

# Spirituality

## For Beginners

### *Spirituality Simplified*

Forget all the mystical stuff - Spirituality is simply experiencing whatever is beyond the physical, and using what you learn to improve life for yourself and others. It's not about consuming second-hand information, but finding the truth for yourself

### *How can it improve my life?*

Initially, spirituality brings excitement, meaning, and expands your existence beyond the mundane everyday. As you develop psychic abilities, learn more of the truth, and transform on a deep level, you'll simply have more tools to do *everything*. You'll make better decisions, and improve more than you ever thought possible. With true spirituality (not the airy-fairy kind), you're able to be able to fight whatever holds you back *directly*. And all you need to start is intention and visualisation!

### *Where do I start?*

Focus	Why it's important	Starting Exercise
<b>1.</b> Developing your perception / psychic abilities	<ul style="list-style-type: none"><li>• To perform other techniques, you need to be able to <i>perceive</i> what you're doing</li><li>• Means you can check if second-hand information is true, preventing deception</li></ul>	Sit down in a quiet environment where you won't be disturbed. Close your eyes and inwardly state "I experience my psychic abilities now" with firm intention. Note the slight impression you get - is it like seeing, feeling, hearing, or knowing? State you intend to generally and specifically improve it (in truthfulness, clarity, healthiness, ease)
<b>2.</b> Perceiving your spiritual self	<ul style="list-style-type: none"><li>• Easiest way to start applying psychic ability</li><li>• Proves you're way more than just a body and brain</li><li>• Essential for later <i>improving</i> spiritually</li></ul>	State "I perceive the parts of me that are beyond the physical". You may feel a larger body beyond your skin, or see different layers of reality in which you exist. Try perceiving specific parts
<b>3.</b> Removing artificialities (the one spiritual teachers NEVER talk about!)	<ul style="list-style-type: none"><li>• These are unnatural implants in your spiritual self that hold you back</li><li>• Unless you remove them, there will <i>always</i> be a barrier to your growth</li><li>• (May sound crazy, but as you develop psychically, you'll see them yourself)</li></ul>	Ask your psychic abilities to show you the easiest artificial implants within you to remove. Select one and intend to completely and permanently remove it, as you visualise it leaving your body. Keep pushing until it's outside you. Destroy or banish it, then heal the area it came from (all through intention and visualisation)
