounded the Omega Institute now America s largest adult education center focusing on wellness and spirituality Working with many of the eminent thinkers and practitioners of our times in the fields of religion psychology mysticism science and healing Lesser found that the hunger for a spiritual life can be satisfied by a rich blend of the world s wisdom traditions In The New American Spirituality she synthesizes the lessons she has learned from different belief systems and intertwines them with illuminating stories from her life as a seeker teacher daughter wife and mother She answers pertinent questions how do you determine what is right for you from the many strains of the modern spiritual search how do you assess a teacher or practice how can you gauge your progress while warning of

the tendency to miss out on real growth by merely dabbling in the latest fads Recounting her own trials and errors and offering meditative exercises as well as references to some of the world's great spiritual teachers Lesser provides directions through the four landscapes of the spiritual journey the mind developing awareness learning meditation easing stress and anxiety the heart finding what one really loves dealing with grief and loss becoming fully alive the body returning the body to the spiritual fold healing coping with aging and the fear of death the soul naming God for ourselves exploring other realms of consciousness trusting the mysterious nature of the universe developing compassion and forgiveness Warm accessible and wise The New American Spirituality is a cross disciplinary sourcebook for the millions of Americans who whether or not they participate in an organized religion wish to incorporate a more meaningful joyful and individualized spirituality into their daily lives
