Nurturing the Human Spirit Through Character Development in Adolescents Rev. Dr. Bronco H. Crooke, 2015-10-13

Nurturing the Human Spirit through Character Development in Adolescents was designed to discover and develop the spiritual nature of our adolescents by assisting them in discerning and constructing positive character building skills. By familiarizing them to their own and other religious beliefs and practices, the adolescents will be able to more easily accommodate themselves to their diverse neighborhoods and schools. By understanding their peers' religious and social practices, a common underlying tension is removed from their daily lives, enabling them to better learn in an educational setting.

**Evangelization of Hispanic Young People** Carmen María Cervantes, 1995. Youth Worker's Guide to Parent Ministry Marv Penner, 2003. The Kids in Your Youth Group Are Not Isolated Beings.

Ministry to Youth Means Ministry to the Families. Churches are hiring Youth and Family Pastors finally in an overdue ministry focus. A critical component of a family based or family friendly youth ministry is a conscious strategy for ministry to the parents of adolescents. Expectations and opportunities in the area of parent and family ministry have increased dramatically. Youth Worker's Guide to Parent Ministry develops a model of parent ministry based on the belief that for a youth worker to be truly effective, it is important to lay careful relational groundwork to ensure that the right to be heard has been earned. Dr. Marv Penner, respected adolescent researcher, youth pastor, and family counselor, presents nine evolving levels of parent ministry, each one strengthening the credibility of the youth worker and opening doors to deeper and more meaningful parent support. Each of the nine levels is supported with a number of practical ideas and strategies for implementation. Youth Worker's Guide to Parent Ministry provides both a theoretical framework and the tools for implementation in local church or para-church settings. Marv constructs his effective plan in a Paradigm Pyramid, rationale, and practical hands-on programming ideas at each of the nine evolving levels of parent ministry. Acknowledgement, Affirmation, Information, Encouragement, Connecting, Equipping, Involvement, Educating. Co-nurturing Bible-based, time-tested, innovative, experiential, adoptable. Youth Worker's Guide to Parent Ministry is a foundational text in this vital area of youth ministry. Featured are sessions, sidebars, Web links, application points, contests, and games, sample newsletter ideas, funky cartoons, and many worksheets, all downloadable and adaptable.

Reasons for Living Marisa L. Crawford, Graham Rossiter, 2006. Reasons for Living begins by exploring the development and psychological function of meaning, identity, and spirituality in the lives of young people. This exploration can contribute significantly to the professional background of those engaged in the education and care of youth in various contexts. The book then focuses on what it means to educate young people in meaning, identity, and spirituality.

Implications are considered for three school contexts the spiritual and moral dimension to the general curriculum in public and independent schools religious education in religious schools and state based Religion Studies courses Reasons for Living makes a much needed contribution to the philosophy of education by discussing the links between education and young people s spiritual and moral development It also provides new insights and approaches to values education and religious education Areas of fundamental importance in Australian education have long been held back not only by the gap between theory and practice but also by the very complexities of young people s personal development in contemporary Western Culture Reasons for Living offers a constructive and practical way forward
